### Council Asks For Action On Sewage And Landscaping At Wartime Houses

#### Regular Meeting Held On Monday Night — Council To Inspect Village Streets

The sewage problem in connection with the Wartime Housing project in the village was again to the forefront at the regular meeting of the Village Council on Monday night. This matter of sewage has been a thorn in the side of Board of Health and town councillors for a considerable time and the time has come when Council is demanding that action of a permanent nature be taken by Wartime Housing. Clerk Mallory was instructed to write Central Mortgage requesting that prompt action be taken.

Communications were tabled from the Ontario Municipal Board, Ontario Dept. of Highways re Highway Improvement Act, Imperial War Graves Commission re constructing a base in the local cemetery for a memorial to L.-Cpl. Ray Dracup; Belleville Hospital, re an indigent patient; Good-year Rubber Co., re shipment of tire hose.

A letter was also tabled from Stirling Lumber Co., quoting \$35.70 each on stop logs for the local dam. An order was authorized for four logs.

Plans were made for Council to inspect the Village streets on Wednesday afternoon.

Clerk Mallory reported receipt of a cheque for \$93.70 from the Department of Highways, the same being 50% of the cost of removing snow from the Highways in the Village.

The following accounts were passed for payment:

Jack Hamilton	\$ 10.40
Claude Tucker	36.80
Stirling News-Argus	18.50
F. R. Mallory	4.75
Roofers' Supply	30.15
Sam Bowen	42.48
Thos. Spry	28.15
J. C. McGee	.85
J. B. Faulkner	33.35
W. H. Patterson	5.10
Wm. J. Cairns	9.75
C. B. Rollins	32.50
Schwab's	14.75
Bell Telephone	5.17
Goodyear Co.	331.76
Stirling Hydro	241.95

### Has Operation

Mrs. Grant Stapley underwent an operation in Belleville Hospital on Wednesday, May 3rd. Latest reports are that she is doing as well as can be expected.

### Local Happenings of Interest About Town

Mrs. Clarence Chard, Stirling R.R. 4, left recently to spend some time on a visit with relatives in England.

Bill Greenley, who has completed his course at Queen's University, returned home on Tuesday.

Mr. and Mrs. E. T. Ward spent Wednesday with Mr. and Mrs. Jas. Ward, Belleville.

Mr. and Mrs. J. L. Good and Janet Ann and Miss Barbara Roberts spent the week-end with relatives at Lanark.

Mr. and Mrs. Robert Luey spent the week-end with the latter's parents, Mr. and Mrs. Blake Huycke, of Nanawau.

Mr. and Mrs. H. R. Tompkins spent the week-end with Mr. and Mrs. J. R. Lemieux, Ottawa.

Mr. and Mrs. Ross DeRosiers, of Chemung, Vancouver Island, are visiting the former's sister, Mrs. G. H. Luey and Mr. Luey.

Kenneth Black, who graduated at Royal Roads, B.C., on Friday last, arrived home on Wednesday for the summer.

Mr. and Mrs. J. Reid, of Vancouver, B.C., are guests of Mr. and Mrs. Roscoe Wright and other relatives in Stirling and district.

Mrs. E. A. Luey and grandson, Robert Luey, spent a few days last week with Mr. and Mrs. K. Cowan, Ottawa.

### Speeders Beware!

Motorists who fail to observe the speed limit and signs controlling vehicular traffic in this Village are going to be checked up right smartly, according to plans made by Village Council at its regular meeting on Monday.

Constable S. Eggleton has received instructions to enforce the local traffic by-law without fear or favour. Council is determined that speeding and ignoring parking signs within the limits of the Village shall cease.

So, Mr. Motorist, you have had your warning. If you are caught don't blame the Constable or the Village Council — just blame yourself. It's entirely up to you.

### Mail Hour Later

Postmaster F. W. Houchin wishes to remind citizens that owing to the change to daylight saving, the incoming mails reach the local office one hour later and consequently their distribution is delayed.

### Received Degree

The Rev. Grant Albert Melkiejohn, B.A., of Kincardine, Ont., received his Bachelor of Divinity Degree at Old St. Andrew's United Church, Toronto, at the annual convocation in divinity of Victoria University, on Tuesday, May 2nd.

Among those attending the ceremony were his parents, Mr. and Mrs. S. G. Melkiejohn, and Mr. and Mrs. Granville Melkiejohn, of Springbrook.

### Will Hold Dance To Raise Funds

The Hon. J. R. Cooke Chapter of the I.O.D.E., Stirling, has set an objective of \$1,000 to be raised during the coming year in aid of the Trenton Hospital.

The first step towards raising this amount will be holding a dance in the Stirling Community Hall, on Tuesday evening, May 16th. The "Teen-Agers" Orchestra will furnish the music and it is expected a large crowd will be present to support the I.O.D.E. in this worthy project.

Rev. and Mrs. W. H. V. Walker are spending a few days in Toronto, where the former is attending the Synod meeting of the Presbyterian Church in Canada.

Mr. and Mrs. W. W. Thompson, of Springbrook, were Sunday guests at the home of Mr. and Mrs. Jas. Warren, Harold, on the occasion of Mr. Thompson's 80th birthday. A number of relatives and friends called during the day to extend congratulations.

Dr. Geo. A. Richardson, professor of Dairy Husbandry and Dairy Chemistry at Oregon State College, visited his father, Mr. W. J. Richardson, and brother, Volney Richardson last week enroute home from the spring meeting of the American Chemical Society in Philadelphia.

Several members of St. John's Woman's Auxiliary attended the 64th annual meeting of the Woman's Auxiliary of the Church of England, Diocese of Ontario, held in Kingston this week. Among those in attendance were Rev. and Mrs. A. J. Anderson, Mrs. Edward Kent, Mrs. J. S. Whitehead, Mrs. Earl Morrow, Mrs. J. B. Belslaw, Mrs. Harold Morgan, Mrs. Hiram Rodgers, Mrs. Everett Cooke, Mrs. S. MacMurray, Mrs. Thos. Tanner, Mrs. W. H. Cooke.

### BOY SCOUTS AND WOLF CUBS AT ST. ANDREW'S

St. George's Day was commemorated by the Stirling Boy Scouts and Wolf Cubs on Sunday morning last by attending Divine Service in St. Andrew's Presbyterian Church.

The boys and their leaders were welcomed by the minister, Rev. W. H. V. Walker, who congratulated them on their good work and spoke of the need of co-operation with home, school and church to make their training more effective.

In his address Rev. Walker challenged the boys to keep their promises; fulfill their duties; to be kind and courteous, patriotic and trustworthy.

"You are the coming citizens — the vanguard of the forces opposing Communism and paganism," stated the speaker, "and emulate the virtues of St. George, your Patron Saint, such as courage, honour and service to one's fellowman."

Frank Harding, Scout Leader, spoke briefly on qualifications for awards, and Ralph Ray, group leader, read the Scripture lesson from Matthew, Chapter 13.

Special music by the choir included a duet, "Sing Every Voice," by Mrs. O. Clapper and Mrs. R. Eggleton, and an anthem, "Stand Up For Jesus."

The altar was decorated with spring flowers and a good congregation was present to welcome the Scouts and Cubs.

### St. John's Guild And St. Andrew's Ladies' Aid Guests of St. Paul's W.A.

#### Mrs. G. Dobbs, of Belleville, Delivers A Most Inspiring Address to Large Gathering

The sunny warm weather of Tuesday afternoon apparently coaxed a goodly number of the fair sex from their house cleaning duties; because St. Paul's Church Parlours certainly echoed with the sound of friendly camaraderie when the members of the W. A. gathered for their regular monthly meeting.

The special guests for the afternoon were the ladies of St. John's Guild and St. Andrew's Ladies' Aid. Following the singing of the theme song and prayer, these guests were graciously welcomed by President, Mrs. W. T. Elliott, as were a number of visitors from Belleville. The reading of the minutes of previous meeting was dispensed with, and the other routine business was promptly settled. This included reports of the Treasurer, the appointment of a delegate to the W.A. Convention to be held in St. Paul's, also the Parsonage and Calling Committees' reports. The delegate to the Convention will be Mrs. H. C. Martin. Mrs. A. Scott reported 26 calls made, which brings total number for April to 51. The planning of the Convention dinner on May 25th, and the banquet for the C.N.I.B. on May 15th was left in charge of the Executive. Mrs. C. Macklin reported two "Thrill Parcels" forwarded through Care; one to England and the other to Scotland. Members were reminded that Blue Cross Hospitalization dues were payable during the next three weeks.

Mrs. Ed. Warren took the chair to preside over the afternoon's program. That grand old hymn, "The Church's One Foundation," was sung and Mrs. W. L. Fox read the Scripture passage, Romans 12th chapter. Following this Mrs. Warren offered prayer. Mrs. L. Graham delighted all present with her fine solo rendition of "Just For Today."

The guest speaker, Mrs. G. Dobbs, of Belleville, was introduced by Mrs. Warren. She based her remarks on verses 53 and 54 of the 14th chapter of the Gospel according to St. Mark, which reads: "And they led Jesus away to the high priest; and with him

### HAROLD DETLOR CHOSEN LEADER GRAIN CLUB

On Wednesday evening, April 26th, a South Hastings Grain Club was organized at the meeting held in the Department of Agriculture Board Room in Stirling. It is rather interesting to note that all members of the club are active members in Junior Farmer Associations in the County, and possibly being slightly older than the average club age for the other clubs in the County.

#### Glenn Watson President

Glenn Watson, of Harold, was elected President; Bob Philip, Stirling, Vice-President; John McComb, Belleville, Secretary-Treasurer; and Harold Detlor, Stirling, Club Leader.

Mr. Stuart Bowman, Seed Inspector for the Production Service of the Dominion Department of Agriculture, was guest speaker, and in his remarks pointed out the place of registered seed in modern farming, as well as showing why seed should be graded before being offered for sale. Mr. A. O. Dalrymple, Agricultural Representative, showed a set of slides on the Brooklyn Conservation Day. The boys, sixteen in all, have Beaver oats, and have set as their objective — 100% completion for 1950.

Between meal snacks for children should consist of milk, fruit juice, raw fruits or vegetables. There should be at least an hour and a half between snack and mealtime.

### Joins "Bill's" Garage

Geo. Mason has joined the mechanical staff at "Bill's" Garage. He commenced his new duties on Monday of this week.

were assembled all the chief priests and the elders and the scribes. And Peter followed him afar off, even unto the palace of the high priest; and he sat with the servants, and warmed himself at the fire."

The speaker asked the question: "Are we like Peter, do we travel afar off, content just to get a glimpse of Him far ahead, or are we anxious to walk along with Him?" She said that while listening to the popular radio programme, "What's Your Beef?" she wondered what her particular beef was and decided it was the supposedly Christian women who absolutely refuse to take church or civic responsibility. No matter what they are asked to do, they usually reply, "Oh I just can't do that." They are denying Jesus just as surely as Peter did many years ago. It is true we cannot all be leaders but all of us can show our colours as good Christian women by visiting the sick and aged, performing little thoughtful deeds of kindness for the heart-sick and lonely, and being active Christians. When Jesus came to earth he knew he would be called upon to pay the supreme sacrifice but he never said, "Oh I know I cannot do that."

We are not asked to die for Him; we are just asked to live for Him. Let each of us face up to our responsibility and walk with Jesus, not follow from afar off.

This splendid inspirational address should certainly make each one think seriously of her responsibilities. (Let's hope we keep it in our minds, until the time rolls around again to appoint a nominating committee.)

Following the closing hymn and repeating the Mizpah benediction, a tasty lunch was served and tongues readily loosened up in friendly conversation. Mrs. Maurice Bell moved a vote of thanks to Mrs. Dobbs for her splendid address, the soloist, and the programme and lunch committee.

### Graduates

Congratulations are extended to Cadet Kenneth R. Black, son of Mr. and Mrs. M. J. Black, Stirling, who graduated from Royal Roads College, B.C., on Friday on completion of a two years course.

### Appointed Grand Superintendent

Gordon Bailey, Stirling, was appointed to the office of Grand Superintendent of Prince Edward District at the annual Convocation of the Grand Chapter of Royal Arch Masons held in King Edward Hotel Toronto, last week. He succeeds Roy Anderson, of Belleville.

### Transferred

After eight months as teller at the Local Branch of the Bank of Montreal, Bob Cage has been transferred to Campbellford Branch, and leaves at once to assume his new duties. During his stay here, Bob has made many friends who join in wishing him success.

Mrs. A. Bastedo, a former employee, has joined the local staff to fill the vacancy.

### Maj. John Foote, V.C. Hero of Dieppe, At St. Andrew's Sunday

Major John Foote, winner of the Victoria Cross for heroism at Dieppe, on the beaches of Normandy, will be the guest speaker at St. Andrew's Presbyterian Church, Stirling, on Sunday evening next, May 7th, at 7.30 o'clock.

The special service is being sponsored by St. Andrew's Club and Major Foote, who recently returned from an extended trip to European countries, will give an illustrated address on his travels. Special music will also be rendered by the members of St. Andrew's Choir.

The speaker is well known to many in Stirling and district and it is expected that St. Andrew's will be filled to welcome this Canadian hero. Everyone is invited to attend.

### Engagement

Mr. and Mrs. Andrew Harry, Coleman, Alberta, announce the engagement of their daughter, Clara, to Mr. Glenn Haslett, son of Mr. and Mrs. Harry Haslett, Bonarlaw, Ont. The wedding will be on Saturday the thirtieth of May, at 10 a.m., at St. Alban's Anglican Church, Coleman, Alta.

### Streets Cleaned

Through the combined efforts of Village Councillors, members of the Fire Dept. and several businessmen the Village streets throughout the business section were given their annual wash yesterday afternoon. The Village and Dept. of Highways employees had previously cleaned up the winter's accumulation of sand on the streets which now present a neat appearance. The practice of sweeping the main streets weekly will be continued this year.

### Attend Synodical W.M.S. Meeting

Among those in attendance at the sessions of the Synodical Society of Toronto and Kingston held in St. Andrew's Church, Belleville, last week were Rev. and Mrs. W. H. V. Walker, Mr. and Mrs. H. Rollins, Mrs. B. Reid, Mrs. Don Fargey, Mrs. H. McGee, Mrs. Roy Eggleton, Mrs. V. Matthews, Miss Gena Spry and Mrs. Louis Rodgers, of Stirling; Mrs. Wm. Shaw, Ivanhoe; Mrs. J. B. Haggerty, Mrs. J. M. McInroy, and Mrs. John Wallace, of West Huntingdon.

Mrs. Walker was appointed member of the executive without portfolio.

### I.O.D.E. To Have Hospital Fund

#### Officials of Trenton Hospital Board Address Members at Regular Meeting

A very successful meeting of the Hon. J. R. Cooke Chapter, I.O.D.E. was held at the home of Mrs. George Noble on Thursday, April 27th, with a record attendance of thirty-two members.

The Regent, Mrs. Bruce Bell, opened the meeting with Prayer of the Order, and the flag was brought forward. The minutes of the last meeting were read and approved.

Mr. Arthur Duncan, of Batawa, introduced two members of the Trenton Memorial Hospital Board, the Chairman, Mr. W. H. Ireland, and the Secretary, Mr. Sherwood Graham. The above members of the Hospital Board gave very interesting and informative talks regarding the construction and financing of the Hospital. They stated that a great deal of much needed equipment was required before it would be completed. Such articles as mattresses, curtains, blinds, furniture, kitchen equipment, as well as laundry and numerous other things are needed. Organizations are given first opportunity to furnish rooms, at a cost of \$1,000, this amount being set by the Board. Mr. Duncan expressed the hope that our Chapter might be able to contribute toward this very worthwhile project, in memory of those who fought in the second Great War.

Considerable discussion followed, and the girls voted unanimously to take on the responsibility of raising money toward the Hospital, in the way of furnishing a room, if at all possible. The fact that there is no I.O.D.E. Chapter in Trenton, also was a deciding factor in this matter. Everyone felt that the hospital would be of great benefit to the district around Stirling as well as for the Town of Trenton, and that they would take great pleasure in helping to raise funds for this much needed hospital.

Various ways and means of raising money were discussed. Each member was made responsible for the raising of a given sum, and to raise the amount between now and September. A Lilac Tea is being planned, and a dance also is being planned for the middle of May. Every member is liable to a fine if she is not wearing the Badge of the Order at any I.O.D.E. event for the duration of the Hospital Campaign, the proceeds from this source also to go toward the Hospital Fund.

As the Chapter has accepted an invitation to attend Church Service at St. Andrew's Presbyterian Church, Stirling, on May 21st, it was decided to invite the Chapters from Campbellford and Marmora, these Chapters to bring their Standards, and all would meet at the Church at 10.45 a.m. D.S.T.

One new member, and two members by Introduction Cards, were taken into the Chapter and Order, and everyone repeated with them the Oath of Allegiance. They were welcomed, on behalf of the members, by the Regent, Mrs. Bell, and Honorary Regent, Mrs. E. A. Luey.

### Half Load Ban Over

Truckers operating south of Highway 7, are no longer restricted to carrying half loads, the Department of Highways has announced.

North of No. 7 the reduced loads will remain in force until May 31st. However, should roads improve greatly during the month the Department may ease the restrictions sooner.

## IMPRESSIONS OF BRITAIN

By RALPH CAMPBELL

### WAGES

In considering the prices of food, and the rent of houses, and all other expenses, it is possible that one may receive a false impression unless one examines the income situation. After all, people are only materially better off if income increases faster than the cost of living, and so in this article we shall attempt to present a general and as unstatistical a view as possible of the size of the British wage. All figures are at the devaluated rate.

By Canadian standards, British wages are very low, but then the cost of living is much lower too. The average wage-earners (as opposed to those who receive salaries or profits, and also excluding workers in agriculture, coal mining and railways) received about \$18 per week in April 1949, and while there may have been an increase the married man with several dependents is considerably better off than he was in 1938. The single man however, pays a higher rate of income tax and consequently may quite likely be no better off than the single man of 1938. In fact, one would say that a comparison of 1938 and 1949 would show that the married man has improved his position relative to the single man, as well as improving it in absolute terms, since that time it is unlikely that it is very great. This does not appear very much to Canadians, but it is 2 1/2 times as much as the average wage-earner drew in 1938. Now of course there has been a great increase both in taxation and in cost of living, even considering these he is still 16% better off than he was in 1938. In these calculations we must remember that the great increase in income taxes and in accompanying exemptions as

Women have experienced greater improvements than men not only in a total appearance but in wages adjusted for taxation and increased cost of living. The weekly earnings of girls has increased 2 1/2 times since 1938. Yet

there are still a large number of girls who receive less than \$10 per week. Women's average weekly earnings have increased relative to men, from 47% in 1938 to 55% in 1949. On the whole, they have tended to receive greater increases in pay than men. Now we have been talking of women wage earners or "take home pay," as opposed to wage rates, which is the rate per hour, or day, or per article in piece work. Wage rates statistics are to be treated with suspicion since there may have been considerable changes in the number of hours worked per week, or the type of piece work, or movements into higher paid categories. Take home pay is a safer measure and includes bonuses, overtime, up-grading within an industry (to better paid work) and changes in proportion of men and women. These figures we have just mentioned are even more impressive when one considers that they deal only with employed workers; if they had stated the average income of all potential wage earners employed or not, the position in 1949 would have shown still greater improvement since unemployment was much less than in 1938.

The trend in wages has been then, towards more equal returns between the sexes, and even between men and boys, with the proportion going to men showing a steady decline. This was to be expected during the war, when so many women and youths were attracted into war service, but the interesting thing is that it has continued since 1945. Hours worked have diminished, in the case of men by one hour per week since 1938, standing at 46.6 for men; women now work two hours per week less than in 1938.

This gives us a good general picture, but let us compare carefully the earnings in different industries. These will be total earnings not corrected for taxation and cost of living changes. Coal mining has shown a huge increase average earnings in 1938 were

about \$8.50 per week, but in April 1949 these had climbed to about \$26.00 per week. This is a most impressive change, and to anyone who has spent any time in a mining area, a most welcome improvement. We hope to write an article on coal mining, but it seems that this improvement in wage rates has gone on during the war and since the National Coal Board has taken over the mines.

Wage increases in Agriculture have been next to those of coal, and have risen by over 2 1/2 times since 1938. Textile workers have also had large increases. In the main, the greatest increases have come in those industries which were poorest paid before the war. The smallest wage increase since 1938 has been in Government industrial establishments.

Meanwhile the cost of living index, based on a working class family, has increased less rapidly being about 78% more in October 1949 than it was in 1938. But for wage earners, at least the increase in earnings has exceeded the increase in taxation and in cost of living.

It is interesting to compare the figures of wages in different countries for earnings and earnings adjusted by cost of living. These must be viewed with suspicion again, because of different methods of arriving at the indices, especially of the cost of living, but nevertheless the comparison is helpful.

Based on hourly earnings in 1948 or 1949, and on an index of prewar 100.

	Index of Earnings Cost of Prewar 100	Adjusted Cost of Living
Germany Bizonia — all workers	150	94
Sweden	190	124
Switzerland	201	124
United States	222	133
Great Britain	231	133
France (Daily earnings)	1810	94

We should realize that there is no consideration here of hours worked, unemployment, or taxation.

There may be many individual cases of wage earners who are less well off than they were before the war, or who are at present feeling the "pinch" of prices and taxation on an income which has not expanded as rapidly as others, but on the average the British wage earner seems to be better off than ever before.

We shall deal in our next article with the salaries and profit receiving groups — where the situation is vastly different.

### Hastings Co. Jrs. Plan 1950 Program

Twenty-nine directors of the Hastings County Junior Farmers' Association met in the Department of Agriculture board room, Stirling, on Friday evening, April 14th, at the largest attended directors' meeting since the organization of the county association some fifteen years ago. The new president, Douglas Harry, acted as chairman of the meeting at which the new programme was discussed.

The Hastings County Junior Farmer field day will be sponsored by the Thurlow Junior Farmers' Association, and will be held in the vicinity of Belleville probably Wednesday, July 19th. It was decided that an admission fee of 25 cents should be charged this year, with the proceeds being given to the county association.

Mr. Dalrymple announced that the live stock judging competition would be held on May 15th in the Madoc district, and urged that all Juniors take part in this event.

The association accepted the invitation of the Stirling Fair Board to hold the tractor rodeo at that fair in September.

After considerable discussion a motion was passed unanimously changing the basis of payment of membership fees to the county association, the Junior Institutes now paying an affiliation fee of \$5.00; Junior Farmers, an affiliation fee of \$10.00; and in addition, a 35c membership fee will be paid to the county, of which 25c will be sent to the provincial Junior Farmers' Association.

## Borden Award To Geo. Richardson For Work In Dairy Chemistry

The following article concerning Geo. A. Richardson, son of Mr. John Richardson, of this Village, and brother of Mr. Volney Richardson, Ridge Road, near Stirling, is taken from the March issue of the Chemical and Engineering News.

"The dairy chemist in a land-grant college is not free to confine his activities to research, or his researches to the purely academic. Researches must be aimed at serving the state even at the expense of fundamental contributions. The 1950 winner of the Borden Award in Nutrition combines admirably the practical with the theoretical viewpoints. He is George A. Richardson, professor of dairy husbandry and dairy chemistry at Oregon State College, Corvallis. On April 10 he presented his Borden Award address, "Some Dynamic Properties of Milk," before the Division of Agriculture and Food Chemistry at the Philadelphia session of the ACS national meeting.

Dr. Richardson, born in Stirling, Ontario, Canada, in 1893, was graduated from Stirling High School. After teaching for two years, he was convinced that greater opportunities resulted from greater training. Consequently he enrolled in the Honors course in biological science at the University of Toronto, class of '17. Interest in the application of science to agriculture won for him, at the end of his sophomore year, a special Provincial Scholarship. His enrollment at Guelph in pursuit of a B.S. (Agr.) was interrupted by World War I; he enlisted in the Canadian Field Artillery early in 1916 and did not return from overseas service and Army of Occupation until 1919.

Upon graduation in 1920, Richardson went west to join the staff of the Schools of Agriculture in Alberta. Few chemists can equal one of his experiences there. He coached a women's hockey team—a great trial indeed. In 1923, he entered the University of Minnesota for graduate work in dairy chemistry under the late L. S. Palmer, who was both teacher and friend. There he earned an M.S. in 1925 and a Ph.D. two years later.

In 1926 he moved to Davis, Calif., where he became assistant professor of dairy industry at the University of California. From 1938 to 1947 he continued teaching there as associate professor. It was during this time that Dr. Richardson was instrumental in organizing agricultural chemistry as a field of graduate study leading to the Ph.D. In 1947, he accepted an associate professorship at Oregon State College, where he is now full professor. The course in dairy chemistry is attracting many graduate students.

Dr. Richardson has made his greatest contribution to the chemistry of milk in physicochemical, antioxidant, vitamin A, and carotene studies. Investigating the problem of rennin coagulation with the use of calcium caseinate—calcium phosphate sols, he showed that rennin produced a condition of instability resulting in clotting. Truly emulsoidal colloids, such as gelatin and lactalbumin, instead of protecting the sol against rennin coagulation, actually sensitize it towards this enzyme system.

In the manufacture of oxidation-resistant butter oil, it was shown that the phospholipid concentration increased in butter which was heated in the presence of its serum. It was postulated that head denatured the protein of the phospholipid-protein complex in the fat globule membrane; this permitted the phospholipid to be incorporated in the oil phase. The synergistic combination of phospholipid and reducing groups, such as sulhydryl, increased the oxidation resistance of butter oil. This research found certain flavones and flavone derivatives to be effective antioxidants for milk, milk fat, and lard.

Participation in the national survey of the vitamin A content of milk and butter resulted in information relative to California milk and butter and also in researches dealing with the stability of carotene in milk products. Carotene has been shown to be a suitable coloring for butter, being sufficiently stable against oxidation. A simple practical method has been devised to measure the carotene content of churning cream and to calculate the proper shade in the butter from such cream.

Besides publishing over 50 papers on various aspects of milk and its products, Dr. Richardson has also been active in many organizations. He is a member of the American Chemical Society, American Dairy Science Association, Institute of Food Technologists, American Association for the advancement of Science, Oregon Academy of Science, Society of the Sigma Xi, Alpha Zeta, Gamma Alpha, Phi Lambda Upsilon, Rotary Club, and the Masonic Order. Among his com-

munity activities, he was a member of the Davis Boy Scout Committee and the Boards of Trustees of the Davis High School and Community Church.

In December 1926, Richardson married Mary Hall of Alberta, Canada, a home economics graduate of Oregon State College. They have two sons: Campbell, a prelaw student at Dartmouth College, and Robert, who is attending Corvallis High School.

### Inter-University Collaboration

At a moment when everything points towards a record tourist season, it is interesting to note, that the Geographical Departments of Canadian Universities all over the country are co-operating for the preparation of a series of tourist guide-books for Canada. The Geographers of the Universities of Montreal, Laval, McGill, McMaster, Western Ontario and British Columbia are working hand in hand for the editing of a series of these small books, so useful for all who wish to know Canada whilst travelling, or whilst visiting the country as tourists.

The Traveller's Guide Books for Canada will be edited in four volumes: one for Quebec; one for Ontario; a third one for the Maritimes (New Brunswick, Nova Scotia, Prince Edward Island and Newfoundland) and a final one for the Western Provinces (Manitoba, Saskatchewan, Alberta, British Columbia). Each of these volumes will contain a description of all the itineraries of the routes, by car, railway, ship or plane. The two first volumes (Quebec and Ontario) will be

### George White Named K.C.

G. S. White, Progressive Conservative member of the House of Commons for Hastings-Peterborough, has been appointed a King's Counsel, Attorney-General Porter announced Friday.

ready for distribution at the start of the forthcoming tourist season.

The general organization of this work is in the hands of Mr. Pierre Dagenais, Director of the Geographical Institute of the University Montreal, and Mr. A. Ch. de Guttenberg, Professor at the Faculty of Letters of the same University. Considerable interest and support for the work has been shown by Federal, Provincial and Municipal authorities, and by the Chambers of Commerce in many cities.

## Rural Life Sunday At St. Paul's - Carmel

(By Rev. A. E. Baker, U.E.)

A special order of service will be used next Sunday which is really "Farmer's Day" in the United Church of Canada. Ordinarily this observance would fall on the fifth Sunday after Easter — Rogation Sunday but that day has already been designated Mother's Day and will be observed as such.

Seventy per cent of all United Churches are in rural areas. Approximately 1700 ministers serve 380,000 rural members. The United Church of Canada ministers to more than one half of all protestant rural people.

Arthur Pyear of Carmel seeded four acres on Monday, April 17th. He is doubtless first to claim this honour in 1950 in this district.

Mrs. Marguerite Seymour has sent greetings from Sundre, Alta. She lives at the Ranger Station 35 miles from town. Her second son Nelson Emerson was born March 31st.

Mr. Aubrey "Dit" Clapper, guest speaker at the Rotary Presentation Banquet and member of the Hockey Hall of Fame declared that the no smoking rule must be rigidly adhered to if players hoped to play professional hockey. It was a pleasure to note that not a single team member smoked at the banquet.

The St. Paul's Woman's Association was highly complimented on its excellent catering. Mrs. Percy Utman made a neat little speech of acknowledgment.

The Very Reverend Peter Bryce, a former Moderator of the United Church of Canada writes, "I think your idea of giving a special Silver Jubilee pin with the United Church crest on it to charter members is a good one." St. Paul's-Carmel charter members who were in good standing June 10th, 1925 and are still in good standing are eligible for these Silver Jubilee pins. Please advise Mrs. R. A. Patterson, Miss Marion Carlisle or C. E. Macklin if your name should be included. The list will be published shortly.

Miss Donna Carlisle received the St. Paul's Junior Choir April award for regularity, interest and application.

Mr. and Mrs. Harry Brown sang the lovely duet "Living For Jesus," at St. Paul's Sunday morning. Mrs. W. R. Wilkins took the solo part in the anthem "Come Unto Me."

Monday next is the last day for inclusion of the names of Bible donors in the special Mother's Day order of service. Those who have already reserved Bibles for dedication in loving memory or in honour of mother include the following: Mrs. M. J. Black, Mrs. W. Preston (2), Thos MacConnell, Mr. and Mrs. R. B. Duffin (2), Mrs. H. C. Bird, Eleanor, Nellie and

Ruth Fleming, Mrs. S. Davis (2), Rev. and Mrs. A. E. Baker (2), Mrs. Harry Brown, Mrs. Joe Grills, Mrs. L. Wilson, and Florence Maynes, Mr. L. Wilson, Mr. and Mrs. H. C. Martin (2), Mr. and Mrs. M. Bell, Mr. and Mrs. G. E. Macklin (2), W. T. Elliott, Mrs. G. White, Mrs. J. H. Beatty, Mrs. B. Heath, W. R. Wilkins, A. R. Morrison, Mr. and Mrs. Ray Hagerman, (2). Please telephone any omissions to Mrs. R. A. Patterson or the parsonage.

Particulars of all babies and children to be dedicated in baptism at the service on "Mother's Day" should be given to the Minister as early as possible. Names reported by Monday, May 8th will be included in the souvenir folder.

All men and women who can read music or enjoy singing are invited to attend rehearsals for the "Gypsy Rover" every Monday in St. Paul's Lecture Hall.

## St. John's W.A.

The April meeting of St. John's W.A. was held in the Parish Hall. The opening hymn "My Kingdom Come, O Lord," was followed by the Litany, the Member's Prayer and the Lord's Prayer. Miss Elsie Kerr read the Scripture Lesson. Several new members responded to the Roll Call.

Mrs. Belshaw gave a splendid report of the juniors' trip to Kingston, and of their great interest in the work they made a donation to the Kindergarten Project, and their leader was justly proud of them.

Mrs. Morgan, President of G.A. reported that the girls are making ready to compete in the home cooking and sewing at Portsmouth on April 29th, and are planning an afternoon tea at the Rectory on May 10th. The visiting committee made a number of calls on new comers and also on the sick. Mrs. Rodgers and Mrs. E. Cooke are to visit during May. Final plans were made for those wishing to attend the annual meeting in Kingston on May 3rd and 4th.

Mrs. Vance gave an interesting Chapter on Kindergarten work in Japan. The children are taught music and some eventually become church organists.

Mrs. Edgar Morrow gave a very fine talk on two Canadian writers, Edna Jaques and Nellie McClung, describing the home of Nellie McClung in Victoria, B.C., called Lantern Lane. Mrs. Morrow read two of Edna Jaques poems, "Poem To God," and "Our Queen," and closed with a reading of Nellie McClung's entitled "Neighbors."

Mrs. Belshaw voiced appreciation to all responsible for the programme and lunch and the hymn "Blest Are The Pure In Heart," was sung. Mrs. Anderson closed the meeting with prayer. The refreshment committee served tea.

Employees of any industry or business should take full advantage of safeguards and medical and health facilities provided for them. Likewise, management should make sure such safeguards are available.

## Junior Farmers To Judge Livestock

The Hastings County Junior Farmers will hold a livestock judging competition in the Madoc district on Friday, May 5th next.

All contestants will meet on the farm of Elmer Wood, Crookston, at 9 a.m. for registration and from there will visit the various farms where dairy cattle, beef cattle, swine, sheep and horses will be judged.

The competition is divided into four sections, Junior, Intermediate, Senior and Specialist and an entry fee of 25c will be charged each contestant.

Cash prizes will be offered and will be augmented by the following trophies:

Warden's Trophy — Presented for annual competition, to be won by the contestant, Junior, Intermediate or Senior, or Specialist, with the highest aggregate score.

Dairy Cattle Trophy — Donated by P. C. McGuire, Belleville, to the high man in Dairy Cattle in the competition. Must be won three times before becoming the property of any one winner.

Swine Trophy — Donated by the Hastings County Hog Producers' Association for annual competition to the high contestant in Swine Judging. After having been won three times by a competitor, a miniature of this trophy will become the property of the winner.

Sheep and Beef Cattle Trophy — Donated by the Hastings County Junior Farmers' Association for annual competition to the high contestant in Sheep and Beef Cattle Judging. After having been won three times by a competitor, a miniature of this trophy will become the property of the winner.

Horse Trophy — Donated by the Hastings County Junior Farmers' Association for annual competition to the high contestant in Horse Judging in the competition. After having been won three times by a competitor, a miniature of this trophy will become the property of the winner.

Canadian National Exhibition Shield — This shield is donated by the Canadian National Exhibition Association to the individual with the highest aggregate score who has never participated in a County Livestock Judging Competition previous to 1950. The shield to become the permanent property of the winner.

Rules U.S.A. Trip \$50.00 in Canadian Currency donated by Hastings County Council for U.S.A. trip. In making this award the following qualifications will be considered:

1. Previous U.S. Trip Winners not eligible.
2. Must be a member of a Hastings County Junior Farmers' Club.
3. Must be single and born after November 1st, 1924.
4. Must have made a creditable (not necessary highest) score in two of the last three Hastings County Junior Farmer Livestock Judging Competitions.
5. Outstanding leadership or executive ability in Junior Farmer or Projects such as Public Speaking, Reforestation, etc.

ST. ANDREW'S W.M.S.

The April meeting of St. Andrew's Presbyterian W.M.S. was held at the home of Milton Shaw on Thursday at 2 o'clock.

The President, Mrs. John McInroy opened the meeting by reading a poem "Our Duty." "Throw Out the Life Line," was sung and Rev. W. H. V. Walker led in prayer. The Scripture reading was read by Mrs. Harry Thompson and Roll Call was answered by a verse with the name "Thomas" in it.

Mrs. Wm. Shaw will be the delegate to the Synodical held in Belleville this week. The next meeting will be held at the Manse in Stirling. A helpful poem was read by Mrs. Walker; a paper on the key word "Thomas," was given by Mrs. Morley Haggerty; Mrs. Milton Shaw sang "How Can I Be Lonely;" a Chapter in the Study Book was read by Mrs. Barton Haggerty, telling of the first Missionaries to enter Japan and their difficulties and problems; A reading "Calling Christian Parents," was given by Miss Bessie Fleming; Mrs. Wm. Shaw told of our Missionary work in Formosa. An interesting reading was given by Mrs. Don Haggerty, "Patience, Perseverance and Pluck."

The President moved a vote of thanks to the hostess and the meeting closed with the singing of the hymn, "Simply Trusting." A delicious lunch was served by Mrs. Shaw.

Take care of your eyes—give them good light to read and work with—protect them against strain and injury.

## Former Stirling Boy Dr. G. E. Bird Stricken

Dr. Grant L. Bird, 54, senior partner in Oshawa clinic, and one of the city's most popular medical men, died in Chicago Thursday, April 27th.

An active Rotarian engaged in many public affairs, Dr. Bird was also a Fellow of the American College of Surgeons. At the time of his death he was attending a convention of the American Association of Industrial Physicians and Surgeons.

Born in Stirling, Dr. Bird taught public school after graduating from high school, and worked in civil service at Ottawa before studying medicine. Graduating from the University of Toronto, he began practice in Whitby in 1922.

For 15 years he was plant surgeon for General Motors of Canada Ltd. Oshawa. He is survived by his wife and two sons, Grant and Bruce, now studying medicine at the University of Toronto.

Concentrates of Vitamins A and D should be measured accurately—drop by drop. Overdosage is dangerous and may produce calcifications in the tissues of children.

Hello Homemakers! Rosy rhubarb makes a super dessert. Economical in price and brisk in flavour are good reasons for purchasing this first fruit of the season. You can cook a rhubarb sauce in "no-time" and serve it in various ways. Some varieties which may lack colour are brightened by the addition of a little red food colouring. Whether rhubarb is the main ingredient of pie, cottage pudding, crumb pudding, frozen cream, pineapple conserve, or punch, you'll find the flavour of rhubarb gives you a good "pick-up."

## TAKE A TIP

1. Orange peel and orange juice in rhubarb sauce sharpens the flavour.  
2. A pleasant dessert is a rhubarb pie made with a mixture of the fruit, beaten eggs, sugar and flour.

3. To make rhubarb sauce: Combine 4 cups chopped rhubarb with 1-2 cup water. Cover and bring to a boil. Uncover and cook gently until tender. Add sugar to taste and cook one minute longer.

## RUBARB PIE

1 2-3 cups sugar  
3 tbsps. flour  
1-8 tsp. salt  
2 beaten eggs  
3 cups cut rhubarb pastry for 9-inch pie.  
Combine sugar, flour and salt. Add eggs and stir in rhubarb. Fill 9-inch pastry lined pie. Make a lattice top, if desired. Bake in electric oven at 450 degs. 10 mins., then in reduced temperature of 350 for 30 mins.

Plain Pastry: Sift 2 cups flour and 1 tsp. salt, cut in 2-3 cups shortening until mixture is size of small peas. Slowly add 5 or 6 tbsps. cold water.

## RUBARB UPSIDE DOWN CAKE

2 cups diced rhubarb  
1 tbsps. flour  
1 tsp. grated orange peel  
1 tsp. cinnamon

2-3 cup honey  
1 cup flour  
1-2 tsp. salt  
2 tbsps. baking powder  
1 cup shortening  
1 beaten egg  
3 tbsps. honey  
2 tbsps. orange juice

Arrange rhubarb in greased 8-inch cake pan; combine 1 tbsps. flour, orange peel and cinnamon; sprinkle over rhubarb. Pour 2-3 cup honey over all. Sift dry ingredients; cut in shortening until mixture resembles crumbs. Mix egg, milk and 2 tbsps. honey, and add to flour mixture; stir just until flour is moistened. Spread this stiff dough over rhubarb. Bake in electric oven at 350 degs. for 25 mins. Then pour mixture of 1 tbsps. orange juice and 1 tbsps. honey over cake and continue baking for 15 mins. Serve warm. Serves 6.

## RUBARB CREAM

2 cups diced rhubarb  
1-2 cup sugar  
1 cup top milk  
2 beaten eggs  
1 tbsps. lemon juice  
1 tsp. vanilla  
2 egg whites  
1-4 cup sugar

Select tender rhubarb. Do not peel. Combine rhubarb, 1-2 cup sugar and salt. No water. Cover and simmer until tender.

Combine milk, egg yolks, lemon juice and vanilla. Add rhubarb and mix well; pour into freezing tray and freeze. Beat egg whites. Gradually add 1-4 cup sugar. Continue beating until sugar is dissolved. Turn frozen cream into chilled bowl and break into chunks. With electric or rotary beater beat until fluffy smooth but not melted. Fold in egg white mixture and return to cold tray and freeze firm again. Serves 8.

## THE SUGGESTION BOX

Mrs. T. R. suggests method of "peppering" carrots: Combine 1 cup of sugar and 1 cup bacon fat over low heat. Add 12 boiled carrots and then 2 oranges (peeled and sliced). Cover and heat for 5 minutes, then serve.

Mrs. W. W. says: When their supply of potatoes has been finished they use quick cooking rice and toss it together with cooked salad greens as a substitute.

Mrs. J. K. says: Cut 6 or 8 stalks of rhubarb with a sturdy knife into even lengths. This saves time in comparison to one stalk at a time.

Mrs. B. A. suggests: To do a good job of icing cupcakes dip top of cooled cupcake into soft white frosting. Twirl it slightly, then quick turn it right side up so frosting will make a fancy peak. This way you can ice the cakes in easily half the time.

## Accidents - There's No Place Like Home

Statistics prove that most accidents that happen around the house are somebody's fault — are a result of somebody's carelessness, it's stated by Arthur Tidy in an article — "There's No Place Like Home, Absolutely No Place" in the current issue of HEALTH, magazine published by the Health League of Canada. Mr. Tidy is manager of the advertising department of the Mutual Benefit Health and Accident Association.

The writer says the tragic part of home accidents is that the victims are very often not the ones responsible. Carelessness, with which is closely allied the desire to get things done in a hurry, is responsible for more accidents in the home than any other factor. Obsolescence and the developing of flaws in often-used equipment claim a very low percentage of accident victims.

Mr. Tidy says that people at home generally feel safe — possibly a throw back to remote ancestors, who, when they were out about their daily tasks had to be constantly on the alert and only felt truly safe when they were back in their own cave or dwelling.

"It has been truly said that every minute of the day some man, woman or child in Canada meets with an accident in the home," writes Mr. Tidy. Many are minor, but all too many of them assume serious proportions — and all too many could have been avoided with a little care.

The writer states that housewives make up a third of the victims of household accidents and are responsible for a quarter of the accidents that occur among children in the home. Further, it also is definitely provable that the majority of home accidents occur in what might be called the housewife's domain — cellar steps, kitchen and attic stairs, and the back garden.

Causes are, dimly lighted stairs; articles which have not been put away or stored properly; overloading when carrying articles down stairs; highly polished floors; loose rugs; careless handling of or improper storing of knives and can openers; toys, roller skates, etc., which have not been properly put away; improper opening and placing of stepladders; carelessness in leaving garden tools lying around; icy sidewalks and icicles; amateur

electrical work; mishandling of matches; improper handling of stoves, furnaces, cleaning fluids and gasoline.

## The Poor Parents

If parents didn't exist they would just have to be invented, because there must be somebody on whom to cast the blame for the faults and flaws in the rising generation.

Behind the lawless boy or the wayward girl the experts in social relations see parents who somehow neglected their duties. The young criminal was not given proper home training. The youngster careless with his father's car never should have been permitted its use. The girl who refuses to help her mother with the housework was brought up to be lazy and selfish. The indifferent student should have been compelled to study. And so it goes. Always the parents.

Now we have one of these experts declaring that the reason so many marriages nowadays end in divorce is that parents have failed to prepare their children for that condition. "Young people," we are told, "are tossed into marriage without any knowledge or true understanding of what marriage means."

Frankly we think this is mostly wrong; we believe parents are being blamed for things they could no more prevent than they could stop the tides from rising.

The home used to be the main influence in a child's life — now it is one of many factors before which parents are helpless and which they cannot control. Changed social conditions cannot be isolated from their children by the sternest parents. The automobile, the radio, a different way of life, all make their impact on younger minds. High schools once were concerned solely with education, but now pure education shares time with sports, athletic and general recreation.

There never was a time when so much was done by one generation for its successors, and society as a whole must bear its responsibility for what it is making of its young people — as young people must bear some responsibility for the use they are making of their incomparable advantages — but it is pointless to blame individual parents because the tide is flowing over their devoted heads. — Ottawa Journal.

## Teacher Says Schools Must Ever Improve

Marion Gimby has an answer for the problems raised by an increasingly complex world. The schools for the world's children, she believes, must always improve.

Miss Gimby is a high school history teacher, and perhaps that's the answer one might expect from a teacher. But her opinion is based on 20 years' experience in Eastwood High School, at Edmonton.

At the 20-year service mark, she isn't discouraged, though she says the teacher's job is open to discouragement.

ment.

"You can see the result of your efforts when you write a story or teach a craft," she said in an interview, "but when you teach, the results are based mainly on hope."

Much of Miss Gimby's spare time, when she's through parsing English paragraphs, conjugating French verbs and travelling through textbook history from Cleopatra to Clemenceau, is taken up with her. She became first vice-president of interests in education. Last year the Alberta Teachers' Association, "one of the most successful teachers' groups in the world."

## Higher Standards

"We need more and better schools," she says, "more and better teachers, a more varied curriculum and a much higher standard of scholarship among students."

Miss Gimby has never lost a zest for people and ideas which she carried with her to Oxford University in 1928, armed with an IODE scholarship. After Oxford, she took a master's degree in history and went to Europe

to travel. Then she brought her ideas and her skill back to Edmonton.

She knows schools have an important role in a democracy. "The only strong foundation for any country is an equal opportunity for every child. That is what wise people always do: Make a large-scale, long-term investment in the education of their children."

What about the much-debated progressive education?

"I'm all for it," she says. "It's never been really tried, you know. Any real progressive education combines fundamental skills and disciplines with limitless facilities for every pupil to make use of his full capacities."

Milk is the world's best all-round food, but in its raw, or unpasteurized state, it is an excellent culture medium and a means for the transmission of germs and communicable disease to humans. Therefore pasteurized milk is the only safe milk.

## C.P.R. FREIGHT CHANGES

Several changes, all effective May 1st, involving the Canadian Pacific Railway's freight traffic department have been announced. (Left to right) Gerald Hiam, of Montreal is appointed general freight traffic manager with system-wide jurisdiction over all freight matters; F. K. Hollyman, of Montreal, becomes assistant general

freight traffic manager; Altken Walker has been appointed freight traffic manager for the Eastern Region with headquarters at Toronto, and Allan Shields, of Toronto, also comes to Montreal as assistant freight traffic manager with supervision over the Quebec and New Brunswick districts of the C.P.R.

The 10,000-ton Canadian Pacific cargo liner Beaver Cove won for her master, Capt. S. W. Keay, O.B.E., the traditional gold-headed cane awarded annually to the skipper of the first overseas vessel to enter the Port of Montreal at the beginning of the navigation season. Ice conditions in the

St. Lawrence River, which caused ships to dock temporarily at Quebec City, helped make the race one of the tightest ever, with the Beaver Cove making the voyage in just ten hours and ten minutes. Inset shows Capt. Keay (right) receiving the gold-headed cane from A. Gordon Murphy,

Montreal Portmaster. This marked the second time that Capt. Keay had won the award, taking it first in 1945 aboard the freighter Gaitneau Park while still on service with the Admiralty. For the ship's pilot, Andre Gauthier, it was the fourth time that he had been aboard the winning ship, each time a Canadian Pacific vessel.

## NEWS FOR THE BUSY FARMER

### TRANSPLANTING DARK TOBACCO

Any practice that will improve the stand of plants at transplanting naturally improves the yield and the quality of tobacco.

As none of the standard commercial varieties of dark tobacco are resistant to black rootrot, it is advisable to provide the best soil conditions possible to get the crop off to a good start in the field. While level planting may be practised to good advantage on the better drained fields, a slight ridge or crown is desirable to protect the crop on poorly drained soils. This ridge not only facilitates drainage but assists in raising the soil temperature, allows for better aeration of the soil around the plant roots, and generally provides a healthier condition for the young seedlings.

The characteristic leaf thickness and gummy textures in dark tobacco is regulated to some extent by the distance of planting. Under average conditions the most economical spacing for dark tobacco is 30 to 32 inches apart in rows 42 to 44 inches apart. From results of experiments conducted at the Dominion Experimental Station, Harrow, Ont., this spacing has proved to be best over a period of years. Wider spacing tends to retard maturity, produces coarser textured leaves and little advantage is gained in yield. On the other hand, narrower spacing mainly increases the number of plants to be handled. It also reduces the size and thickness of the leaves due to the greater competition of the plants for soil moisture and plant food.

Under average soil conditions early June planting is recommended for dark tobacco. The soil temperature is usually warmer at this period than earlier, and dark tobacco starts best in a warm soil.

While field practices are important to establish a good stand of dark tobacco properly hardened seedlings are equally essential. A small investment in materials to control cutworms and wire worms also save labour in replanting.

### WATERING AND VENTILATING FLUE-CURED TOBACCO SEEDBEDS

Careful watering and ventilating of seedbeds may eliminate many of the difficulties when producing flue-cured tobacco seedlings. Tests conducted over a period of years at the Dominion Experimental Substation, Delhi, have shown that healthy seedlings can be grown by following a few simple rules.

Watering and drainage of seedbeds are closely related. A well-spaced sandy soil, covered evenly with an inch layer of muck, allows good drainage and aeration to take place. Muck is applied to a seedbed mainly because it can soak up and hold a large amount of water and thus prevent the bed from drying off too quickly. When large amounts of muck are used, the seedbed may become water-logged and cold due to poor drainage. If the depth of muck varies, the plants are likely to grow unevenly.

The surface of the seedbed should be kept moist, but not soaked, from the time the seed is sown until the seedlings appear. Drying out of the soil during this period will interfere with germination. Frequent light

waterings, particularly on spots that show faster drying than others, allows the seed to germinate uniformly.

When the seedlings reach the two-leaf stage it is advisable to let the bed dry for one or two days with ample ventilation. If the bed is too wet at this time the roots will grow on the surface instead of growing into the soil. These plants appear to have "heaved out" or "tipped over," and often do not recover. After the drying treatment one thorough watering each day is sufficient until transplanting time.

For best results watering should be done in the morning to allow the plants to dry off and the soil to become warm before evening. This encourages quick growth to take place during the night, and helps prevent such diseases as "damping-off" and "blue-mould." Watering on dull days or late in the afternoon leaves the seedbeds damp and cold which encourages diseases.

Proper drying of the seedbeds is closely associated with ventilation. Ventilation should be given when the temperature reaches 80 degrees F. and for best growing conditions should not be allowed to go beyond 90 degrees F. A good guide to follow is to ventilate whenever the inside of the glass shows an accumulation of moisture. More ventilation is required when the season becomes warmer.

### WEED ACT ALLOWS ENTRY OF INSPECTOR

While a Weed Act, just passed by the Ontario Legislature, is new in every respect, the problem of weeds is by no means new. A. H. Martin, director of the Crops, Seeds and Weeds Branch, Ontario Department of Agriculture, stated in a radio interview this week. Mr. Martin was interviewed by Jack McPherson on the CBC.

"Perhaps the most important feature of the new Act is the method of approach on the part of weed inspectors," Mr. Martin said. "If a serious weed problem arises on any farm, the inspector must first try to come to some mutual agreement with the owner or occupant for disposal of the weeds."

He points out that under the new Act the inspector can enter private property and dispose of weeds in a manner that will prevent their seeding and spreading. He then sends his bill to the municipal clerk. If it is not paid, it is charged against the land as taxes.

In cities, weed inspectors must be appointed by the municipality, but it is no longer necessary that the inspector notify the owner to cut his weeds. Notice can, under the new Act, be placed in the local newspaper and within a reasonable time the weed-gang can go up and down a street and cut weeds on all vacant lots where the owner has failed to do so. The bill is then handled through the tax collector.

"Often times the weeds can be cut in this way more economically than by the owner," Mr. Martin states.

He also pointed out that it is illegal under the Act to move threshing outfits, combines, portable cleaning equipment or silo-filling outfits without first thoroughly cleaning them of all seeds. Weeds can no longer be dumped in the nearest stream, on river banks or roads anywhere if there is a possibility of them growing.

### 142 CANADIAN HOLSTEINS TO VIRGINIA

Two separate shipments of purebred Canadian Holsteins totalling 142 head have just been made to Virginia. Of these, 20 head went to Bernard Innskeep, Culpepper, Va., while 122 head were purchased by T. S. Fenton, of Purcellville, Va. In the Fenton shipment, eighty head were for Mr. Fenton's own use while twelve head went to Robert T. Jones, ten each to Shirley Payne and T. J. Potts, six head to Clarence Hall and four head to T. Humphrey Potts, all of Purcellville. The cattle were purchased in Peel, Waterloo, Oxford, Middlesex and Elgin Counties. Fred Griffin, Burgessville, Ont., supplied sixteen head, C. V. Bock, Petersburg, twelve head, Clayton Shantz, Baden, sixteen head.

Heading the Fenton group was Lodestar Brownie Master, a son of Marksmen from D. W. Shively, Springfield, Ont. This animal was bred by James E. McCague, Alliston, Ont. Also included was a bred heifer from Fred Thornton, Thamesford, Ont., that carried a very high class Rag Apple pedigree, the sire being the \$8,000 Houckholme Sovereign Rag Apple in

use in the Oxford Artificial Breeding Unit and the dam a 652 lb. twice-a-day milking daughter of Montvic Bonheur Supreme, she in turn from a daughter of the noted Montvic Rag Apple Pabbs. Another headliner was a bred heifer from W. A. Penny, Burgessville, who is a daughter of the Silver Seal producer Pontiac Hartog Florence who made a thirteen lactation twice-a-day milking record of 160,617 lbs. milk containing 6,023 lbs. fat average test 3.75 per cent butterfat in the herd of J. A. McClellon, Harley, Ont. H. C. Holtby & Son, Glanworth, supplied two grand-daughters of the Excellent cow Woodland Hartog Schulling 2nd, with her record of 872 lbs. fat from 21,910 lbs. milk.

No less than thirty of the cattle in this shipment were bred to bulls in the Artificial Breeding Units at Woodstock and Waterloo.

### 50 British Boys To Visit Canada

Field Marshal Sir Claude Auchinleck will lead the 50 British boys who are visiting Canada this summer as guests of W. Garfield Weston, it was announced in Toronto.

"Field Marshal Auchinleck is one of the world's outstanding leaders and he will be a source of inspiration to the boys and many others he will meet," Mr. Weston said. The wartime leader of Allied troops in North Africa is now prominently identified with boys' work activities in Great Britain.

"To many Canadians who served overseas during the war, Field Marshal Auchinleck is well known as a distinguished soldier and leader. His

presence will help the boys forge another link of understanding between the countries of the British Commonwealth," Mr. Weston said.

Mr. Weston, in Canada on a brief visit from England, paid tribute to the boys, work officials, headed by the Y.M.C.A., who have made arrangements in this country for the tour. The first of British boys' tours in Canada took place last summer. The Y.M.C.A. has arranged for selection of 50 teen-age Canadian boys whose trip this summer will be the first to Great Britain under Mr. Weston's plan to develop closer bonds between British countries in the interest of their common welfare.

"By learning more about one another, particularly through youthful eyes, people in Canada and Great Britain will be better able to appreciate the other's problems," Mr. Weston declared. "I hope these tours will make a contribution toward that greater understanding and goodwill, which are so important today."

The Canadian boys will sail from Quebec July 12th, returning late in August. The British boys will sail from Liverpool August 1st, returning in September.

Both groups will visit historical sites, industrial cities, boys' camps, and other places of interest. The British boys will spend a week at the Y.M.C.A.'s Camp Pine Crest, in Ontario's Muskoka Lakes district.

plants in Ontario. These plants have meant a capital investment in plant and equipment of \$33,149,000, according to the report of Hon. William Griesinger, Minister of Planning and Development, with employees of 5,229, and annual payroll of \$10,500,000.

Main classification of these new firms show type of business as: aeroplane landing gear and hydraulic equipment; asbestos mining fabricating; assorted food products; bearing for automotive trade; cigarette lighters; compressed oxygen; nitrous oxide and acetylene; diamond dresser tools; diesel locomotives; dyeing and finishing woolen cloth; essential oil and flavouring; food mixtures and food processing machinery; lock nuts for automotive trade; machinery tools; motor transport-diesel engines; paper

goods and stationery; radio and television equipment; reproduction of period furniture; steel partitions and shelving; tea, coffee and caterer's supplies; welded pipe flange for oil refineries and chemical plants; window glass, woolen tops for spinners.

There have been a number of additional industries originating from the formation of new Canadian companies locally financed and developed.

Obesity—the state of being overweight—is dangerous to health. However, improper dieting to lose weight also can be dangerous. So, if you want to reduce consult a physician—because self-imposed diets often weaken the body without getting rid of much weight.

I., Mrs. Hugh Weese, Carrying Place, and Mrs. M. Rutherford, Colborne,

delegates from the Area Convention, left on Wednesday, May 3rd, to attend the Ontario Women's Institutes Conventions' Rally at the Administration Building, Guelph. Among the special speakers will be Mrs. Raymond Sayre, President of the Associated Country Women of the World, and Miss Marjorie Scott, nutrition expert division of foods and the agricultural organization of the United Nations.

Miss Anna P. Lewis is in charge of this important conference.

### Minto

A number of the ladies of Salem W. A. attended the Silver Jubilee Service of St. Paul's W.A., Stirling on Sunday evening.

Mr. and Mrs. Bert Wallace, of West Huntingdon, visited Mr. and Mrs. Ernest Searles on Saturday.

The cheese factory opened on Monday, with Mr. Ernest Reide as cheese-maker.

Mr. and Mrs. George Mason were Sunday afternoon visitors of Mr. and Mrs. Lindsay Tanner.

Mr. and Mrs. George Stewart and son, of Holloway, were dinner guests on Monday of Mr. and Mrs. Harry Mayo.

The dance sponsored by Minto Softball Team, which was held in Springbrook Hall on Friday night was a decided success.

On Sunday evening Mr. and Mrs. George Wood, Ivanhoe, entertained in honour of Mrs. Wood's mother, Mrs. Wm. Wright, Minto and Mrs. Bert Searles, Oak Lake, twin sisters, who were celebrating their birthdays. Those present were Mr. Wm. Hagerman, Mr. and Mrs. J. B. Hagerman, Mr. and Mrs. Gladstone Parks, Mr. and Mrs. Bert Searles, Mr. and Mrs. Garnett Searles, Mr. Arthur Hagerman and Clare, Mr. and Mrs. Arthur Wood and Mr. and Mrs. Bill Warren, Kingston. At 4:30 p.m. all enjoyed a delightful turkey dinner. The guests of honour received many gifts.

### Mr. and Mrs. Robt. Merrick Honoured By Community

On Friday evening, April 28th, almost one hundred and fifty people gathered at Mount Pleasant Church Hall to extend best wishes to Mr. and Mrs. Robert Merrick on their recent marriage and to welcome the bride to our community.

At 8:45 p.m. the Pastor, Rev. H. C. Vaclavick, spoke briefly extending greetings and all joined in community singing led by Mrs. Marguerite McMullen. Master David Potts sang a song with his mother as accompanist. Two piano solos were contributed by Miss Ina Scott and Miss Betty McConnell.

Mrs. H. Smith read a selection on the theme "How Much of the family income is the wife entitled to?" Mr. Norman McConnell delighted with two vocal solos with guitar accompaniment, "I'm In Love With You," and "Nobody's Darling." Mrs. Percy MacMullen recited "A Word of Encouragement." Mrs. John Mulheron sang "Glasgow Belongs To Me."

Mr. Eric Summers read the following address which was signed by Harvey Couch, Frank Spencer, Jr., Norman McConnell, John Morgan, E. Summers and Robert Hoard.

Dear Bob and Frances:  
"Dame Rumour has told us and now we believe, that a lad "Bob" and a lassie "Frances" have been wed, and are making their new home in our midst. Hence your friends and neighbours have gathered in this Hall tonight to welcome Frances to our neighbourhood and to extend to both of you our very best wishes for your success and happiness as you begin your new life together."

To the majority of us Frances is no stranger, and we are very glad she has chosen Bob for her life partner. Bob being one of our own boys, we can speak of his sterling qualities, and congratulate him on bringing Frances to live in our community.

Out on Life's Highway there are hills and valleys, but as a team we know you have the courage, faith and trust to overcome all difficulties.

May God's richest blessings be yours, is the wish of your many friends and neighbours tonight.

Kindly accept our gifts as constant reminders of our good wishes.

Mr. Frank Spencer Jr. made the presentation of a wine brocade lounge chair with matching hassock and a wall mirror on behalf of Mount Pleasant and Carmel friends. There were also gifts from relatives.

Bob and Frances both suitably repaid and thanked their friends for the lovely gifts and invited one and all to visit them. Refreshments were served and a social half hour enjoyed.

### Legion Notes

The local Branch of the Canadian Legion held a regular meeting in the Legion Rooms on Tuesday evening. A feature of the meeting was the initiation of four new Legionnaires.

President Art Abernethy conducted the initiation of Comrades Herb Stewart, Sid Demorest, James Cranston and Bill Morton. Assisting in the initiation were Vice-President Tom Shannon and Sgt.-at-Arms Chas. Barnard. The initiation was the first ever conducted by officers of Stirling Branch, all previous initiations being conducted by visiting branches.

During the regular business session, the meeting discussed plans for the Legion Softball entry in the Legion League. Practices will start this Friday, May 5th, at 7 p.m. All veterans and their children will be eligible to

Corresponding Secretary Bert Bastedo read a letter from C. Lowe of the D.V.A. advising the branch of changes in legislation for Imperial war veterans' pensions. All Imperials should contact Mr. F. W. Houchin for further information regarding this matter.

The local branch is planning a ladies night for early June and all signs point to a gala evening for the Legionnaires and their wives.

This year marks the 25th year of service by the Canadian Legion. The Legion has learned a great deal in those 25 years, and what it has learned has been, and is being, turned to good account in legislative endeavours, service work and efforts to transform into action the spirit of comradeship and sacrifice upon which the aims and objects of the Canadian Legion are based.

## DOFF for the SKIN

A Scientifically Compounded Preparation That Relieves Distressing Skin Affections

"DOFF FOR THE SKIN" is prepared from a formula that has been used effectively for over twelve years for the relief of itching, irritating and embarrassing skin conditions.

INVISIBLE  
THIS effective relief is greaseless, and invisible when properly applied. Only a small amount is required. "DOFF FOR THE SKIN" DOES NOT PREVENT THE USE OF COSMETICS.

CONVENIENT  
"DOFF FOR THE SKIN" may be applied any time convenient, morning, noon, or night. Dust lightly with talcum, and you may appear at your best without any fear of "DOFF FOR THE SKIN" being seen.

AT NIGHT  
APPLIED before retiring, "DOFF FOR THE SKIN" works while you sleep. In the morning you will be pleased with the satisfying results. Helps promote that smooth, smart looking appearance.

WORKS RAPIDLY  
"DOFF FOR THE SKIN" penetrates quickly into the pores and fights the cause of surface skin blemishes. It soothes the itching, and the smarting in a few moments. It leaves the skin softer, whiter and smoother.

MEN  
MEN who are in misery from sore, smarting and inflamed face and neck caused by shaving, will find "DOFF FOR THE SKIN" gives immediate relief. It soothes and cools the irritated skin, leaving the face and neck with that healthy, clean-cut appearance admired by everyone.

SKIN BLEMISHES  
FOR those who suffer from ugly skin blemishes, such as eczema, pimples, psoriasis, blackheads, impetigo, and red blotches, try a treatment of "DOFF FOR THE SKIN." Help clear the skin this easy way, and be delighted with the big improvement it can make in your appearance. Try a jar today.

he pupils were heard in solos, duets,  
quartettes and choruses and were  
given well merited applause for an ex-  
ceptionally fine programme.

## St. John's Girls' Auxiliary Tea

On May 10th the Girls' Auxiliary of  
St. John's Anglican Church held a  
well attended afternoon tea at the  
home of Rev. and Mrs. A. J. Anderson.

Shirley Ackers and Mavis Coombes  
greeted the guests at the door, Grace  
Carleton and Denise Burgess dis-  
played the work the girls had accom-  
plished, while Diane Villotte, Enid Coombes  
and Margaret Kent served tea.

At a table artistically centred with  
daffodils and other spring flowers,  
Mrs. H. Rodgers and Mrs. Ed. Kent  
poured tea. Lovely bouquets of sweet  
peas decorated the living room.

## Local Firm To Quit Business

Announcement was made this week  
by Sutherland & Graham, local feed  
and machinery dealers, that they have  
decided to quit the business and  
building are listed for sale.

W. A. Sutherland, who purchased  
the feed business from F. Stapley in  
March, 1946, has accepted a position  
with the Massey-Harris Co. as a  
special sales representative, and be-  
gins his duties on Monday next. Mr.  
Graham, who joined the firm last July,  
coming here from Oakwood, will con-  
tinue to conduct the business until it  
is sold or closed out.

In making the announcement, Mr.  
Sutherland stated he had enjoyed his  
business associations with the citizens  
of Stirling and surrounding district but  
he couldn't afford to turn down the  
position offered him. "Bill", a local  
boy, has taken an active part in sports  
in the community, being president of  
the Stirling Community Recreation  
Council, and was recently elected  
president of the Rotary Club. Well  
and popularly known throughout the  
community, he has a host of friends  
who join in wishing him success in  
his new sphere of labour.

## DICTRICT FARMER'S BUILDINGS SAVED BY FIRE FIGHTERS

A grass fire which got out of control  
seriously threatened the farm build-  
ings of Bruce Stapley, Madoc Junction,  
on Saturday afternoon.

Fanned by a wind of high velocity  
the fire, which started at Sexsmith's,  
a nearby neighbour, swept across the  
field through a pine grove and for a  
time it looked as though the Stapley  
farm buildings would fall prey to the  
flames.

Neighbours and several men from  
the village responded to the alarm and  
were able to beat out the flames and  
avert serious property damage.

## St. John's Girls' Auxiliary Tea

On May 10th the Girls' Auxiliary of  
St. John's Anglican Church held a  
well attended afternoon tea at the  
home of Rev. and Mrs. A. J. Anderson.

Shirley Ackers and Mavis Coombes  
greeted the guests at the door, Grace  
Carleton and Denise Burgess dis-  
played the work the girls had accom-  
plished, while Diane Villotte, Enid Coombes  
and Margaret Kent served tea.

At a table artistically centred with  
daffodils and other spring flowers,  
Mrs. H. Rodgers and Mrs. Ed. Kent  
poured tea. Lovely bouquets of sweet  
peas decorated the living room.

## St. Andrew's Ladies' Aid

The monthly meeting of St. An-  
drew's Ladies' Aid was held at the  
home of Mrs. Harper Rollins on Thurs-  
day afternoon, May 4th, with a good  
attendance.

The meeting was in charge of Mrs.  
S. McIntosh and Mrs. Foster and was  
opened with hymn 494, followed by the  
Lord's Prayer in unison. Mrs. Reld  
read the Scripture Lesson, psalm 46  
and hymn 582 was sung.

Mrs. S. McIntosh gave an interesting  
reading, followed by a solo by Mrs.  
Roy Eggleton; Mrs. A. Greenley a  
reading; Mrs. Mathews, a piano num-  
ber; and Miss Gena Spry, a reading  
entitled "Courage." All these numbers  
were greatly enjoyed.

It was decided to sponsor an enter-  
tainment by the Campbellford Choral-  
ians later this month. A contest was  
put on by Miss Gena Spry, with Group  
three winning. The meeting was closed  
by the benediction. Lunch was served  
by Mrs. H. Rollins, Mrs. R. Hermonston  
and Mrs. Greenley. A hearty vote of  
thanks was moved to Mrs. Rollins for  
the use of her home and splendid  
meeting, and to all who assisted in  
any way.

## Gets Six Months

Charles Ellis, of Campbellford, was  
Monday sentenced to six months in re-  
formatory for his part in the robbery  
with violence last March 14th of  
Seymour Township.

Ellis's brother, Joseph, was com-  
mitted for trial last week on the same  
charge, and Ellis was remanded until  
Monday for sentence.

## Achievement Day For County Girls

The annual Spring Achievement Day  
for Home Making Club members in  
South and Centre Hastings was held in  
Madoc on Saturday, May 6th. One  
hundred and two girls from twelve  
clubs completed the unit, "The Club  
Girl Stands On Guard." During the  
year these girls had been studying  
safely first both in the home and on  
the highway, good health including  
eating the right food and posture and  
first aid.

Lloyd Kuglin, of Williamstown, Ontar-  
io. The marriage to take place on  
Saturday, May 27th at four o'clock in  
Marsh Hill United Church, Foxboro.

## Major J. Foote, V.C. At St. Andrew's

St. Andrew's Presbyterian Church  
was filled to capacity on Sunday night  
for the special service sponsored by  
St. Andrew's Club.

Major John Foote, V.C., of Port  
Hope, was the guest speaker and gave  
an illustrated lecture on his recent  
trip to the Old Land, showing slides of  
points of interest in London, including  
Hyde Park, the changing of the guard  
at Buckingham Palace, and the  
Armistice Service at the Cenotaph;  
also of Edinburgh, Scotland.

Special music by the choir included  
a solo, "The King of Love My Shep-  
herd Is," by Miss Marilyn Eggleton,  
and an anthem, "I Heard The Voice  
of Jesus Say."

## "Ted" Green Passes

Members of Stirling Lawn Bowling  
Club learned with regret of the pass-  
ing of Edward (Ted) Green at his  
home in Kingston on Monday. "Ted"  
was an ardent lawn bowler and was a  
familiar figure at tournaments  
throughout Central and Eastern Ontar-  
io for years, and his passing will be  
greatly regretted by the bowling frat-  
ernity.

## Shop Teachers Met At Napanee

Principal C. A. Wells of the Stirling  
Public School, attended a meeting of  
Shop Teachers from the Kingston and  
Belleville district at the Prince Char-  
les School, Napanee, Saturday, to hear  
an outline of the changes in the cur-  
riculum and to see a demonstration in  
plastics. Mr. W. Bell, Principal of the  
school, welcomed the visitors.

Inspector Mathews, of Kingston,  
introduced the departmental speaker,  
Inspector D. W. Gordon, who spent  
the greater part of the forenoon in  
outlining the courses of study and ex-  
plaining their correlation with the  
changes made in the new courses of  
study. Mr. F. Cotte, of Kingston, next  
gave a lecture on plastics.

At the noonday banquet held in the  
Paisley Hotel, Rev. McClelland was  
the guest speaker. He chose for his  
topic, "The Part Crafts Should Take  
In Every Person's Life."

In the afternoon the teachers and  
guests were conducted on a tour  
through the Giffard's Furniture  
factory.

## DOFF

for the SKIN

**A Scientifically Compounded Preparation That Relieves Distressing Skin Affections**

"DOFF FOR THE SKIN" is prepared from a formula that has been used effectively for over twelve years for the relief of itching, irritating and embarrassing skin conditions.

### INVISIBLE

THIS effective relief is greaseless, and invisible when properly applied. Only a small amount is required. "DOFF FOR THE SKIN" DOES NOT PREVENT THE USE OF COSMETICS.

### CONVENIENT

"DOFF FOR THE SKIN" may be applied any time convenient, morning, noon, or night. Dust lightly with talcum, and you may appear at your best without any fear of "DOFF FOR THE SKIN" being seen.

### AT NIGHT

APPLIED before retiring, "DOFF FOR THE SKIN" works while you sleep. In the morning you will be pleased with the satisfying results. Helps promote that smooth, smart looking appearance.

### WORKS RAPIDLY

"DOFF FOR THE SKIN" penetrates quickly into the pores and fights the cause of surface skin blemishes. It soothes the itching, and the smarting in a few moments. It leaves the skin softer, whiter and smoother.

### MEN

MEN who are in misery from sore, smarting and inflamed face and neck caused by shaving, will find "DOFF FOR THE SKIN" gives immediate relief. It soothes and cools the irritated skin, leaving the face and neck with that healthy, clean-cut appearance admired by everyone.

### SKIN BLEMISHES

FOR those who suffer from ugly skin blemishes, such as eczema, pimples, psoriasis, blackheads, impetigo, and red blotches, try a treatment of "DOFF FOR THE SKIN." Help clear the skin this easy way, and be delighted with the big improvement it can make in your appearance. Try a jar today.

### In Hymen's Bonds

CRIPPS-LAIN

A very pretty wedding took place at Allan's Mills at the home of the bride's parents, Mr. and Mrs. John A. Lain, when their daughter, Jean Isabel, Reg. N., became the bride of Millard Borden Cripps, of Niagara Falls, Ont., son of Mr. Cripps, of Barrie, Ont., and the late Mrs. Cripps, in a double ring ceremony. Rev. H. E. Beare performed the ceremony.

Given in marriage by her father, the bride chose navy blue sheer, with matching accessories and corsage of pink carnations.

Mrs. Christie Steenburg was her sister's bridesmaid, in navy blue silk crepe and corsage of pink and white carnations.

Mr. Christie Steenburg was the best man.

The wedding music was played by Mrs. Gerald Thompson. Mrs. Densmore Lain sang "Because," before the ceremony and "With This Ring I Thee Wed," during the signing of the register.

For the reception, the bride's mother received her guests in navy petit point sheer and corsage of red and white carnations.

Later, the young couple left for London, Ont., where they will reside.

The bride is a graduate nurse of Belleville General Hospital.

Guests from a distance were Mr. and Mrs. Jack Kerr, of Orillia; Mr. and Mrs. Jim Dawe, of Toronto; Miss Laura Nickle, Reg. N., of Niagara Falls; Mr. and Mrs. Gordon Gay, of Foxboro.

### Don't Think It Smart

Don't think it smart, my little lad,

To form a habit that is bad Because it's practices by the throng.

That takes no thought for right or wrong; But stop and think that what you do

Will have direct effect on you, And out in future days and years

The wrong will bring you bitter tears.

Don't think it smart, my little lad,

To follow custom, fashion, fad, That says it's nice to chew and smoke, Or drink, or tell a smutty joke; That it is fine to be a sport, Though evil things you have to court;

But keep in mind and truly know You'll have to reap the seed

you sow.

It's only manly to be good,

And nobly live, as all men should;

To cherish honesty and truth In days of childhood and of youth;

To walk uprightly and be clean, Nor yield to anything that's mean;

Yes, follow God in Ev'ry plan,

And be in life and soul a man.

Walter E. Isenhour

### Definite Link Between Recreation And Health

Recreation and health are brothers, says Harold W. Harton of Toronto, recently elected president of the Ontario Division of the Health League of Canada.

Onetime president of the Welland Branch of the Health League, Mr. Harton is of the opinion that good health means more leisure time for creative use, and creative use of leisure time means better health. He believes there is urgent necessity for a close working relationship between the social services—health, welfare, law enforcement, education and recreation.

Mr. Harton, a representative of the Community Programs Branch of the Ontario Department of Education and an official of the Ontario Association of Recreation Directors, succeeds Mrs. N. C. Stephens of Toronto, as head of the Health League's Ontario Division.

### Tweed Licenses Bakers, Peddlers

A bylaw for licensing, regulating, and governing hawkers and peddlars, from carrying on petty trades, or who go from place to place on foot, or using any vehicle, was passed at the last meeting of the Tween Municipal Council.

The bylaw was drawn chiefly to protect local bakers from outside competition, particularly tradesmen who attempt to sell from house-to-house. The license fee will be \$100.00 for a motor

vehicle and \$60.00 for a one-horse wagon.

Persons whose diet contains few of the seafoods rich in iodine preventing materials, should always use iodized salt — salt which has been treated so that its use prevents simple goitre. Look for the "iodized" label.

Most home accidents in Canada occur on the cellar stairs, the kitchen and attic stairs, and the back garden. So, perhaps it would pay to be more careful than usual in those particular places around home.

### Mother's Day At St. Paul's - Carmel

(By Rev. A. E. Baker, U.E.)

Out of a sincere consideration for our many friends on the farms all evening services at St. Paul's will begin at 8 o'clock daylight time.

The Marrieds' Club of St. Paul's will hold a special Mother's Day Silver Jubilee Service Sunday, when five of our young mothers will personify Thomas Edison's mother, Abraham Lincoln's mother, Florence Nightingale, Susannah Wesley and Queen Victoria. Special music will be associated with each portrait including solos and male quartet numbers. A

public address system kindly loaned by Maurice Bell will carry the voice of the narrator, Wm. R. Wilkins.

At this great service more than fifty new bibles will be dedicated in loving memory of mothers who "rest from their labours" and in honour of those who are living. In addition to those noted in the "Argus" last week the following names are added to the list of donors: Mrs. M. Bell, Mr. and Mrs. D. O. Duffin (2), Mrs. R. Bush for family, Mrs. Claude Tucker, Mrs. Oliver Stapley, Mr. and Mrs. Gordon W. Bailey (2), Mrs. W. Barker, Mrs. Robt. Christie, Mrs. N. Wescott, Mrs. N. Morton, Charlie Morton, Mrs. Frank Bailey, The children of Mrs. Ed. Pyear, Mrs. E. G. Bailey, Mrs. G. Megginson,

Mr. and Mrs. C. Wright (2), Harry E. Brown, Hildegard Wilkins, Roberta and Janet Ann Good, Mrs. Ross Hoard, Mrs. Harry Ketcheson and Mrs. Morris Rose.

Plan to wear a flower in honour or in memory of mother on Mother's Day.

Bird's Buds and Babies will be emphasized at the morning service. Canaries should be brought to the Church not later than 10.45 a.m.; blossoms, flowers and floral tributes on Saturday afternoon. Babies and children for dedication in Baptism should gather with their parents in the Sunday School Hall at 10.50 a.m. Those to be presented for baptism include the following Valerie Lorraine Stewart; Glenna Nettie Ann Orser; Peter George Wilkins; James Reginald Cordy, Robert William Thomas; Jane Beverly Francis; Linda Susanne Ashley; Robert Maurice Bell; William Henry Bell; Geordie Lyle Tucker; Susan Diane Richardson; Robert Paul West, Elizabeth Mae Fraser, Sue Anne Bastedo, Patricia Ann MacMullen, Susan Mary MacMullen.

At Carmel in the afternoon Ida Mae Bailey will be the first baby to be baptized in the new font, daughter of Mr. and Mrs. Archie Bailey of the "Flats" or "Pleasant Meadow Farm."

The new bibles will be dedicated at Carmel at the afternoon service and Donald Everett Armstrong will also be dedicated in baptism.

With the urgent call of the land upon them twelve men of Carmel turned aside last Tuesday to plant young cedars on the west line of the Church and around the quiet "God's Acre" on Cemetery Road where many of the first pioneers and their children are buried. There are those who can match but none can surpass in spirit these men who laboured happily under the benevolent eye of Frank Bailey who is acquiring the patriarchal grace of an honoured country squire. While her husband was with the "planters" the wife of another of these fine men drove the tractor at home.

Farmers and Homemakers (Farmers' wives) were honoured in the Farmer's Day Services at St. Paul's and Carmel last Sunday. Farmers George Carlisle and Harry Brown, Session Clerks at St. Paul's and Carmel read the Lessons.

The beautiful oak baptismal font, the gift of Edward (Ted) Reynolds will be presented, dedicated and used at the Mother's Day Service at Carmel next Sunday at 3 p.m. The gift is a memorial to his mother who is buried in England. A brother William will sing at this service "Mother O' Mine."

Congratulations to Mr. and Mrs. Everett Ketcheson; Mr. and Mrs. John Sagar and Mr. and Mrs. Edwin G. Richardson each of whom are the proud parents of baby boys born at Belleville last week.

The grader has improved part of the Town Line for which we give thanks. West of the School Road still needs much care and of course soft spots especially cry out for gravel and more gravel. Farmers and Women's Institute supported by Township and County Councils should make urgent and insistent representations to the Government for an every road program on a mammoth provincial wide scale, financed from the provincial treasury. Trucks and cars from all over the province use these roads, they are no longer parochial. Ontario needs a billion dollar road building

programme spread over the next ten years. Our road should be not only broad, smooth and well drained, but oiled. The best is not too good for Canada's banner province.

The Sunday morning service at St. Paul's will be a short service for "short people." All children expected. Come out by families on Mother's Day.

The Silver Jubilee Committee will provide a special copy of the United Church Observer to every non subscriber at St. Paul's-Carmel marking the twenty-fifth anniversary of the United Church of Canada. After reading this paper you will want it to come directly into your home. Will you therefore please give your subscription to Miss Mildred White our Observer representative.

All mothers and grandmothers and friends of children are invited to attend the special "Family Week" service in the Sunday School at 10.00 a.m. next Sunday. It will be an open session.

The Marrieds' have provided for all Church Services a beautiful "Mother's Day folder."

A list of all charter members of record of the United Church has been posted. Please report any omission of names to Mrs. Elliott or Miss Carlisle. The special "Birke" Jubilee pins with clasp will be presented in grateful recognition of twenty five years' service when the beloved Padre Col. Lambert addresses the congregation at 8 p.m. June 11th.

Make Mother's Day a three appointment day at St. Paul's in the morning and at 8 p.m. and Carmel at 3 p.m. Honour mother by bringing her to church or worshipping in her sainted memory.

### Wellman's Wide-Awake Class

The Wide-Awake Class of the Wellman's Sunday School are planning to celebrate their tenth anniversary in the Church on Tuesday evening, May 23rd, at 8.30 D.S.T.

The class was organized on February 20th, 1940, but owing to the play which was staged by class members during the winter months the event was postponed until now. The class is divided into a Junior and Senior group for Sunday study and once a month meet in a social way. The committee in charge of preparations include the teachers Mrs. Burton Morton (Sr.) and Mrs. Lorne Watson (Jr.), the assistant teachers, Mrs. Jack Dunham and Mrs. Doug. Clancy; the president, Mrs. Frederick Beckett; the secretary, Glen Watson; vice president, Doris Pollock; past president, Gerald Clancy; past secretary, Edgar Graham and Lorne Watson. Invitations have been sent to ex-members and an excellent program is planned.

Rev. Gordon J. A. Whitehouse, of Seymour Circuit, will bring a special message. Lunch will be served to all present. No effort is being spared to make the evening one to be remembered.

Used fluorescent lighting tubes should be broken only under carefully controlled circumstances. Improper handling of these tubes may be dangerous because they are coated on the inside with a substance containing beryllium, an element poisonous to the skin.

#### RIVER VALLEY WOMEN'S INSTITUTE

Mrs. Clarence Chard has arrived safely in England. Seven members heard Mrs. Sayre's address at Belleville Tuesday.

Sunday afternoon on Mrs. Geo. Foster and Beverly, of Moira.

Mr. and Mrs. John Brown and Barbara, were Sunday guests of Mr. and Mrs. Ailyn Finkle.

Mrs. Frank Finkle, Mr. and Mrs. Leslie Finkle and girls called Sunday afternoon on Mr. and Mrs. T. H. Irvin and Mr. and Mrs. J. Palmer, of Bayville.

Mr. and Mrs. John Brown attended the wedding of their cousin, Miss Audrey Brown Saturday afternoon in Springbrook United Church.

Several Pine Grove Institute members attended the meeting of Belleville Area at Holloway Street Church Tuesday afternoon, when the special speakers were Mrs. Sayre and Lady Brooks.

#### Wellman's

Miss Stella Fletcher, Miss Lella Johnston and friend, of Trenton, spent the week-end with Miss Della Johnston and Mr. Alex Johnston.

Rev. Vacklavik was a dinner guest on Sunday with the King families.

Mr. and Mrs. Art Dickens and family and Mrs. G. Dickens, of Belleville, visited Sunday with Mr. and Mrs. Lloyd King and Yvonne.

Mr. and Mrs. Charles Thrasher and boys, of Belleville, were Sunday evening visitors with Mr. and Mrs. Fred Thrasher.

Miss Donna McGee, of Belleville, spent the week-end with her parents, Mr. and Mrs. Reg. McGee.

Mrs. Carl Sine, of Campbellford, spent Tuesday with Mrs. Haggerty.

#### Rylstone

The Institute ladies served meals and lunches at the Community Sale at Hoards on Monday.

Margaret Spencer has been confined to her home with flu.

At the Achievement Day programme at Madoc on Saturday our Girl's Club won 2nd place. Congratulations, Girls!

Laird Melkilejohn has finished his course at Toronto University and is home for a few weeks vacation.

On Monday evening about thirty of the young ladies around Rylstone, held a party for Miss Leafa Thompson at the home of Mrs. Carl Reid. An address was read by Marie Melkilejohn and a pair of beautiful boudoir lamps was presented by Mrs. Lindsay Finch with good wishes for her approaching marriage. Several contests were put on and lunch was served at the close.

What might have been a serious fire took place at the home of Mr. Chester Melkilejohn on Saturday evening. Mr. Melkilejohn noticed a grass fire in the orchard, and when going to put it out discovered that his roof was ablaze, started from a spark from the chimney. A call was put in for help and in a few minutes neighbours were there from miles around to assist in putting out the fire. Despite the high winds the house was saved, though some damage was done, especially to the roof where a large hole had to be torn to get at the flames. Much credit is due our rural fire fighters who saved this fine house over overwhelming odds.

Mr. Ritchie Melkilejohn, Marie and Jack, spent Sunday evening at the home of Mr. George Melkilejohn, at Tweed, it being the occasion of Mrs. Jane Melkilejohn's 90th birthday. Mrs. Melkilejohn spent a good many years of her life at Rylstone. We wish her many happy returns on her birthday.

Jack Morton, of Wilton, spent Sunday evening with his parents, Mr. and Mrs. Wm. Morton.

Mr. and Mrs. Percy Mumby and Delbert were Sunday guests of Mr. and Mrs. Wilfred Spencer.

A large crowd attended the social evening for the cheese patrons and their wives held at Rylstone Cheese Factory on Thursday evening. A good programme was enjoyed and lunch served by the Institute ladies.

Mr. and Mrs. Thos. Heath and Jack

Morton, of Wilton, were Rylstone visitors on Thursday night, when they also attended the social evening at the factory.

#### Mount Pleasant

Mr. and Mrs. Jack Fitzgerald and Sandra, Niagara Falls, N.Y., spent a few days with their uncle and aunt, Mr. and Mrs. John Holtsa.

Mr. and Mrs. Frank Hutchinson and Mr. and Mrs. Alex Moore, Detlor, called on several friends at Mount Pleasant on Sunday.

On Sunday evening at Mount Pleasant United Church a special rural life programme was given with Miss Betty McConnell as pianist.

Mr. and Mrs. Edward Montgomery, Foxboro, attended the funeral of Mrs. Frank Young on Monday afternoon and were supper guests at the home of their daughter and husband, Mr. and Mrs. Percy MacMullen.

Mr. and Mrs. James Menzies entertained on Sunday Mr. and Mrs. Jos. Weir and Mrs. Ralph Carr, Brighton; Mr. and Mrs. George Bird, Douglas and Maurice, Frankford.

Friends here were sorry to hear that Mrs. M. Carl (nee Elda Garrison) is ill in a nursing home at St. Catharines.

Mr. and Mrs. Leslie Broad, Kenora, Ont.; Mrs. Will Gunter and Mrs. Harold Rodgers, Frankford, visited Mr. and Mrs. John Holmes on Thursday. This is the first visit of the cousins, Mr. Broad and Mrs. Holmes, in forty years.

Mrs. Percy MacMullen attended the W.I. Rally at Holloway Street United Church on Tuesday afternoon in honour of Mrs. R. Sayre and Lady Cynthia Brooke.

Mr. and Mrs. Ross Hoard entertained on Sunday Mr. and Mrs. Harry Ketcheson and Mr. J. S. Ketcheson, Philipston.

Mr. and Mrs. Gordon Linn and Mrs. James Linn, Mr. and Mrs. Roy Thrasher, Mr. and Mrs. Cyrus Summers, Messrs. Will Scott and Clarence Scott attended the funeral of Mr. Robert Fry on Monday afternoon at the Bennett Funeral Home, Campbellford. Interment in the Zion Cemetery at Petherick's Corners.

A terrific wind on Saturday afternoon did some damage and blew away earth from several farms.

Several Mount Pleasant folk attended the special service at St. Andrew's Presbyterian Church, Stirling, Sunday evening and enjoyed an illustrated address by Major John Foote, V.C., hero of Dieppe.

Miss Annie Holmes, Madoc, spent the week-end with Mr. and Mrs. John Holmes.

Messrs. Ross and Robt. Hoard spent Tuesday at Toronto.

Miss Marion Johnson, of Belleville, spent the week-end at her home here.

Mr. John Shand, Toronto, attended the funeral of Mrs. Frank Young Monday afternoon.

Mr. James Hoard spent a day in Peterborough recently.

On Friday evening May 5th about one hundred people gathered at Mount Pleasant Church Hall. Mrs. Raymond McConnell, President of the Two-By-Two Club, presided and all enjoyed community singing.

Miss Doris Pollock, teacher at the Allan School, spoke briefly and explained how the pupils of the two schools had chosen their topics and prepared their addresses for the evening.

Miss Doris Hoard, of the Williams School, spoke on "The Battle of The Great Lakes." Paul and Gail Jeffs sang "Cruising Down The River," with their mother, Mrs. Will Jeffs, as piano accompanist. George Scott, of the Allan School, spoke on "Thomas Bata"; Frank Bailey of the Williams School, "Jack Miner." Rev. H. C. Vacklavik sang a solo.

Walter Wrightman of the Allan School, spoke on "Gordon Sinclair." Ruth Dunham, of Williams School, chose as her subject, "Princess Margaret." Doris Hoard contributed a piano solo. Anna Hulsenga, of Allan School, spoke on "Home Life in Holland." David Potts sang "Home On The Range."

Ruth Sharp, of the Williams School, spoke on "The Life of Pauline Johnson." Mrs. Malcolm Sharp and Miss Eleanor Smith contributed a piano duet. Miss Doreen Bailey, Allan School, chose "Pollo" as her subject.

The Club presented each speaker with a picture for their efforts and all the addresses were worthy of merit. A silver collection was taken at the meeting.

Miss Marjorie Bush, teacher at the Williams School, extended thanks to the Club for sponsoring the pupils in this venture.

Thanked Minister

At this juncture Mrs. M. Sharp read an address to the minister thanking him for painting the scenery at the church hall on the stage and curtains and Mrs. K. Weaver made the presentation of a desk lamp, after which the recipient voiced his thanks.

Mrs. Herbert Smith conducted a contest and refreshments were served.

The evening was spent in games, contests and making a hat for the bride-to-be, which provided a great deal of merriment. Miss Lois Mason read an address, after which Audrey was asked to come to the bride's table which was decorated suitably for the occasion with streamers of pink and white. She was assisted by Miss Donalda Heath and Miss Marilyn Bailey in unwrapping the many useful gifts. After which the bride in a capable manner thanked one and all.

A dainty lunch was served, and all joined in wishing Audrey much happiness.

Dear Audrey:

Your many girl friends have gathered here this evening to spend another special time with you before you marry and leave our midst.

A number of us have grown up here together and you are one of us. Audrey we have always found you a good sport, a willing helper, and a true cheerful friend, and we will always miss you very much in all our community activities.

We are sorry you will be leaving our midst, but what is our loss will be Eldorado's gain. So we give to you our best wishes for a long happy married life. As a token of our esteem, we ask you to accept these gifts we have presented to you tonight.

Signed on behalf of your many girl friends.

Hello Junior Homemakers! This week mother looks forward to Sunday when daughters and daughters-in-law plan to relieve her of extra duties, and you know what you can do to please her most. Mother, on the other hand, hesitates to say: Don't do this and Don't do that. So with this in mind we list a few don'ts which will help not only on Sunday, but every day in the year.

1. Don't peel the vegetables leaving thick skins.
2. Don't pour the vegetable water down the sink.
3. Don't place the food in the electric refrigerator without covers.

4. Don't forget to fill the salts and peppers, and wipe them off after dinner.
5. Don't store the filled salt shakers in the china cabinet because salt tarnishes silver.
6. Don't try to cut bread by pressing down into the loaf — slice with a see-saw motion.
7. Don't forget to scald out the teapot before you measure in the tea.
8. Don't forget to soak the pots and pans when you serve the dinner.
9. Don't forget to use a tray to carry things and prevent spill-overs.
10. Don't hesitate to ask mother where things belong so she can find them again.
11. Don't wash lingerie and hang it over a kitchen chair — roll it up in a towel.
12. Don't forget to clean the bathroom basin and tub after using.
13. Don't put commercial drain cleaning solutions or Javel water down the sink if there is a septic tank. Use a detergent or soap and rinse with plenty of hot water.
14. Don't forget to put away your woolen sweaters and winter things in a sealed box.
15. Don't forget to rub winter shoes with leather soap so they will keep their shape.
16. Don't dust woodwork with a damp cloth unless you use furniture oils and polish with a dry cloth afterwards.
17. Don't push doors on the panel — use the doorknobs.
18. Don't forget to rub your shoes on the door mat.
19. Don't hang pictures on the wall before you stick a piece of adhesive on the place where you hammer the hook in.
20. Don't tilt back in any chair to mar the floor or loosen the chair rungs.

## THE QUESTION BOX

Miss S. J. asks (1) how sterling silver should be cleaned?

Answer: Polish every month or so

with a good brand of silver polish. Rub each piece briskly lengthwise, never crosswise. Then wash silver in hot, soapy water and rinse in clean hot water and dry with a soft flannel or chamois.

(2) How do you prevent scratched flatware?

Answer: They tell us that millions of fine scratches will give the silver a more durable and practical finish than could ever be achieved mechanically. The way to overcome the prominent scratches is simply to use the silver frequently.

Mrs. G. O. asks: What is the correct setting of flatware for a dinner table?

Answer: The pieces of silver depend on the menu and are placed on a line one inch from the edge of the table (lines turn up and blades turn towards the plate). Next to the plate place the salad or dessert fork then the dinner fork and if you have one, the fish or cocktail fork. On the right side next to plate is the dinner knife, the dessert spoon and then soup spoon. The butter spreader is placed diagonally on bread and butter plate with the blade towards centre. Tea or coffee spoons are served on the cup and saucers when the beverage is served.

(2) The folded napkin is placed to the left of the plate with the corners toward the plate and at edge of the table.

Note: We are glad to publish this request upon enquiry from a teen-ager born in Europe and now learning Canadian "ways."

## Red Cross Home-maker's Course

The Annual Red Cross Homemaker Course will be held in Toronto from May 1st to May 13th. It is under the supervision of Miss Nesta Hinton, Director of Nutrition for Ontario Division Red Cross, under which department this service is operated.

Homemakers from many centres of the province will attend this course to gain a wider knowledge of cooking, child guidance, housekeeping, budgeting, family problems and infant feeding.

Twenty-five Branches now have this valuable service... a service which sends a fully qualified homemaker to take charge of the home and family during the illness of the mother. From many families letters of deep appreciation for this service have been received by the Branches.

This type of social work is closely concerned with other welfare organizations, therefore, it is essential that each know the work and problems of the other. In this respect agencies are co-operating by providing lecturers. The speakers include: Miss Elizabeth DeWitt and Miss Marion Keffer, Visiting Homemaker Association; Mr. Ernest Mujury, Provincial Children's Aid; Mrs. R. J. Miller, R.N., Instructor in Home Nursing, Toronto Branch Red Cross; Mrs. W. M. Foster, Institute of Child Study; Miss K. McNamara, Victorian Order of Nurses; Miss E. R. Godfrey, School of Social Work, University of Toronto; and Miss Florence I. Greenway, Provincial Department of Public Health.

The Course will be held at the Red Cross Home Nursing Headquarters, 410, Shelbourne Street and the Household Science Building, University of Toronto.

## Remakers of Men

Alcoholics Anonymous is a therapy that revises old standards, requires a new habit pattern, induces a new way of thinking — and for success, demands a new way of life. It is stated in an article — "Alcoholics Anonymous" — in HEALTH magazine published by the Health League of Canada.

The only admission fee to Alcoholics Anonymous, which, since 1934, has restored 120,000 hopeless alcoholics in Canada to productiveness and a normal life, is an honest admission from those concerned that they are powerless over alcohol. Without this honest, unreserved self-admission, an alcoholic has no chance of recovery through AA.

In short, AA is a group of alcoholics banded together to help one another defeat the common enemy, alcohol. It is not a cure, and all rehabilitated members are afraid of alcohol. Each is that unusual person, an alcoholic who refuses to drink.

AA is not a religion, says the HEALTH article, though the spiritual theme is strong. There are no sermons, no dogma or creed unless it is the down-to-earth human decency, the simple, basic Christian concept. Each member interprets the term higher Power as he wishes. From hard

experiences, AA is wary of learning too much on either the medical or religious crutch — because in some cases AA succeeded where both church and the medical profession failed.

AA's failures come from the following groups — those who are mentally unstable — the curious "phonies" who are not alcoholics — those who cheat themselves by harboring a secret hope of again becoming social drinkers — those "breast-beating Tarzans" who imagine they personify virile masculinity and who feel it is weakness to admit alcohol has licked them.

## Oxford Holstein Ontario Champion

Pomona Korndyke Monogram B. a purebred Holstein owned by Bert Thornton & Son, Thamesford, Ont., has just completed the largest butterfat record ever made by a Holstein in Ontario on three times-a-day milking. Her production is given at 1,242 lbs. fat from 26,173 lbs. milk, average test 4.75 per cent butterfat. The record was started at seven years of age. This is the fourth largest record ever completed in Canada by a Holstein for butterfat on three times-a-day milking. Altogether only six Canadian Holsteins have made more than 1,200 lbs. fat on three times-a-day milking.

The replaced Ontario Champion in this class is Selling Royal Wing who made her record of 1,219 lbs. fat from 28,505 lbs. milk, average test 4.28 per cent in the herd of Albert Selling, of Elmira, Ont., in 1948.

The new Champion got away to a bad start on her record coming down with acetoneemia, however, she soon recovered and reached a top production of 108 lbs. milk a day during her record breaking lactation. Her best months milk was May, when she gave 2947.5 lbs. At the close of her record she was still milking 53 lbs. per day. During the year she had fifteen tests ranging from a low of 4.1 per cent to a high of 5.7 per cent, she was milked entirely by hand.

As a four-year-old Pomona Korndyke Monogram B. completed a Superior Production record of 959 lbs. fat from 21,358 lbs. milk on 3x. This record was at that time the fourth highest for fat ever made in the class. As a three-year-old on 3x she made 711 lbs. fat from 16,938 lbs. milk and as a junior two-year-old on 2x she had 618 lbs. fat from 14,734 lbs. milk. Her total for the four lactations is 79,203 lbs. milk, 3530 lbs. fat, average test 4.46 per cent butterfat.

The sire is the famous Century. Extra and XXX bull, Montvic Monogram who now becomes the only bull in Canada with two daughters over 1200 lbs. fat, the other being Abbecker Dutchland Monogram owned by J. J. E. McCague, Alliston, Ont., with 1,204 lbs. fat from 25,329 lbs. milk.

The dam of the new champion is a double grand daughter of the noted Montvic Rag Apple Pietje. The pedigree contains the name of many of the famous sires of the breed including Pioneer Snow Korndyke, Montvic Rag Apple Pabst (General Posch), Montvic Rag Apple Pietje and Rag Apple Pietje Pioneer. At fourteen years old she is still a fresh looking cow and has a twelve year old record of 807 lbs fat from 20,210 lbs. milk and a ten-year-old record of 803 lbs. fat from 19,690 lbs. milk.

The first son of the new champion was used in the herd of Angus S. Weaver, Waterloo, Ont.; her second son went to England in 1945; and her third son and yearling daughter are still at Thornton's Pomona Farms. This third son Pomona Comogram is now being used as a herd sire.

## TO CARRY CANADIAN EMBLEM OVERSEAS

Shown inspecting the Canada Goose, a long familiar trademark of Canada in the sky, which has been selected as the new insignia for Canadian Pacific Airlines, are R. W. Ryan, (left) executive assistant to the president, C.P.A., and W. G. Townley, general manager of operations for the airline, both of Vancouver. This famous bird, with aerial traits of high speed and long distance flight, will highlight the design on Canadian Pacific planes flying the Pacific Ocean to the Orient and Australia as well as on C.P.A. aircraft on routes in Canada. The new insignia on the nose of C.P.A. airplanes, shows a true rendering of the Canada Goose (as pictured) in straight flight and is treated in dark blue, white and grey-brown. It has an overall length of 9 feet when applied on the company's four-engined Canadair-IV's and 6 feet on the two-engined DC-3 aircraft. Supporting the insignia on the fuselage is a tapering flight line of bright red, with a narrow silver line through the centre, which carries through on the fin and rudder. The company's standard script lettering "Canadian Pacific" is painted in dark blue above the window level. The Canada Goose insignia, developed by the Canadian Pacific Department of Public Relations in co-operation with Mr. John Hampshire, Montreal-born industrial designer now practising in New York, has been worked into standard style and color pattern, which will be used on all forms of C.P.A. promotional and sales material.

## NEWS FOR THE BUSY FARMER

LOANS TO FARMERS  
INCREASED, 1949

Representing an increase of 56 per cent over the previous year, 44,775 Canadian farmers during 1949 borrowed \$45,579,080, under the Farm Improvement Loans Act, for the purchase of farm implements and trucks, livestock, farm building and housing, and for clearing and breaking land. Since 1945, farmers have borrowed over a hundred million dollars through 114,993 individual loans, financed by chartered banks in Canada under a partial Government guarantee.

As in the previous year, the greatest part of the borrowing, representing 88 per cent of all loans made, went to finance the purchase of farm machinery and equipment, consisting mainly of tractors and combines and farm trucks. More than 86 per cent of these loans were made in the Prairie Provinces, where specialized farming has encouraged a switch towards mechanization, which is also on the increase in Quebec and the Maritimes.

Building loans amounting to over two million dollars enabled many farm families to raise the level of living conditions in the rural areas. Loans of \$504,000, enabled many farmers to improve the quality of their herds, as well as to maintain and increase the productivity of their farms. Funds made available through the Farm Improvement Loans Act also enabled farmers to clear and break 266,902 acres of new land.

ALUMINUM FOIL  
FOR PRINT BUTTER

Agricultural scientists are continually on the lookout for ways and means to help the dairy farmer bring his butter to the consumer's table in the best possible condition and research work in the Division of Bacteriology and Dairy Research, Science Service, Canada Department of Agriculture, Ottawa, has shown that the new aluminum foil wrapper holds promise in this regard and is already in use in some parts of Canada.

"In our trials, the aluminum foil wrapper proved to be much superior to parchment alone in preventing deterioration of the surfaces of prints, absorption of foreign odours and flavours, action of sunlight, loss of weight, and colour changes at the surface," said Mr. A. H. White, who has been working on this problem for some time.

These new wraps, he said, are also attractive in appearance and definitely have considerable consumer appeal. They have been described as the most functional and beautiful packaging aids that science, engineering and art have devised. The experience of some large companies has been that butter put in aluminum foil has an advantage over parchment, and the attractiveness of the package readily sold itself to the consumer even at a premium of at least one cent per pound.

Mr. White said that some of our international competitors on world markets are now starting to use the new foil. Recent reports from Denmark indicate that this country is now exporting butter to England in one-pound prints wrapped in aluminum foil rather than in the cwt. kegs as formerly. Apparently the highly efficient Danish dairymen have realized that this method of merchandising has the advantage of maintaining the identity of the source of the butter, as well as giving better protection to the

product during transportation and distribution in retail trade.

YOU CAN RUIN  
YOUR CONCRETE

Don't use too much water in mixing concrete and don't forget to screen the pit-run gravel. The advice comes from the Experimental Farm at Swift Current, Sask., where special attention is given to farm engineering.

Think of a brick wall. Here large pieces of baked clay (bricks) are held together with mortar. A mortar that is too "sloppy" oozes out, and a weak wall will result. In many ways, concrete is similar to a brick wall. Coarse material is held together by mortar. The mortar in this case is a mixture of sand, Portland cement, and water. This is mixed along with the coarse material all in the one operation.

The strength of the mixture, when it has "set", will depend upon the amount of water used in relation to the cement. Note this point. It is the amount of water used in relation to the cement that is so important.

The dealer from whom you buy your cement will be able to get useful bulletins on mixing and using concrete for you. Ask for "Quality Concrete" and "What the Farmer Can Do With Concrete." These are published by the Portland Cement Association.

It pays to screen pit-run gravel. Then use the coarse and fine material according to the directions. If too much fine material is used in relation to the coarse material, more cement will be required. At the Swift Current Station, most pit-run gravel contains too much sand. It was found that a man's wages could be paid screening the gravel. A good workman would handle enough material in an hour to save nearly one sack of cement.

Properly graded aggregates (sand and gravel), the right amount of water and cement, will give a dense and strong concrete at a minimum cost.

CHEESE TO BE  
REQUISITIONED

Speaking in the House of Commons on April 26th, the Rt. hon. James G. Gardiner, Minister of Agriculture, announced that the cheddar cheese production in the Provinces of Ontario and Quebec, beginning May 1st, 1950, will be requisitioned. The requisitioning of cheese was requested by the Ontario Cheese Producers' Association and the Dairy Farmers of Canada, in order to safeguard filling the contract to supply cheese to the British Ministry of Food during 1950. The contract calls for the delivery of up to 85 million pounds.

The Government agrees that it is desirable that the maximum quantity of cheese be shipped to the United Kingdom this year, and that the contract be filled. Canada's ability to meet commitments in this regard is important from the standpoint of the future market for Canadian cheese in Britain.

It is also important that the domestic market be well supplied with cheese and the stocks on hand are considered sufficient for these requirements. Stocks as at the 1st of April were 34.5 million pounds, or approximately 10 million pounds in excess of one year ago. The Government holds 17.4 million pounds, and the trade 17.5 million pounds.

The Government's holdings of cheese at present are largely the result of the contract with the United Kingdom not being filled in 1948, and a heavy carry-over of cheese stocks into the 1949 season.

ANNUAL FLOWERS FOR  
THE FARM HOME

Annual flowers in a wide range of form and colour are an abundant source of enjoyment and provide relaxation for the rural dweller and at the Experimental Station, Beaverlodge, Alta., an effort has been made to select those varieties possessing hardiness designed for areas having short growing seasons. The varieties recommended may prove valuable to many interesting in beautifying the home grounds.

Annual flowers are usually divided into three classes, namely edging, bedding and background types. Sweet alyssum, lobelia and dwarf petunias make satisfactory edging plants, as does the new dwarf, base-branching, Kirkwell aster.

The pot marigold has long been a favourite for bedding purposes, valuable for its long season of bloom and for cutting. It can be obtained in a choice variety of colours, two improv-

ed forms being the Yellow Colossal and a brilliant orange called the Campfire Improved variety, as well as improved types of dwarf and African marigolds.

Other popular bedding annuals include the China aster varieties Queen of the Market and the Princess; variously coloured Ten Weeks stocks; single varieties of petunias as Rosy Morn, Snow Queen and Velvet Ball, the new red petunia, Firechief and also Colossal Shades of Rose, an all-double petunia unsurpassed in size and quality of bloom. Other well-known bedding favourites that might be listed are the snapdragon, butterfly flower, night-scented stock, pansy, candytuff, salvia (tender) and California poppy.

Suitable background annual flower types are the sweet pea, burning bush, zinnia (tender) and flowering tobacco (N. affinis), this last being included primarily for its fragrance as are also the old-fashioned mignonette and the night-scented stock among the bedding plants.

Experience at Beaverlodge has shown that certain varieties should be seeded indoors and transplanted and these include the lobelia, petunia, snapdragon, China aster, Ten Weeks stock, marigold, pansy, burning bush, and flowering tobacco, zinnia and salvia. Varieties which may be seeded outdoors if desired are sweet alyssum, pot marigold, California poppy, candytuff, mignonette and sweet pea.

BRIDGE GRAFTING  
OF APPLE TREES

Mice and rabbits succeed in killing many apple trees annually because no effort is made to replace the

damaged bark by bridge-grafting. This is a simple operation and the cost is negligible if a bearing tree is saved for further production, says T. B. Harrison, Experimental Station, Harrow, Ont.

Injured trees should be marked with white lead when pruning is done and sufficient vigorous sucker wood for grafting should also be saved at this time. These bud sticks should be wrapped in moist sacking and stored in a cool basement or ice house till needed in May.

The right stage for bridge-grafting is when the bark separates readily from the wood and generally this occurs when the apple trees are in full bloom. It is important to first check carefully the injured area on the tree to insure that the scion or bud stick used overlaps at least three inches into the live tissue above and below the wound.

The areas of contact of tree and graft are carefully cut with a knife and the bark is gently lifted with a screwdriver when ready to insert the end of the scion, previously cut to a flat one-sided wedge. Usually the graft is inserted first into the lower slot and nailed firmly to the tree. Then a similar process is followed with the upper end of the graft and both ends of the bridge are then well covered with a grafting compound.

In the case of a wide wound the grafts should be placed three inches apart about the trunk. On young trees which are apt to sway in the wind, it is advisable that the grafts be bowed to allow for this movement.

All the equipment required for bridge-grafting is a sharp knife and a sharpening stone to keep it that way, a small hammer, some flat headed

1950 HEREFORD SHOW  
SLATED FOR NORWOOD

The secretary of the Ontario Hereford Breeders' Club, Mr. R. R. Graham, Toronto, recently notified directors of the Norwood Fair of their intention of holding their Eastern Ontario Club show in Norwood this year.

Winning Herefords at the earlier fairs in that area between Yonge St., Toronto, and the Quebec border will be eligible to show at Norwood. This show was held last year at Renfrew

and several important fairs in this region made application for this show, but the Ontario Hereford Club deemed Norwood suitable for the holding of their 1950 show, because of the assured support of leading hereford breeders if the regional show was held at Norwood.

Spring makes people feel in better condition; but what about the condition of their cars? The Department of Highways is urging every motorist to get his car into top condition for safe spring and summer driving. That means that brakes, lights, tires, steering, windshield wiper and any other safety features need an inspection after winter's hard treatment. And after inspection comes correction! we hope.

## In Hymen's Bonds

CHAMBERS—BROWN

Springbrook United Church was the scene of a very pretty wedding on Saturday, May 6th, at 2.30 p.m., when in the presence of a large congregation Audrey May Brown, daughter of Mr. and Mrs. Roy Brown, of Harold, became the bride of Harold Chambers, son of Mr. and Mrs. Fred Chambers, Eldorado. Rev. H. A. Beare officiated.

The Church was decorated for the occasion with standards of ferns and colorful potted plants. The organist,

Mrs. George Williams, played the wedding music; Miss Jean Wallace, of Campbellford, sang "I Love You Truly," just before the bride entered the church and during the signing of the register, "I'll Walk Beside You."

Given in marriage by her father, the bride wore a graceful gown of blush satin, tight fitted bodice, long sleeves, and scalloped neckline trimmed with seed beads in silver tones. The skirt was full forming a slight train. Her silk embroidered finger tip veil was held in place with a halo of braided satin. Her only ornament was a double strand of pearls. She

carried a large bouquet of red roses. Mrs. Gordon Gay, of Foxboro, sister of the bride, was matron of honour. She wore a long effective gown of pale blue brocaded taffeta, embroidered fingertip veil with head band of blue and a single strand of pearls. She carried a fan type bouquet of pink tinted carnations.

Miss Shirley Walker, of Marmora, and Miss Colleen Colden, of Belleville, were bridesmaids and were gowned in long almost identical dresses of pink moire taffeta, with pink embroidered finger tip veils and matching head strand of pink. Each wore a single strand of pearls and carried a fan type bouquet of blue tinted carnations. Little Miss Myra Chambers, of Eldorado, niece of the groom, as flower girl, wore a long yellow dress and carried a basket-shaped nose gay of sweet peas.

Mr. John Keene, of Eldorado, was groomsmen; and Mr. Don Campbell, of Eldorado, and Mr. Kiehl Brown, of Peterborough, acted as ushers.

Following the ceremony, a reception was held at the home of the bride. The bride's mother received in a navy blue silk crepe frock with navy accessories and a corsage of pink roses. She was assisted by the groom's mother, wearing a grey dress with black accessories, and a corsage of red roses.

The serviteurs were Misses Lois Mason, Donna Bateman, Ruth Leonard, Joan Young, Betty Jones, Marion Reynolds, Mrs. Gerald Fox and Mrs. Ray Howard, assisted by Mrs. Chris Bateman, Mrs. Mary Spry, Mrs. Laura Bateman, Mrs. Gerald Broadworth and Mrs. Murney Mason.

Rev. H. A. Beare proposed a toast to the bride, and the groom responded. Later amid showers of confetti and good wishes the bride and groom left

by motor for Hamilton, Windsor and points west. For travelling the bride donned a very pretty navy frock, navy shortie coat, with accessories to match.

The groom's gift to the bride was a chest of silver; to the groomsmen, a genuine leather billfold, and to the ushers, initialled tie clips.

The bride's gift to her attendants was costume jewellery, and to the waitresses china cups and saucers.

Mr. and Mrs. Chambers will reside at Eldorado. Out of town guests were present from Madoc, Whitby, Peterborough, Eldorado, Toronto, and Belleville.

### Splendid Reports On Year's Work Among Blind Presented At Annual

**Banquet Precedes Meeting  
In St. Paul's United Church,  
Stirling, Monday Evening**

Splendid reports on the work being done for the blind in Hastings County were presented at the annual meeting of Hastings County Advisory Board of the Canadian National Institute for the Blind held in St. Paul's United Church Stirling, on Monday evening. Representatives were present from Belleville, Trenton, Marmora, Madoc, and Stirling.

The meeting was preceded by a chicken dinner served by the members of St. Paul's W.A., and was presided over by D. W. Bews, chairman, Belleville. Reeve H. J. Wells, of Stirling, extended a warm welcome to the visitors and complimented the members of the organization for the efficient manner in which they were carrying out a most important work.

Mrs. A. E. Baker contributed a solo, "The Cradle Song," after which reports on local campaigns for funds and Christmas Cheer activities in the various municipalities were presented.

Mrs. Harry Rollins, Belleville, reported on a New Year's dinner for the Blind in that city, while Chas Randall told of the formation and activities of the White Cane Club in Belleville.

The Home Teachers' annual report showed 10 persons having received instruction in mat-making, weaving, etc. in their homes in the past year.

The financial report was presented by C. L. Jewel, Honourary Treasurer, and Miss Roblin, who gave a detailed statement of the results of canvasses and tag days in various communities. "There were slight decreases in some and increases in others," stated Miss Roblin, but on the whole the results were very gratifying.

**P. I. Timmins  
Field Secretary**

P. I. Timmins, field secretary, gave a brief outline of his work, which covers six counties, and paid tribute to the convenors throughout Hastings County for their untiring efforts on behalf of the blind.

An outstanding event of the year was the formation of the White Cane Club in Belleville, stated the speaker, who told of inter-club visits and bowling meets between the Kingston and Belleville Clubs.

Radio programs, featuring blind musicians and artists had also been inaugurated and were proving a splendid medium of providing enjoyment to blind persons.

There are 119 registered blind persons in Hastings County as of March 31st, 71 men and 48 women, stated Mr. Timmins, who presented statistics showing the number taking advantage of the various services offered by the Institute, including the Library, the talking book machines, (of which there are eight) loan of radios, radio service, concessions, employment, Christmas gifts etc.

The Institute also does a good work in the prevention of blindness 16 cases being examined during the past year, with glasses being provided in several cases.

The speaker also spoke of the summer camp for blind persons, which was becoming more and more popular.

A statement of expenses for the year was presented by A. D. Archibald, of Belleville, after which the report of the nominating committee was presented by Mr. E. Fairman, Secretary. The following were elected to office for the coming year:

Chairman — D. W. Bews, Belleville

1st. Vice-Chairman — Mrs. H. Rollins, Belleville.

2nd Vice-Chairman — M. Tripp, of Trenton.

3rd Vice-Chairman — Mrs. F. Houchin, Stirling.

Secretary — E. S. Fairman, Belleville.

Treasurer — A. D. Archibald, Belleville.

Hon. Treasurer — A. J. Boorne, of Trenton.

Welfare Convener — Miss M. W. Peck.

Public Relations — Mrs. M. C. Ward, Belleville, and Miss F. Vandervoort, of Trenton.

### Local Business Block Sold

W. T. Elliott, local Case Machinery Dealer, has disposed of his business block on the South side of Front St. to Mrs. E. Carpenter, of Bancroft. He has retained the work shop at the rear of the block and has a two-year lease on the portion housing the office and parts department.

The new owner gets possession on June 1st, when alterations will begin to transform the present machinery show room into a modern restaurant. The deal was completed through E. D. Ketcheson, local realtor.

### Presented With Travelling Case

Mrs. Wm. Haggerty, who has left Stirling to reside with her son at Wellman's, was given a farewell party by her old neighbours at the home of Mrs. J. Ackers, Mill St., last night.

During the evening Mrs. E. Foster read an appropriate address and Mrs. Ackers presented Mrs. Haggerty with a travelling case. Dainty refreshments were served and a social hour enjoyed.

### Gets B.A.

Miss Ruth Rose is receiving congratulations of her friends on obtaining her Bachelor of Arts degree at Queen's University. Graduation ceremonies take place on Saturday.

**R. W. Beath  
Guest Speaker**

The guest speaker was Mr. R. W. Beath, of Toronto, Chief Librarian of the Institute for the Blind, who is a graduate of the University of Manitoba.

"Over half of the blindness in the world could be prevented, if it were not for the carelessness of people," stated Mr. Beath, who reminded his listeners that they were taking part in nothing new in their work for the blind, because in 1550 B.C. there were 20 different kinds of blindness listed. He told of how the blind were outcast and were placed in earthen vessels and left to die on the roadsides in Ancient Athens, or left on the hills as prey for the wolves in Sparta.

The blind people were first accepted by the Christian Church on terms of equality and in 1254 in Paris the organization of the Congregation of Three Hundred for the Blind brought solace and comfort to many people.

### Canadian Organization

The Canadian Institute for the Blind was only thirty-two years old and was the largest organization of its kind in the world. At the present time it had a building program of over three million dollars to be spent in providing homes, work shops, offices and factories.

Canada has given world leadership in its work for the blind and blind persons are coming from all over the world to train in Canadian shops. For every dollar received more than two dollars goes into the pockets of blind men and women, through their ability to work.

"The real burden of blindness is not blindness but idleness," stated the speaker, "and once a blind person is able to work he has overcome his handicap." He emphasized the importance of Clubs for the Blind, where bingo, bowling, cribbage, dominoes, and other games were enjoyed.

"The Blind have made a great contribution to society," continued the speaker, who listed a number of those most famous, including Homer, the greatest poet of all time; Milton, who wrote most of his great poetry after becoming blind, and was secretary of foreign languages for Oliver Cromwell; Louis Braille, founder of Braille System; Sir Henry Fawcett, Postmaster of Great Britain, who instituted Parcel Post, and many others, who have been successful despite their handicaps and are helping other people.

### MASONS HOLD NIGHT FOR LADIES

Members of Stirling Lodge No. 69, A.F. & A.M., entertained their lady friends in Stirling Community Hall on Thursday evening last. Lorne Watson, Worshipful Master, acted as Master of Ceremonies, and welcomed the guests.

A group of pupils of Miss Barbara Diment, Belleville, presented several tap-dancing numbers, interspersed with vocal solos by Mrs. Walter Warren and Wm. Reynolds, and piano solos by Gerald Taylor.

Dainty refreshments were served by members of the I.O.D.E., after which dancing was enjoyed to music by Frederick's Orchestra, of Campbellford.

### Death Claims Mrs. E. Phillips

An aged resident of this village, Mrs. Emily Anne Phillips, widow of Richard Phillips, died at the home of her son, Morley Phillips, Edward St., on Tuesday, in her 94th year.

Born in Hungerford Township, she was the daughter of the late Mr. and Mrs. Simeon Badgley. For 40 years she resided in Thurlow Township and for 20 years in Cannifton. Of late years she made her home with her son in Stirling.

Mrs. Phillips was a member of the United Church at Cannifton and when age and health permitted she took an active part in church work, being a member of the Women's Association and of the Women's Missionary Society. At the age of 88 years she quitted for the Cannifton W.M.S.

Surviving her is her son, Mr. Morley Phillips, Stirling; also six grandchildren and ten great grandchildren.

The funeral took place at 1:30 p.m. today (Thursday) to Cannifton United Church for service at 2:30 p.m. Interment Elwood Cemetery.

### Buried Here

The funeral of Mrs. Sophia Ellen Christie was held Monday afternoon from her late residence in the 5th Concession of Sidney Township to the United Church at Foxboro where service was conducted by the Rev. F. A. Gilbert.

Interment took place at Stirling.

### To Improve Well

Plans were completed for improvement to the well supplying the Village Waterworks System at a meeting of Council on Thursday evening last.

J. Kirk, representative of the International Water Supply, London, Ont., was present and a lengthy discussion ensued. Operations will begin about June 1st in an endeavour to clean out and deepen the present well. In the event this proves a failure, a new well will be sunk.

**Special Services Are Planned  
For Four Sundays In  
June With Guest Speakers**

For over a year the congregation of St. John's Anglican Church, Stirling, have been planning the celebration of the 90th Anniversary of the laying of the corner stone of St. John's Church.

This occasion will be marked next month, June, by special services on all four Sundays, as well as by congregational dinner and the publication of a Souvenir Booklet.

For the information of all interested the following schedule is published:

Sunday, June 4th at 7:30 p.m. — Evening Sermon Ven. Archdeacon Coleman, who became Rector of this Parish on July 1st, 1900.

Wednesday, June 7th at 7 p.m. — Congregational Dinner.

Sunday, June 11th, at 11:00 a.m. — Holy Communion. Sermon Rev. Canon N. R. Stout, a native son of this Parish.

Sunday, June 18th at 7:30 p.m. — Evensong. It is expected that ten Masonic Lodges will be represented at this service. Sermon Rev. N. R. Burke, Rector of Christ Church, Dear Park, Toronto.

Sunday, June 25th — 90th Anniversary Sunday. The Rite of Confirmation by the Most Reverend John Lyons, M.A., D.D., Archbishop of Ontario.

The marking of this 90th Anniversary year will be continued in September when the Ladies' League will hold their annual dinner, and in October, when the Laymen's Association will be hosts to the Hastings Deanery Laymen's Association.

### Glen Ross Man Seriously Injured

In an attempt to avoid a collision with a light truck, George A. Whitman, of Glen Ross, 3 miles southwest of this village, suffered serious injuries when he crashed his light English car into a steamroller on Highway No. 14 Wednesday morning.

Whitman was taken to Belleville Hospital with head cuts, a crushed chest, broken ribs and a hip fracture.

"I saw a child in the truck and knew if it got hurt in an accident I would have it on my conscience the rest of my life," Whitman told hospital attendants.

At the time of the accident, Whitman, a city sanitary inspector, was driving south on Highway 14 en route to Belleville. The truck, driven by John Holcroft, of Foxboro, was proceeding in front of him. It pulled out apparently to pass the steamroller, then stopped. Whitman was too close behind to stop and swerved his car into the steamroller.

### Has Operation

Friends of Dawn McGee will be sorry to learn that she underwent a tonsillectomy operation in Belleville Hospital on Tuesday morning.

### Awarded Contract On County Home

E. P. Carr, local roofing contractor has been awarded the contract for the roofing and sheet metal on the Hastings County Home for the Aged. Work on the sheet metal will begin at once.

## River Valley Women's Institute Hold Annual Meeting

The annual meeting of River Valley Women's Institute was held a week later on May 11th, at the home of Mrs. Fred McDonnell, with a large attendance of members and two visitors and several children.

Mrs. Harold Morgan presided and Roll Call was "Pay Your Dues." Twenty-eight ladies pair their membership fee of fifty cents. Mrs. J. L. Donohoe read the minutes of the last annual meeting and of the April meeting. She also gave a full report of the finances and during the year almost three hundred and fifty dollars was raised from the collections, fees, dance, card parties, etc.

Expenses were thirty-four dollars for overseas boxes and seventy-two dollars for sick folks in the Valley community, twenty-one dollars for charitable societies, a bond of one hundred dollars, besides membership pins, printing and column in News-Argus, card tables, prizes and various other expenditures, leaving a balance of twenty-five dollars.

The auditors, Mrs. Morley Richardson and Mrs. Ed. Heasman gave their approval. Nine letters of thanks were read for fruit boxes and gifts, one from Mrs. Clarence Chard, written in mid-ocean. Mrs. Percy Utman read a letter of thanks from Mrs. Mollie Mallard, Bristol England, and she said the parcel of cube sugar would be most acceptable, as the fruit season is on and sugar is exceptionally scarce with such small rations. Mrs. Mallard said the sugar would be displayed and divided at their next meeting. It was decided to send sugar parcels to England for two months. It was decided to sell the luncheon set to the members (if all were agreeable) at the June meeting.

Five pieces were spoken for. The proceeds could be used to buy something for R.V.W.I. which all could use. Plans for the Hospital Fund were discussed with a monster evening at the Legion Hall when games, home cooking, farm produce, home made candy will all help to swell the funds for this worthy cause.

The committees are as follows: Games and Prizes — Mrs. Percy Utman, Mrs. Harold Morgan and Mrs. J. L. Donohoe; Home Cooking etc.—Mrs. Hugh Jones, Mrs. Earl Morrow and

Mrs. John Kane; Candy Booth — Mrs. Roy Bush, Mrs. S. McIntosh and Mrs. Gerald Richardson.

Mrs. Morgan thanked all for their co-operation during the year. The nominating committee brought in their report and Mrs. Roy Bush, District President conducted the election.

President — Mrs. Don Donohoe; 1st Vice President, Mrs. Ed. Heasman; 2nd Vice President, Mrs. Ralph Utman; 3rd Vice President, Mrs. Harold Morgan; Secretary-Treasurer, Mrs. J. L. Donohoe.

**Directors**  
Town, Mrs. Earl Morrow; Pig Street, Mrs. Stanley Irvin, Frankford Road, Mrs. Gerald Richardson; Town Line, Mrs. Ralph Vandervoort; River Road, Mrs. Gilbert Finkle; District Director, Mrs. John Kane.

Planist, Mrs. Clarence Chard, Assistant, Mrs. Geo. Heasman; Press Reporter, Mrs. Percy MacMullen.

A vote of thanks was tendered retiring officers, especially the president and secretary who carried out their duties so well. The card conveners, Mrs. Jack Donohoe Jr. and Mrs. Ross Bush arranged nine card parties during five months and realized almost one hundred and forty dollars and they were thanked for their services in this respect.

**New President Accepts Office**  
The new president, Mrs. Don Donohoe took the chair and spoke briefly.

Thursday, June 1st, is District Annual in Stirling, the meeting will be held one week later, on June 8th, at the home of Mrs. Jennie Donohoe. For this season the meetings will revert to the old plan first Thursday in each month, to begin at 2 p.m.; one hour for business, one hour for programme and half hour for refreshments, concluding at 4.30 p.m.

**Conveners Appointed**  
Agriculture and Canadian Industries — Mrs. Percy MacMullen and Mrs. Fred McDonnell.

Historical Research and Current Events — Mrs. Harold Morgan and Mrs. H. Philip.

Home Economics and Health — Mrs. Hugh Jones and Mrs. Stanley Irvine. Community Activities and Public Relationship — Mrs. Ernest Carr and

Mrs. Ralph Utman.

Citizenship and Education — Mrs. Clarence Chard and Mrs. Gerald Richardson.

**Resolutions** — Mrs. Roy Bush, Auditors — Mrs. Ed. Heasman and Mrs. Morley Richardson.  
**Home and School Committee** — Mrs. Roy Bush, Mrs. Ernest Carr, Mrs. Morley Richardson and the President.

The District Directors held a meeting recently and plans have been made for the celebration of the Fiftieth Anniversary of West Hastings District at the District Annual meeting to be held in Stirling Community Hall on Thursday, June 1st at 9.30 p.m. A prize will be given to the Branch with most members present. Yellow or blue flowers will be appreciated for decorations. The voting delegates to District Annual are President, Secretary, District Director and Mrs. Percy MacMullen.

Mrs. Don Donohoe is calling a meeting of the Board of Directors, Executive and Standing Committees to meet at her home to plan the year's programme. A vote taken by ballot decided that for this year the Institute will send cards to sick folks instead of fruit boxes. A special collection will be taken at the June meeting to send a gift overseas to Mrs. Chard's friends in England.

Mrs. Ross Bush spoke words of appreciation to the Press Secretary for her reports. After singing the National Anthem, the lunch committee served delectable refreshments and all enjoyed a social half hour over the tea-cups.

Mrs. Percy Utman thanked the hostess for hospitality and her daughter, Mrs. W. Shortt, of Sidney, who assisted her mother.

So ends another year and June will be the beginning of a new year in institute activities.

## Bibles and Babies Presented At St. Paul's Mother's Day

Flanked by the Mother's Day gift roses of Mrs. Warren Preston and Mrs. Arthur C. Vandervoort's birthday basket of Spring flowers on either side and lined in between with lovely blooming plants from Mrs. N. Wescott and Mrs. A. Rodgers with a fringe of white and red trilliums and adder's tongues the pulpit of St. Paul's made a Ministry of beauty in itself on Mother's Sunday.

The little church at Carmel also shared in Mother's Day decorations. Never has this Church been more attractive with Memorial baskets of flowers in loving memory of Mrs. Wm. Carlisle and baby Barbara Stapley, surrounded by colorful geraniums and May blooms from the forests.

At the afternoon service at Carmel the solid oak baptismal font in loving memory of Janet Elizabeth Reynolds, of Dover England, was presented by her son Edward and was received by Trustees Frank Bailey on behalf of the Carmel Trustee Board. The prayer of dedication was offered by the Minister and the rite of baptism was administered to Ida Mae Bailey and Donald Everett Armstrong. "Mother O' Mine," was sung with great feeling by Wm. Reynolds, a brother of Edward's. Many visitors shared in this memorable service at which paw bibles were also dedicated in loving memory of Mrs. Claude Sharp; Mrs. Wm. Carlisle; Mrs. A. J. Thompson; Mrs. John Foreman; Mrs. Wellington Hart; Mrs. Hattie R. Hubbel and Mrs. Richard Pyear. In tribute to the living Bibles were dedicated in the names of Mrs. Arthur Brown; Mrs. Milton H. Hegerman; Mrs. Bleeker Meyers; Mrs. Edward J. Pyear, Mrs. Minnie Sine; Mrs. Joe. Grills; Mrs. L. B. Windsor and Mrs. (Rev.) W. S. Irwin.

At St. Paul's miteen babies were presented for baptism by their proud parents. In addition to those listed last week, the following were dedicated: Jane Darlene West; Cheryl Lauren Stewart; William George Stewart Bentley. The Junior Choir sang the chorus "Mother," and the baptismal hymn, the Senior Choir, "Lord For Thy Tender Mercies Sake," and the mixed quartet "She Is Waiting For Me," (tune Old Rugged Cross) Mrs. P. Bronson, Mr. and Mrs. Harry Brown and Ted Reynolds.

The Married's Association held their Silver Jubilee Service at night when President David O. Duffin presided, Treasurer, Reeve Harold Wells read the Lesson.

The living portraits of great women made an impressive ministry. Mrs. Ed. Heasman, with her young son represented the mother of Thos. Edison; Mrs. Roy Tucker, with Geordie, her infant Church-going baby, Mrs. Abraham Lincoln; Mrs. Edward Warren, whose relative carried flowers given to her by Florence Nightingale at her wedding in Westminster Abbey personified "The Lady of the Lamps," Florence Nightingale; Mrs. Maurya Bell with son Robert, represented Susannah Wesley and her son John, while Queen Victoria was personified by Mrs. E. Reynolds. The costumes and presentations supported by the clear and interesting narrations by Wm. R. Wilkins (over the P.A. system) will be a long and lovely memory. St. Paul's Choir with four boy sopranos assisting rendered notable service. The solos, "Lay My Head Beneath A Rose," and "Land of Hope and Glory," sung by Bill Reynolds were interpreted with soul and beauty. The anthem arrangement of "The Star Spangled Banner," was arresting with its high notes and deep foundation tones. The male quartet R. A. Patterson, D. Pyear, Ted and Wm. Reynolds sang the old favourites "Jesus Saviour Pilot Me," and "Lead Kindly Light." "My Mother's Hands," a request number was sung by Mrs. Baker.

Few memorial Bibles at St. Paul's were dedicated, the love gift of their children in the names of Mrs. David Teal; Mrs. D. B. Preston; Mrs. Thos. F. Nugent; Mrs. Thos. L. Elliott; Mrs. Mrs. Joshua Duffin; Mrs. J. A. Zufelt; Mrs. Wm. Roberts; Mrs. Hiram Rosebush; Mrs. Nathan Eggleston; Mrs. Henry Bowler; Mrs. Nancy E. Fletcher; Mrs. Sarah A. Wright; Mrs. Geo. Rosebush; Mrs. Wm. Maynes; Mrs. Minnie Wilson; Mrs. Andrew Kirk; Mrs. Ella Foster Martin; Mrs. E. T. Williams; Mrs. Emma Jane Runnalls MacMullen; Mrs. Mary W. Potts; Mrs. Truman A. Bailey; Mrs. Robert Kingston; Mrs. John Alexander Hanna; Mrs. Alex. Morton; Mrs. G. B. Hagerman; Mrs. O. Vandervoort; Mrs. Emma Ann Heagle; Mrs. Geo. E. Reynolds; Mr. and Mrs. Wm. Bush; Mr. and Mrs. Delbert Utman; Mrs. Sarah Kemp Baker; Mrs. James Park (2); Mr. and Mrs. John Alcombrack; Mrs. Harriet Hatton and Mrs. Maria Megginson.

Few tribute Bibles were dedicated in honour of Mrs. C. Palmer (Acola, Sask.); Mrs. Carrie Antionette MacConnell; Mrs. Delbert N. Fleming; Mrs. Roy B. Duffin; Mrs. W. C. West; Mrs. Wm. T. Wilkins; Mrs. (Dr.) P. V. Hellwell; Mrs. Sarah Phillips Mundy; Mrs. Geo. Carlisle; Mrs. C. A. Wells; Mrs. J. L. Good; Mrs. Walter T. Elliott by her Sunday School Class; Mrs. Arthur C. Vandervoort; Mrs. Florence Kerr; Mrs. Jas. H. Scarfe (Cobourg); and Mrs. Arthur E. Macklin (Cobourg).

At the close of the service George Carlisle on behalf of the Session complimented the Married's Club and the gift Bibles were placed in the pews designated by their donors.

## Hastings Co. Club Leaders Organize

At a meeting in Stirling on Tuesday, May 2nd, the leaders of the Boys' and Girls' Clubs formed a County Association, and at that time elected the following officers:

President — Carl Bateman, Stirling  
Vice-President — Rex Rollins, of Madoc R.R. 3.

Secretary-Treasurer — Harold Dettlor, Stirling R.R. 4.

The purpose of this Association is to co-ordinate the efforts of the various Club Leaders; develop new ideas; and in general make for better club work in Hastings County.

The group did go on record in favour of 4-H being taken as the title for the club work and at the same time decided to secure white jerseys that would be worn by the club members when they are showing at the fairs. Considerable discussion followed regarding the type of crest that would be used, and it was decided that investigation should be made into suitable crests, and if jerseys could be secured at a reasonable rate that arrangements be made to complete this purchase previous to the achievement days.

Other discussion included the possibility of a trip to Kemptonville or Guelph for the Club Leaders; the use of films to provide variety in the club work; and the fact that the club programme should follow a broader subject than just that of the club project.

The following are the Club Leaders with the club they will be leading:

Carl Bateman, Stirling — Stirling Calf Club; Douglas Harry, Trenton R.R. 5, Belleville Calf Club; Bernard J. Hunt, Tweed R.R. 2, and Donald Martin, Tweed R.R. 2, assistant — Hungerford Calf Club; Rex Rollins, Madoc R.R. 3 — Madoc Calf Club; Donald Cassie, Deseronto — Mohawk Calf Club; Harold Dettlor, Stirling R.R. 4 — South Hastings Grain Club; Ritchie Robinson, Bancroft — North Hastings Forestry Club.

Most people kid themselves that they are good, safe drivers. Yet every day in Ontario, one, two or three people get killed in accidents involving motorists who were proud of their driving ability. Those who have never yet had an accident need to remember that the first one may be a bad one — may, in fact, be their last one! Cars can kill.

## "NOW WE'RE SURE OF SNUG SECURITY"

Our Brantford 'Supertite' Roof laughs at the Strongest Winds!

No one ever saw Brantford "Supertite" Slates damaged by even the most violent winds. Their special lock-butt design holds each slate securely through all the winds that blow. Brantford "Supertites" will neither curl, warp nor split. They are unaffected by sun, snow, sleet and rain—and they're strongly fire-resistant, too.

What's more, there's a touch of almost magical distinction in their clean-cut keystone design and their new, soft blends of lovely colour.

Give your home the snug security and new beauty of Brantford "Supertite" Slates. Ask your dealer, builder, or Brantford Roofing's nearest office for full information.

### St. Paul's-Carmel Will Mark Empire Youth Sunday

(By Rev. A. E. Baker, U.E.)

The special Empire Day service at St. Paul's next Sunday will be marked by fanfares sounded by trumpeters from the Royal Canadian Air Force, Trenton; Kipling's Recessional, by St. Paul's Choir, and Oxenham's "My Own Dear Land," (tune Danny Boy) by St. Paul's Junior Choir, and a special Empire Day solo, "Hail Hall King George," will be interpreted by Wm. Reynolds. "Long Live The King!"

Every loyal citizen is expected to attend Empire Day Services.

St. Paul's Choir have accepted an invitation to share in the dedication services of the new Batawa Church, Bridge St. Choir, Belleville, will sing at the formal opening Thursday night and St. Paul's Stirling Choir at the first Sunday evening service on May 21st.

The Society of St. George was organized in Stirling in 1856, at its first anniversary dinner held on St. George's Day, April 23rd, 1857, with Wm. Baker in the chair. The Stirling Band made its debut. During the evening it played the following selections: God Save the Queen, Grand March, The Roast Beef of Old England, British Grenadiers, Rule Britannia, Cheer Boys Cheer, Stirling March, Here's A Health To All Good Lasses, Nancy Jill, Belleville March, Wait For The Wagon, Bobbing Round, He's A Jolly Good Fellow and Life On The Ocean Wave. The Band was led by Mr. E. Leman.

The Highway Improvement Act was amended in 1949 Chapter 39 Section 1 to give the Minister power to make Township Road Grants up to eighty per cent of the cost and in the case of bridges up to one hundred per cent of the cost. See part IV "Township Roads," pages 24-27, Ontario Highways Improvement Act.

Special prayers were offered for the victims of flood and fire disasters at St. Pauls and Carmel Sunday.

Rev. Denzil G. Ridout D.D., F.R.G.S., Secretary of the Missionary and Maintenance Fund has invited the Stirling Jubilee Presbytery by reaching the Silver Jubilee objective of \$1640.

The local M and M committee has decided to make its special appeal for Silver Jubilee Sunday, June 11th. Will every friend and member please share in this need. Let us each do our best in this need. The M and M Fund is partly used the year round for "all people Missions," in the city of Winnipeg and the frontiers of settlements as well as for work in many lands.

The Young People of Carmel meet the first and third Friday of each month in the Silver Jubilee Church Hall.

St. Paul's Young People have discontinued all regular meetings for the summer. Every Monday night however rehearsals will be held until the end of June for the "Gypsy Rover."

Dr. Ralph Vandervoort sent a beautiful basket of cut flowers to the Church to honour the birthday of his mother.

Maurice Bell graciously installed his P.A. system to carry Mother's Day services to Mrs. Nora Wescott.

The St. Paul's "Christmas Angels" appeared in May to provide hospitality in the Church Parlour for the parents of the babies that travelled from Toronto to dedicate their children in the Bethlehem-like Village of Stirling.

The Westminster Abbey Empire Youth Service will be adopted at St. Paul's next Sunday at 11.00 a.m.

St. Paul's-Carmel congratulates the Rector and congregation of St. John's on its Anniversary booklet and conveys best wishes for its observance of their 90th Anniversary of the congregation.

### Airborne Survey of Hastings Conuty

As a result of airborne magnetometer survey work in Hastings County, undertaken in an effort to determine the existence of additional iron ore deposits, four areomagnetic maps of the areas covered have now been published. This airborne survey covered approximately 1500 square miles.

The data obtained was plotted and printed on maps prepared by the Geological Survey of Canada. These maps are available from the Publications Branch, Ontario Department of Mines and also at the Geological Survey at Ottawa. The sheets are known as the Bancroft, Coe Hill, Bannockburn and the Campbellford, and can be obtained at a price of 25 cents each.

The survey has indicated a number of anomalies and it now remains to correlate the information by work from the ground. A number of the anomalies seem to warrant investigation.

### Rylstone W. I.

The Rylstone Women's Institute held their May meeting at the home of Mrs. Ellis Jones, on Wednesday, May 3rd. There were 42 ladies and 12 children present. The meeting opened as usual with the Institute Ode and Lord's Prayer, followed by the Roll Call answered by "An Economy Wrinkle." The minutes of the annual meeting in April was read by the Secretary, Mrs. Carl Linn. It was decided that Mrs. Linn act as custodian of the new flat silver bought recently by the Institute. Mrs. Charles Stewart and Mrs. Don Kerr were appointed as delegates to the District Annual Meeting to be held in Springbrook. Mrs. Ernest Irvin gave a report of the District Executive Meeting.

The President, Mrs. Jack Watson, declined the office of president for this year, so Mrs. Lindsay Anderson, 1st Vice President, was promoted to president; Mrs. Ellis Jones, 2nd Vice President, became 1st Vice President, and Mrs. Jack Watson, was chosen as 2nd Vice President. At this point, the meeting, which was the "Grandmother's Meeting," was taken in charge of Mrs. John Simpson, Convenor for the following programme: Reading, by Mrs. Lily Anderson; Reading, "The Resurrection of Spring," by Mrs. Wm. Rutherford; Talk on "The Table My Grandmother Set," and "Some Incidents In Her Life," by Miss Emma Randle, of Wellman's Corners; Reading "Contentment," by Mrs. Murray Melkiejohn; Topic "Victories Won In Vain," by Mrs. Caroline Wright; Current Events of 1st Great War Days viz. "Patriotic Barn Dance at F. M. Rutherford's Farm," by Mrs. Roy Fry; Humorous Reading "Growing Pains," by Marie Melkiejohn; Exhibit "Something My Grandmother Gave Me;" Contest "Girls' Names In Songs." The meeting closed with God Save The King. Lunch was served.

The June meeting of the Institute will be held at the home of Mrs. Clarence Barnum on June 7th. The program Committee for this meeting Mrs. Gerald Petherick, Mrs. Chas. Stewart and Mrs. Roy Fry. Lunch committee for June meeting Mrs. Gerald Barnum, Mrs. Ernest Irvin, Mrs. Mur-

ray Melkiejohn and Mrs. F. W. Barnum.

The July meeting will be a picnic at Crowe River Bridge.

There will be a short course on "Oven Cooked Meals," at the home of Mrs. Don Kerr, in October.

There were 10 grandmothers at the Grandmother's meeting, the eldest being Mrs. John Simpson and the youngest, Mrs. Wilfred Spencer. Speaker for the June meeting will be Mrs. F. W. Rutherford, Campbellford.

### West Huntingdon W.M.S. and W.A.

The May meeting of the West Huntingdon W.M.S. and W.A. of the United Church was held at the home of Mrs. Frank Hammond, with 19 members and 2 visitors present.

The president called the meeting to order and sang the hymn "Breathe On Me Breath of God." The Roll Call was answered by a verse of Scripture. Readings were given by Mrs. F. Sheffield, Mrs. F. Hammond and Mrs. G. Ashley. Mrs. W. Grant favoured with a solo.

Business was dealt with during which an invitation was read to attend a Missionary Rally at Holloway Street Church, on June 6th. Mrs. G. Cooke reported for W.A. and Mrs. Grant and Mrs. J. S. Wilson were appointed programme convenors for June. The minutes of the last meeting were read and approved, followed by Mrs. Clayton Wright giving an interesting account of the last chapter of the Study Book.

The Anniversary Programme celebrating the 25th Anniversary in the Auxiliary was followed in the Missionary Monthly, with Mrs. McCurdy taking charge. Hymn "The Church's One Foundation," was sung, followed by Mrs. Carr reading the Scripture and Prayer by Mrs. McCurdy. Mrs. G. Cooke gave an account of the Past Presidents from 1925 to 1950. Those taking part in the readings from the Monthly were Mrs. McCurdy, Mrs. Moorcroft, Mrs. G. Cooke, Mrs. J. S. Wilson, Mrs. T. Emmerson, Mrs. C. Wright, Mrs. H. Cooke and Mrs. A. Wright.

The meeting closed with a hymn and prayer by Mrs. A. Wright. A vote of thanks was tendered the program convenor, Mrs. McCurdy and to Mrs. Hammond for opening her home. The hostess and her helpers served a very dainty lunch and the usual half hour was spent.

### Sidney School Area Plant Trees

On Thursday afternoon at Bayside, pupils from four Sidney Schools, Avondale, Belcrest, Harder's and Hogle's planted 2,000 White Red and Scotch Pines. This is a continuation of the Reforestation Project begun last year by the Sidney School Area Board, when Bayside and Quinteview Schools planted 1,000 Red and White Pines on the Islands directly south of the school. While the Bayside pupils were filling in any places missed on the island last year, the pupils of the four schools were divided into pairs with a shovel and a pail of water. Mr. W. E. Edwards, Zone Forester and his assistant were in charge of the planting and showed the pupils the correct procedure in planting. The work was

It is hoped eventually that all schools in Sidney will be able to plant a plot of trees at this location.

studied casualness, she soon has the audience eating out of her hand, ready to laugh at anything. Her personality is such that the most trivial items become important, whether she is letting down her hair or twirling her beads. But her secret lies in her humanness. Many comedians or singers are too clever by half, but Gracie Fields has exactly the right blend of broad humour, sentimentality, and a strain of religious feeling which hits the audience in the solar plexus. These may not be such subtlety, but it is all pure artistry.

## Carmel

The regular meeting of the W.A. was held in the Church Hall on Thursday afternoon, with Mrs. Everett Grills as hostess. The president, Miss Marion Carlisle, opened with a call to worship, the theme song, prayer and a hymn. The Scripture Lesson was read by Mrs. Ray Keating and the president gave the descriptive thoughts of the Lesson. Roll Call showed eighteen members and six visitors present.

Plans were made for serving hot meals at the Community Sale at Hoard's, on June 5th. Mrs. Russell Hubel introduced the fourth Chapter of the Study Book, "Through The Years," and several ladies assisted with prepared parts. Miss Verna Brown played a piano number. Lunch was served by the hostess.

The Young Adult Group held a social evening at the Church Hall on Friday evening, when the losing attendance slide, headed by Mr. and Mrs. Archie Bailey, entertained the winning side to a crokinole party, followed by lunch.

Mr. Woolly Morris and friend, of London, Ont., spent Saturday night with his grandfather, Mr. Wm. Morris and Mrs. Morris.

Mrs. Louise Anderson is in Belleville Hospital suffering from a heart condition.

Mr. and Mrs. Douglas Pyear and Barry spent Sunday with Mr. and Mrs.

Baptismal Font Presented

At the Mother's Day Church Service on Sunday, a beautiful baptismal font was donated by Mr. Ted Reynolds and accepted on behalf of the Church by Mr. Frank Bailey. The infant daughter of Mr. and Mrs. Archie Bailey, Ida Mae, was baptized, and because she was the first to be Christened from the font, a suitably engraved silver cup was presented to her by the Minister, Rev. A. E. Baker. Donald Everett, son of Mr. and Mrs. Jack Armstrong, was also baptized and a small gift presented. Bill Reynolds sang "Mother O' Mine." A number of visitors were present which filled the seating capacity of the Church. A basket of spring flowers adorned the altar as a gift in memory of Mrs. Wm. Carlisle by her children and a pot of tulips in memory of Barbara Stapley, placed by her parents, Mr. and Mrs. Clayton Stapley. Fifteen new Bibles were dedicated by the Minister, donated in memory and in honour of parents by their children.

Mr. and Mrs. Everett Grills attended the funeral of the latter's aunt, the late Mrs. Townsend, of Holloway, with interment in Stirling on Tuesday.

## Oak Lake

Mr. and Mrs. Farley Lindentfield, Elaine and Carol, spent Mother's Day with her mother, Mrs. H. Smith, Holloway.

Mr. and Mrs. Harold Detlor, Douglas and Ralph, spent Sunday with Mr. and Mrs. Murney Wilson, Plainfield.

Miss Della Caldwell, of Stirling, spent a couple of days with Miss Mae Currie.

Mr. and Mrs. M. F. Bird were Sunday guests of Mr. and Mrs. Percy Ray, of Zion's Hill.

Mr. and Mrs. Lloyd Bamber, Frankford, were Sunday supper guests of Mr. and Mrs. G. Parks.

Mr. and Mrs. Fred Kingston attended the funeral of the late Mr. Ed. Good, Moira, on Monday.

Mrs. Geo. Simmons, of Toronto, and Mrs. Robt. Christie, of Stirling, were Monday supper guests of Mr. and Mrs. F. Kingston.

## Rylstone

Death came suddenly to a well-known and respected resident on Tuesday night, when Andrew H. Thomson succumbed to a heart attack at his home on the 11th Line.

He was the son of the late Mr. and Mrs. Wm. Thomson and spent all his 67 years on the farm where he was born and died. He is survived by his wife Elizabeth (Lizzie) McKeown; four sons, William and Clarence, of Bonarlaw, Ross, of Stirling, and Fred of Campbellford; also four daughters, Mrs. Maude Runnalls, Stirling, Mrs. Murney Fleming, (Hazel), Oshawa, Mrs. George Sutherland, (Jerrine), of Stirling, and Leafa at home. There are nine grandchildren.

The funeral service was held in Rylstone Church on Thursday afternoon and interment in Rylstone Cemetery.

Much sympathy is felt for the sorrowing family. Mrs. Thomson, who has been ill for several months since she suffered a stroke was taken to the home of her daughter, Mrs. Murney Fleming, in Oshawa, since the death of her husband.

Mrs. Mary Morton visited her daughter, Mrs. Essie Reid, on Thursday.

We extend deepest sympathy to Mrs. Fred Fry in the death of her father, Bert Hay, Burnbrae, on Thursday; also to Mrs. Cora Reid, whose mother, Mrs. Mosher, of Springbrook, passed away Saturday.

A very quiet wedding was solemnized by Mr. Belch, of Belleville, on Saturday, when Leafa Thomson, youngest daughter of Mrs. Elizabeth Thomson and the late Andrew Thomson, became the bride of Lloyd Anderson, son of Mr. and Mrs. Aaron Anderson. They will reside near Rylstone.

## Farm Home Burns

The home of Mr. and Mrs. Jim Milne on the 11th Line of Seymour was a total loss when fire of unknown origin destroyed the house and most of the contents, despite the efforts of neighbours and friends. Mr. and Mrs. Milne were away at the time and the eldest daughter, Ruth is credited with saving the younger children, two of whom were asleep when the fire broke out. At present the Milne family are living in the house formerly owned by the late Alfred Hay.

Mr. and Mrs. Ellis Jones, Bob and Jack Spencer and Miss Francis Leslie, of Stanwood, were Sunday visitors of Mr. and Mrs. Fred Husband, Nanawau.

Little Miss Norma Petherick celebrated her birthday on Monday and entertained several of her school chums.

Dorothy and Doona Morton visited Marilyn Shortt on Wednesday afternoon.

## St. Paul's W.M.S.

St. Paul's Auxiliary of the Woman's Missionary Society met in the Church Parlours on Wednesday, May 10th, with Mrs. C. Macklin presiding and Mrs. A. E. Baker at the piano in the absence of Mrs. N. E. Eggleton. Mrs. Macklin read Charles Wesley's hymn, "Depth of Mercy," and followed with prayer.

Minutes of the April meeting were read and approved. The treasurer, Mrs. J. B. Thompson, reported \$46.15 on hand for the second quarter. Miss D. Caldwell, corresponding secretary, read notes of thanks for letters of condolence sent to bereaved ones; also a letter from Miss McGregor, of Smokely Lake, Alta., our Missionary for prayer. In it she told of the Mission Home in which she lives and of the well-to-do Ukrainians among whom she works. In reply to an enquiry re her needs, she said there was nothing unless it were a home-made rug for her bedroom and a half dozen mittens size 5 years, for the Christmas tree later.

An invitation was received from Holloway W.M.S. Auxiliary to attend a Rally to be held on June 8th; also St. Paul's Women's Association and W.M.S. Auxiliary are invited to a special gathering to be held in Mount Pleasant Church, on June 14th. The department secretaries brought brief messages and Mrs. Good reported 17 calls made since the April meeting.

Mrs. Baker very kindly offered the use of the Parsonage for the Silver Jubilee tea to be given on June 9th. Mrs. W. T. Elliott's offer to make a birthday cake for the tea was gladly accepted. A motion was made and carried that plans already made and further ones that will be made by the executive re the tea, be accepted.

Mrs. E. G. Bailey took the chair for the Worship Service and programme. A Litany of Supplication had been prepared and was led by Mrs. Bailey with the members making the responses. Mrs. M. Aythart read two poems, "I Listen To The Agony of God," and "We Thank Thee God." Poems that were in line with the service.

The speaker for the afternoon was Mrs. Frank Horica, of Batavia, and was introduced by Mrs. H. Martin.

Mrs. Horica commenced her informal talk with the geographical position of Czechoslovakia with its three provinces, Bohemia, Moravia and Slovakia. Its principal religions are Protestant, Catholic and Greek Orthodox. The country in places is very picturesque with its ancient castles set on the hills and the peasant cottages painted in bright shades of blue, rose, yellow and much orange trim. The industries are very important to the life of the country.

Mrs. Horica told of conditions existing now under Communist Rule. With her husband and two small children she visited Czechoslovakia recently and although the Communists only took over the Government in 1947, already results are very evident. Speaking of Prague, one of the oldest and most beautiful cities of Czechoslovakia, she told of neglect and decay of the beauty of the buildings because the people are losing heart. In the country only a portion of the farm produce is allowed the farmers — the Government takes the remainder.

Education is free to the Communists. Those who are not Communists receive no education. Regardless of former education and social standing, those who are against the Government are ordered out to the fields to work. Fear and distrust have become deeply seated in the minds and hearts of the non-Communists, and because of this, many vote Communist—who otherwise would not. The Church, Mrs. Horica told her listeners, is the only salvation for the country.

Jeanette Aythart and Janet Ann Good of the Mission Band sang a duet.

On behalf of the members of the Auxiliary, Mrs. W. T. Elliott expressed appreciation and thanks to Mrs. Horica for her most interesting talk; to the girls for their nice duet and to the lunch committee. A hymn and the Mizpah Benediction closed the meeting. Cookies and a cup of tea were enjoyed after which Mrs. Horica showed some samples of the exquisite hand work of the women of Czechoslovakia.

## Wellman's W.A. And W.M.S.

A meeting of Wellman's W.A. and W.M.S. was held at the home of Miss Emma Rainie, and Mrs. John Rainie on May 12th, with a good attendance.

The president, Miss Della Johnston opened the meeting with singing the theme song and hymn "Stand Up For Jesus," Scripture reading 1st Samuel 2nd Chapter verses 1 to 10, "Hannah's Song of Thankfulness," and 1st Chapter of Ruth verses 15 to 18 and Exodus 2nd Chapter verses 3 to 8 was read by Miss Eleanor Graham. Meditation on "Loyal Womanhood," was given by Miss Johnston. Hymn 389 was sung.

Chapter 5 in the Study Book "Growing With The Years," was given by Mrs. Lorne Watson, Mrs. Douglas Clancy and Mrs. Arthur Becket on Christianizing the social order and told of the work the United Church has done under the leadership of the Board of Evangelism and Social Service and strong opposition to the liquor evil, open Sunday and gambling; also the wonderful work the All People's Mission is doing in cities and towns where the population is made up of many different races, where they are learning to work and live together as Canadian Citizens.

The Mother's Day programme was then given, followed by a solo by Mrs. Clifford Clancy entitled "Mother's Prayers Have Followed Me," reading by Mrs. Burton Morton, "A Tribute To My Mother," a reading by Miss Leona Hinds entitled, "Matron of Motherhood," piano duet and vocal duet by Mrs. Geo. Watson and Mrs. Lorne Watson entitled, "Pass Me Not O Gentle Saviour," reading by Mrs. Clarence Dunham, "The Things I Want Tomorrow," reading by Mrs. Fred Thrasher, "Numberless Things We Want To Do Someday When We Have Time."

The minutes of the last meeting were read by the secretary, Mrs. Geo. Watson. Mrs. Clifford Clancy was appointed to attend the Presbytery meeting to be held in Trenton on Tuesday, May 16th. Miss Della Johnston, Mrs. Clarence Dunham, Mrs. Geo. Watson, Mrs. Clifford Clancy and Miss E. Rainie were appointed to attend the W.A. Annual Convention to be held in St. Paul's United Church, Stirling, on May 25th.

The meeting was closed with the singing of "Blest Be The Tie That Binds," and the Mizpah Benediction. The hostesses and assistants served afternoon tea and a social half hour was enjoyed. A vote of thanks was given for their hospitality.

## STIRLING MOTORS LIMITED

W. T. ELLIOTT, President  
PHONE 352 — STIRLING

Hello Homemakers! By now you have cooked a bunch of fresh asparagus. You must admit that it is exciting to prepare and serve the first garden vegetable of the year. As fresh asparagus season is short, we like to serve it often but in a variety of ways—cream soup, casseroles and salads, as well as a hot, cooked vegetable. To complement the delicate asparagus flavour we suggest various toppings on the plain hot vegetable. Clip these ideas for reference when you serve canned or frozen asparagus later, too.

**Cheese-Butter**—Melt  $\frac{1}{2}$  cup butter and add  $\frac{1}{2}$  cup grated old cheese.

**Celery-Seed Sauce**—Melt 1-3 cup butter and add 1 tsp. celery seed.

**Garlic Dipping**—Melt  $\frac{1}{2}$  cup beef dripping and add  $\frac{1}{2}$  tsp. garlic salt.

**Hollandaise Sauce**—Beat 2 egg yolks until thick and lemon-coloured. Add  $\frac{1}{2}$  tsp. salt and a dash of cayenne pepper, then beat in 1-3 cup melted butter, adding about a teaspoonful at a time. Combine 1 tsp. lemon juice with 2 tbsps. of melted butter and add this mixture slowly, beating after each addition.

**Parsley Sauce**—Add 2 tbsps. finely minced parsley to 1 cup of Hollandaise Sauce.

**Mushroom Sauce**—Sauté 1-3 cup sliced onions in 2 tbsps. margarine for 10 mins. or until tender. Stir in 1 can condensed mushroom soup and 1 can of milk. Add  $\frac{1}{2}$  tsp. dried thyme and  $\frac{1}{2}$  tsp. salt. (About 2 cups sauce.)

**Bacon Bits**—Cut 3 slices of bacon into  $\frac{1}{4}$  inch squares. Sauté until crisp, stirring occasionally. Drain bits on paper. Carefully mix 2 tbsps. vinegar with 2 tbsps. bacon fat and spoon over hot cooked asparagus. Sprinkle with crisp bacon bits.

**Buttered Crumbs**—Sauté 1 cup fine crumbs in  $\frac{1}{2}$  cup melted dripping until golden brown. Sprinkle over asparagus.

**Cream**—Heat  $\frac{1}{2}$  cup of light cream, sprinkle in salt and 1 tsp. finely chopped nuts for 4 servings.

**French Dressing**—Heat  $\frac{1}{2}$  cup French dressing for 4 servings of asparagus.

**Caper Sauce**—Heat  $\frac{1}{2}$  cup butter then remove from electric element and add 4 tbsps. drained capers and 2 tbsps. vinegar.

**Egg Topping**—Add 2 finely chopped, hard-cooked eggs to  $\frac{1}{2}$  cup melted bacon dripping and serve on asparagus for 6 servings.

#### TAKE A TIP

1. One large bunch of asparagus weighs about 2-3 to 3 lbs. This makes 4 servings—4 or 5 stalks each.

2. Break off tough ends of stalks one by one.

3. Wash after removing scales.

4. Prop the tender heads on sealer rings in a skillet pan. Pour in 2 cups hot water and salt.

5. Cover; bring to a boil and cook 15 mins. or until lower part is tender.

6. Boil tough ends in water for soup—using liquor only.

#### QUESTION BOX

Mrs. S. T. asks for the following recipe:

##### CARMEL CUSTARD

$\frac{1}{2}$  cup brown sugar  
1 pint milk  
 $\frac{1}{4}$  tsp. vanilla  
1 pinch of salt  
3 eggs

Melt and brown the sugar very carefully. Scald milk and add to the browned sugar. Beat eggs slightly, then add vanilla and salt, and when the sugar is melted in the hot milk, pour very slowly over the beaten eggs. Strain, butter custard cups or a mould and pour mixture in. Set in a pan of hot water and bake until, when tried with a knife, it comes out clean. Serve with a caramel sauce.

Mrs. W. R. asks how to cook Lake Trout:

##### BAKED LAKE TROUT

2 lbs. fillets  
1 teaspoon mixed poultry spices, thyme, marjoram, summer savory, etc.  
1 quart of stale bread crumbs as for stuffing  
 $\frac{1}{2}$  cup fried onion (not browned)  
Oil or butter to mix dressing  
Salt and pepper

Oil a glass or enamel baking dish suitable for table service. Place fillets in the dish, sprinkle with salt and pepper. Mix the materials for dressing together, then spread them over the top of the fillets one or two inches deep. Place in hot electric oven, 500 degrees, 15 minutes. For the first 10 minutes invert another pan over the fish to prevent the dressing browning too rapidly, remove the cover for the last 5 minutes. Dressing should be a fine shade of golden brown. Serve, if possible, from the same dish in which it is baked, or cut into square serving pieces and remove to a hot platter with the aid of a pancake turner. Serve with Tartar Sauce.

Anne Allan invites you to write to her in care of the Stirling News-Argus. Send in your suggestions on homemaking problems and watch this column for replies.

#### Recreational Week At Trenton

Next week, May 22 to 27, starts something new and unique in the history of Trenton.

In an all out effort to give the town a full scale recreation programme, a week of entertainment ranging from drama to boxing and from a band concert to free ice cream and candy for children, will be presented with all proceeds going towards planned recreation in Trenton.

"We're not asking people to give something for nothing," chairman of the Recreation Commission Vic Auger, states. "We're giving them entertainment for money that goes to a useful purpose and there will be something to suit everyone's taste."

Among the things Mr. Auger pointed out was the boxing show at RCAF Station Trenton, Monday night. "This show will be every bit as good as boxing fans would see in Oshawa or Toronto," Mr. Auger stated.

"Tuesday night people can attend a band concert by Training Command Band of Toronto at RCAF Station or see Trenton Dramatic Club's hilarious "Tons O' Fun," at the Canterbury Hall.

"Wednesday being a holiday there will be a big programme. There will be a parade of Air Force vehicles over a mile long, free ice cream and candy for the kiddies, and a must for every ball fan in the district—the two ball games, one between the World Champion Tip Top Tailors team and Trenton All Stars, and the other, between Trenton Police and Firemen. To top off the evening there will be a gala street dance and a fireworks display.

"And the rest of the week will be just as good. We have more and better entertainment than has ever been seen in Trenton before. And much of this entertainment is going to be free. We're trying to give the public a good time as well as get recreation rolling in Trenton.

#### Newspaper Mistakes

Every once in a while one hears the remark that newspapers make too many mistakes. Well, don't we all?

Can you imagine that, a newspaper making errors? Yes, they certainly do make errors and heaps of them, and so do people who criticize the mistakes made by newspapers.

Consider for a moment, if you will . . . did you ever hear of the woman who forgot to put the tea in the teapot of hot water; the woman who forgot to salt the potatoes or meat; the lawyer who never lost a case because he made some mistake; the clerk who never made an error putting up an order; the doctor who never made a wrong diagnosis; a postal employee who never put mail in the wrong box; a carpenter who never sawed a valuable board off at the wrong place; or the druggist who never . . . Oh, well, why bother?

That's the idea! Why bother to print the entire list? But it would be enlightening if some of the critics

#### To Save The Soil

It is now being suggested to farmers that the old custom of Fall plowing is one that might better be discarded. Agricultural experts claim that erosion, with consequent loss of valuable top-soil can be prevented by planting a Winter cover crop which is plowed up in the Spring. This cover crop not only conserves the soil during heavy rains, but also prevents it from being carried away by high winds, like those experienced in this district a few weeks ago. — Brockville Recorder and Times.

#### Buys 20,000 Tons of Alberta Coal To Heat Hospitals

Aiming to effect a substantial saving of American dollars and also to further a policy of co-operation between the provinces, the Ontario Department of Health is going to buy 15,000 to 20,000 tons of Alberta coal for use in four provincial mental hospitals next winter. The announcement was

made recently by Acting Health Minister Hon. W. A. Goodfellow.

Institutions which will use the coal are the Toronto Queen St., New Toronto, Penetanguishene and Orillia hospitals. The Health Department is the provincial government's largest purchaser of coal, buying about 75,000 tons annually.

Before the deal was completed, two carloads of Alberta bituminous were tested and found successful. Of the two types tested, a MacLeod River coal was found the better.

To protect a child's good looks and dental health, careful attention should be given to the baby teeth. It is possible that improper care of baby teeth, will cause dental difficulties throughout life.

meet the manager!"

When you take over the farm, one of these days, you'll want to talk to him. You can discuss your affairs in a friendly way, as I have done. And you'll find he knows a lot.

He knows we farmers need bank credit—sometimes to put in a crop, sometimes to take off a harvest. If we need market information, he can get it for us.

Remember when we electrified the farm? Our bank manager made me the loan. He's backed us up that way for years, helping us to improve our stock, increase production.

And that's what our bank manager is there for—to help you and me to manage. He's a good man to know.

## NEWS FOR THE BUSY FARMER

### CHEESE PRODUCTION UP BY 53 PER CENT OVER 1949

More milk has been going into production of butter and cheese in Ontario to this year than last, with much of the increased amount being diverted to cheese production.

Butter production showed a decrease of one per cent in March 1949. On the same comparison there was about twice as much butter in cold storage this year, according to the monthly dairy report of the Ontario Department of Agriculture.

Cheese production, however, went up by 53.7 per cent, a natural trend since the butter market hasn't always been too good while Canadian cheese has always found a demand in Britain.

Total butter production in March was 4,592,000 pounds, while last year's output was 4,636,200 pounds for the same period.

Cheese production for the month jumped from 1,051,400 pounds a year ago to 1,616,100 pounds. And for the first three months of 1950, cheese production in Ontario showed an increase of 38 per cent over the same period in 1949.

In March, Ontario farmers turned 125,594,000 pounds of whole milk into cheese and butter. A year ago these products used up 120,240,000 pounds of milk.

Exports from Canada in February of this year showed increases in cheese, whole milk powder and evaporated milk, and a drop in butter and condensed milk. Cheese exports leaped from 34,400 pounds in 1949 to 316,000 pounds, and at the same time butter exports dropped from 102,400 pounds to 52,000 pounds.

Fluid milk sales in Ontario showed little change in February when compared with the previous year.

### THOROUGH LAND PREPARATION IMPORTANT FOR FIELD

#### TOMATOES

The speed with which field tomatoes can overcome the shock of transplanting and start growing is a very important factor in profitable crop production. Good plants, properly set, and provided with adequate soil nutrients, especially in the form of starter solution, are of course important. Thorough land preparation, a point which is sometimes overlooked in the rush of spring work, is also important.

Tomato plants should be set as early as possible after danger of frost is past but never before the land has been properly and thoroughly prepared. No amount of after cultivation will overcome the adverse effects of setting plants in land which has been improperly or inadequately prepared. Set a few days later, if necessary, but set plants in well prepared soil.

Factors which contribute to speedy recovery and to the growth of newly set tomato plants are important every year. They are doubly important this year. Do not neglect them:

1. Prepare your land thoroughly
2. Set plants deeply and firm soil around roots
3. Use starter solution

### HARVEST HAY EARLY

It pays to cut hay early, for as the plants mature, fibrous, indigestible materials develop and the proportion of protein decreases. The proof of this is seen in the superior performance and growth of animals on early season pasture.

Authorities have proved that the total digestible material decreases by three per cent as red clover plants mature from full head to full bloom, and even more serious digestible protein decreases 35 per cent. With timothy, the condition is even worse, and total digestible material decreases by 5.8 per cent and digestible protein by 42 per cent as the plants mature from full head to just past full bloom.

Weather records gathered over 36 years at the Experimental Farm at Nappan, N.S., show that the average temperature in July is a degree warmer than in August and that July has six per cent more sunshine and 16 per cent less rainfall than August. This is contrary to common belief that as the summer advances the weather becomes more favourable for making hay. What does happen, says E. T. Goring, agronomist at the Farm, is that as the season advances and the plants mature, they become woody and dry and are easier to cure even in less favourable weather. But they have lost a large part of their feeding value.

This is a serious loss that no farmer

can afford, Mr. Goring points out. It can be avoided by cutting the hay crop early, when the plants are at their best, when the digestible nutrients are at their peak and the proportion of protein is high. Made into hay or silage at this time, a nutritious high protein home-grown feed is obtained.

### Achievement Day

The annual Spring Achievement Day for Home Making Club members in South and Centre Hastings was held in Madoc on Saturday, May 6th. One hundred and two girls from twelve clubs completed the unit, "The Club Girl Stands On Guard." During the year these girls had been studying safety first both in the home and on the highway, good health including eating the right food and posture and first aid.

At Madoc each girl exhibited her record book and chart showing what she had done to improve her health and her home living conditions. Each girl had equipped a first aid kit, these were also attractively displayed. During the morning the girls judged low cost family menus and gave reasons for their placings. Each girl identified hazards in the home and stated how they could be avoided.

There was also a safety patrol in which various highway situations were acted out and the girls told whether rules had been obeyed. After a pot-luck lunch served by the members of the Madoc Women's Institute the afternoon programme of skits and exhibits was enjoyed.

Exhibits were placed by eleven

clubs and the topics included "Books I Have Read," "The Way of Good Health," and "It's Great To Be A Canadian." Club members gave three minutes comments on each of these exhibits and those girls were as follows: Betty Chidley, Beverley McKeown, Shirley Kerr, Shirley Donaldson, Eleanor Wright, Eileen Heath, Eleanor Reid, Eileen Cooke, Marilyn Parks, Diana Holmen and Dorothy Sils.

"Skits were on the subjects "Spending Your Time Off," "Our National Pantry Shelf," and "First Aid." These skits were presented by Philipston-Zion, Cooper Remington, Ivanhoe, Rylstone, Wallbridge, Chatterton, Plainfield and Bonarlaw.

To bring the day to a close certificates of achievements were presented by Mrs. Clifford Clancy, President of the North Hastings District Woman's Institute to club members who had completed two, four, eight and ten projects. County Honour Certificates for completing six projects were presented to Joyce McCarey, Doris Alcombrack, Mary Reid, Bernadette Thompson and Lorna Fair. Miss Doris Pollock, secretary of Hastings County Junior Farmers Association also presented each girl and each club leader with a silver teaspoon on behalf of her organization.

Club work in Hastings County could not be carried on so successfully without the club leaders who deserve special mention in this case. These leaders are Rylstone: Merry Maids, Miss Marie Melkiohn; Cooper Remington: Healthy Heroines, Mrs. Albert

Bird; Eldorado Health Healers, Mrs. John Thompson; West Huntingdon: Maple Leaf Club, Mrs. John McInroy; Wallbridge: Fit As A Fiddle Club, Mrs. J. Sine; Philipston-Zion: Continuous Canucks, Mrs. Percy Roy; Ivanhoe: Healthy Hustlers, Mrs. C. Stevenson; Stirling Club Girls, Mrs. L. Rodgers; Queensboro Club Girls, Mrs. Arthur Holmes; Chatterton Girls At Home, Mrs. E. B. Finkle; Plainfield Home-makers Club, Mrs. Violet Elliott; Bonarlaw Canadian Guards, Mrs. W. J. Barlow.

Miss Elsie Irvine, Home Economist for the County, was in charge of the Achievement Day Programme and was assisted by Miss Jean Noble, Miss Flora Durnin and Miss Betty Lucas.

### The Little Cars

Any move by Ottawa which would restrict the sale of small British cars in this country will certainly not be popular with the general public. Despite predictions to the contrary these cheaper, lighter and less fancy vehicles have been widely accepted.

The continued demand, even after most Canadian producers have caught up with backlog orders, prove that there is a market on this continent for a type of car that had previously been almost unobtainable.

The proper way to meet this new competition is not to jack up duties but to reduce costs and operation of American type cars. This should be possible if labour management and above all provincial and Federal gov-

### Mount Pleasant W.M.S.

The May meeting of Mount Pleasant, Woman's Missionary Society, was held on May 10th at the home of Mrs. Milford Wrightman, with sixteen members, six visitors and six children in attendance.

Mrs. John Holmes played soft music and the president, Mrs. Roy Thrasher, opened with a hymn and a poem, "Holy Spirit, Truth Divine," by Samuel Longfellow as a prayer. Mrs. Frank Smith read the Bible lesson. The minutes were read and adopted and roll call answered with "M." The Treasurer reported almost forty-seven dollars to date for this quarter.

The Corresponding Secretary read a letter of invitation to visit Holloway Street, Belleville, W.M.S. on Tuesday, June 6th, at 2.30 p.m. when Mrs. F. W. K. Harris, Peterborough, president of the Bay of Quinte Conference Branch, will be guest speaker. Those wishing to attend are to telephone the cor. secretary.

Mrs. Eric Summers spoke briefly. Mrs. John Holmes gathered the offering of almost eleven dollars and this was dedicated by the stewardship secretary.

The final plans for June 14th at 2 p.m. (D.S.T.) were made when Stirling W.M.S., River Valley W.M.S., Wellman's W.M.S. and W.A., Bethel W.A., Salem W.A., Stirling W.A., Carmel W.A., Springbrook W.A., and Hoard's W.M.S. will be entertained in honour of twenty-five years of union.

The Recording Secretary read full details of the committee meeting held on May 1st. This special service will be held at Mount Pleasant United Church and every lady in this community is invited to attend.

Plans were made for the July meeting, which will be held one week earlier on July 5th, at the Church Hall. At this meeting the W.M.S. will entertain members of the Mission Band and their leaders, Mrs. H. Smith and Mrs. J. Mulhern; members of the Baby Band and their leaders, Mrs. Frank Spencer, Jr., and Mrs. Ross Jeffs and all the mothers. Mrs. W. B. May, secretary of Mission Bands for Belleville Presbyterial, will be guest speaker. The Temperance Secretary read part of a letter re "Drinking in Homes."

Mrs. Percy MacMullen presented another chapter in "Growing With The Years." This was really a summary of the great work undertaken by the Board of Evangelism and Social Service. The United Church believes that all life and all of life is His to save and command. Under its leadership the church all across Canada is opposed to intolerance, racial bigotry, injustice, exploitation of natural resources, whether materials or men, an open Sunday, more outlets for the sale of alcoholic beverages, easy divorce, or anything else that debases human character and separates men from God.

The Crusade for Christ and His Kingdom has kept the United Church vigilant re beer and wine outlets, and the gambling menace. They have taken

on a given stand re-collective bargaining, unemployment insurance, evil literature, commercialized amusements, and the United Church offers the only alternative to Communism.

Our foreign Missionaries have also worked for many reforms in Trinidad, China, India, Angola and Korea. There are eleven institutions for women and girls across Canada and almost half of the girls cared for come from United Church homes. These are glorious investments which pay high dividends. There are School Homes to provide for children from isolated areas; also Mission Centres from Sydney to Vancouver.

Our Missionaries believe in Inter-Racial Harmony, and have children of many nationalities take part in the Christian pageants. A radio service was sent air express to Holland and mothers and fathers there rejoiced that the Gospel of Jesus Christ was preached in Canada in Dutch. We also have deaf, dumb and blind schools overseas.

Missionaries have always been concerned about the World's hunger, so we have agricultural experts in several areas. Here farmers are taught farm management, personal and social hygiene and all study the Bible together. Missionaries have almost a monopoly of the care of lepers in India and the Chapter closes with a true story related by Dr. W. E. Strangway. Across Canada and around the world our institutions "let their lights shine so that men may see their good works and glorify our father who is in heaven."

Mrs. Thrasher in commenting on the Chapter expressed the wish that some day we here at Mount Pleasant might have a real Missionary of our own.

Mrs. Will McAdam sang "Sweet Hour of Prayer." Mrs. Will Potts gave a paper on "Prayer's Such a Privilege," and "The Value of Little

Things." Mrs. Frank Jeffs read a Mother's Day poem by Edgar Guest. Mrs. K. Weaver read "A Tribute to Mother." The hostess was thanked for hospitality and the visitors welcomed.

### Hastings Co. Boy Dies At Mildmay

Robert C. Thompson, 48, one of the partners in the Thompson Creameries at Mildmay, passed away very suddenly at his home in Mildmay early Saturday morning, May 6th. Death came in the form of a heart attack and was instantaneous. He had been in his usual good health and his passing came as a definite shock to a wide circle of acquaintances and friends in both Teeswater and Mildmay.

"Bob" Thompson, as he was better known, was born in Hastings County. He was the youngest soldier to enlist in the Canadian Army in World War I, joining the 80th Battalion when 13 years of age. His age was discovered and he was sent home, but not before he went overseas and took part in the battle of Vimy Ridge. He re-enlisted at the age of 16, again going overseas for the rest of the war.

The late Mr. Thompson took a keen interest in fraternal work and was a past master of Teeswater Masonic Lodge, a past superintendent of the R.A.M., a Knight Templar of Stratford Lodge, and a member of Teeswater I.O.O.F. For some years he had been secretary of Mildmay Rotary Club. He was a member of St. Paul's Evangelical United Brethren Church, Mildmay.

Surviving besides his wife are two sons; also his father, R. W. Thompson, of Teeswater, and five brothers.

The funeral was held on Monday afternoon in St. Paul's Evangelical Church, Mildmay, with an exceptionally large crowd gathered to pay their last respects. — Teeswater News.

### Campbellford Choralians Delight Local Audience With Music

Visitors Prove Versatile and Accomplished Artists — St. Andrew's L.A. Sponsors

Music lovers in Stirling and district were given a rare treat on Monday night when Campbellford Choralians presented a concert in St. Andrew's Presbyterian Church, under the auspices of St. Andrew's Ladies' Aid.

Rev. W. H. V. Walker welcomed the large audience and introduced the Choralians and their guest artists, who proved to be an outstanding group of musicians under the able direction of their gifted leader, Mrs. A. G. Watson. Mrs. Geo. Nicholls accompanied them at the piano.

A feature of the programme was a group of solos by Francis DeCarroll, winner of the highest honors in men's solo work at the Festival of Music held in Toronto recently. Included in his numbers were "The Lord's Prayer," and the "Pilgrim's Song." The programme was as follows:

The Passion Chorale, (Bach) Ave Maria, (Bach-Gounod) Hear Our Prayer, (Rubinstein) by the Choralians; A Birthday, (Woodman) The Trout, (Shubert) by Georgina DeCarroll; Spinning Chorus, (Wagner) Song of the Pedlar, (Williams) Spring, Lovely Spring, 5 parts, (Grieg) by the Choralians; Romance, Op. 24, No. 9, (Sibelius) Andante Celebrate, Sonata, Op. 14, No. 2, (Beethoven) by Anne Nicholls; On Market Day, (Purcell) Old Mother Hubbard, (Set in the manner of Handel), (Diack) Peter Piper, (Bridge) by the Choralians; Elf and Fairy, (Densmore) by Muriel Heagle; When I was Seventeen, (Scandinavian Folk Song) by Valerie DeCarroll; Hedge-Roses, (Schubert) by Marian Wallace; Twenty-Eighteen, (Folk-Song arr. Deems Taylor) Night Fall, (Liszt) Mah Lindy Lou, (Strickland) by the Choralians.

Following the concert the visiting artists were entertained in the Church basement, where a dainty lunch was served.

Mrs. E. Bradburn, of Campbellford, was a guest this week of Mrs. W. T. Preston.

Mr. and Mrs. Walter Elliott were in Niagara Falls Monday and Tuesday attending the annual convention of the Federation of Automobile Dealers.

Glenn Morrow and J. B. Belshaw attended Synod Diocese of Ontario in Kingston on Tuesday and Wednesday of last week.

Mrs. Chas. Porter, of Windsor, arrived Tuesday to spend a week with her parents, Mr. and Mrs. C. I. Hutton.

Miss Hazel Sprague spent the week-end with her sister, Mrs. Volney Richardson, and attended graduation ceremonies in Kingston on Saturday. Mrs.

### BALL GAME DEFINITELY "ON"

After days of uncertainty during which the game was "on," then "off" and "on" again, it was finally settled just before going to press that "Turk" Broda's All-Stars will fill their engagement here on Saturday night as scheduled.

So, despite all rumours to the contrary, you may tell your friends that the ball game is "on" at 8.30 Saturday night. Come yourself and bring your friends to see the National Hockey League stars in action.

Tickets may be obtained from any member of the Rotary Club. Gate prizes of \$15.00, \$7.50 and \$5.00 are offered. So get your tickets at once and help the Rotary Club in their crippled children's work.

### Convene Here

The annual convention of the Women's Auxiliary of the Presbytery of Belleville, United Church of Canada, is being held in St. Paul's Church here today. Over four hundred delegates are said to be in attendance.

### Milk Report For Month of May

Following is the report of the Ontario Department of Health on the milk from Stirling Dairy for the month of May: B Coll Count, 0; Standard Plate Count, 2,000; Per Cent Butter Fat, 3.30

### Funeral of Mrs. Jas. E. McMullen

The funeral of Mrs. Jas. E. McMullen was held Wednesday afternoon at the home of her step-daughter, Mrs. Lorne Bailey, and her Pastor, Rev. H. A. Beare, of Springbrook United Church gave a comforting message from the text, "Jesus Christ is Our Advocate."

The congregational hymns were "Rock of Ages," and "Abide With Me," with Mrs. Carman Sine as pianist, and Mrs. H. A. Beare sang, "In The Garden."

The bearers were Messrs. Carman Sine, Harry Heath, Walter Danford, George Thompson, Kenneth Thompson and Albert Cooke.

Interment was made in Stirling Cemetery beside her husband.

### Richardson returned with her to market to spend a few days with her mother.

Mr. and Mrs. Frank Wood and Mr. and Mrs. Volney Richardson attended the graduation exercises in Kingston last Saturday. Miss Mary Lanigan received her B.A. and Mr. Frank Friesen received his B.A. with Honours, a medal in German, and the Susan Near Scholarship in German.

Recent visitors at the home of Mrs. Carrie MacConnell were Mr. Rupert Laird and his mother, Mrs. Lillian Laird, and Mrs. Lillian Stevenson, of London; Mrs. E. L. MacConnell, of Toronto, and Mr. and Mrs. A. H. MacConnell, of Brighton.

Mr. Geo. O. Vandervoort, of the Bank of Montreal, Killam, Alberta, spent the week-end with his parents, Mr. and Mrs. Arthur Vandervoort en route from Montreal where he had been taking another course in Bank management. George started his career in the Stirling Branch 25 years ago and after a short time in Bowmanville, was sent to Lethbridge, Alberta, 22 years ago. On his return home he is being transferred to Taber, in southern Alberta.

### EMPIRE DAY AT PUBLIC SCHOOL

Each room at Stirling Public School commemorated Empire Day by following the course in the Empire Day Booklet, published by the Department of Education.

One of the added features however, was the making of a salt map showing the topography of some part of the British Empire. Much added interest was given to this project as the I.O.D.E. had donated four prizes.

These projects were judged on Tuesday afternoon by the I.O.D.E. Regent, Mrs. B. Bell, Mr. Baker and Mr. Anderson and prizes awarded to Tommy Wells, Helen Irish, Ruth Brady and Bobbie McCrory.

The teachers and pupils are indeed grateful to I.O.D.E. for their interest in this work and to the judges for giving their time and effort.

### Winner of Bursary

Congratulations are extended Donald B. Wilson, of Stirling, on winning a Dominion-Provincial Student Aid Bursary in his third year at Ontario Agricultural School, Guelph. Donald is a son of Mr. Foster Wilson and the late Mrs. Wilson, and a former student of Stirling High School.

### Open Swimming Season At Oak Lake

The Old Swimming Hole, Oak Lake, was officially opened for the season on Thursday, May 18th, when three lads from Belleville were the first to duck in at Searles' Beach. Last year Stirling boys took the first plunge, but so far as we know, the Belleville boys got the start on Stirling this year. The lads were Bob Crull, Pat Holland and Doug Haley. They biked up about 10.30 and had three dips before they were satisfied that the water was warm enough (maybe) and went back to Belleville after cooling off with ice cream at the canteen!

### I.O.D.E. ATTENDS ST. ANDREW'S

Headed by Honorary Regent Mrs. E. Luery and Regent Mrs. R. B. Bell, the members of the Hon. J. R. Cooke Chapter, I.O.D.E. attended Divine Worship in St. Andrew's Presbyterian Church on Sunday morning at 11.00 a.m. Regent Mrs. H. Scott and several members of the Campbellford Chapter I.O.D.E. were guests.

Rev. W. H. V. Walker welcomed the members of the I.O.D.E. and delivered an appropriate sermon from the text "Bear ye one another's burdens, and thus fulfil the law of Christ."

"Mutual dependence is a law of the universe," stated Mr. Walker. "Christ expects us to take a deep interest in one another. The gospel is a gospel to us just because it calls us out of ourselves to practise active charity."

"This is your 50th Anniversary, and it is a great occasion to be able to look back upon a half Century of good work, and we are happy to share with you in the service of thanksgiving and rededication," asserted Mr. Walker.

"Freedom is one of the great watchwords of democracy, but freedom must be balanced by responsibility if democracy is to endure. Freedom and responsibility are linked up in our text."

"Another watchword is loyalty. God works through loyal followers. Sacrifice is also a great watchword. Our Christianity is based on this fact. Our British Empire is an example — a witness to what can be accomplished through sacrifice and loyalty and brotherhood. Christian sympathy produces active philanthropy. Adopt Christ's way of mutual service. Give heart and soul and mind and strength to serve the King of Kings," concluded the speaker.

Special music included a solo, "Green Pastures," by Miss Marilyn Eggleton, and an anthem, "Trust Ye In The Lord," by the choir.

### CAR AND TRUCK IN COLLISION

Considerable property damage resulted when a truck owned by Warren Motors and driven by Cameron Montgomery, was in collision with an Oldsmobile car owned and driven by Clifford Sharp, of Wellmans at the corner of Mill and North Sts. Tuesday afternoon.

The car was proceeding north when the truck, coming off Mill St. onto the highway, struck it broadside. Constable S. Eggleton and a Provincial Constable investigated the accident.

### Has Operation

Bill Scott underwent an appendectomy in Belleville General Hospital on Thursday night last. Latest reports are that his condition is satisfactory.

### River Valley W.I. Stages Social

On Saturday evening, May 20th, River Valley W.I. held open house in the Legion Hall, Stirling, with the express purpose of raising funds for their share of the West Hastings District W.I. project for Trenton Hospital. The Group realised almost seventy dollars for the fund.

The W.I. Directors will canvass the balance of the homes at an early date, as the money will be handed over to Trenton Hospital Committee in a special ceremony when West Hastings District celebrates its 50th Anniversary on June 1st at Stirling. One thousand dollars is the District's share and River Valley W.I. is over \$140.00.

The games were in charge of the President, Past Presidents, Secretary, and other assistants and the prizes were all worthwhile. This group cleared over twenty dollars.

Tea and cake were served to several guests and this with the home cooking and candy booth cleared around thirty-five dollars. Mrs. Earl Morrow, Mrs. Alex Bush and Mrs. Roy Bush convened this work and about a dozen W.I. members assisted.

The main items for sale were fresh eggs, tarts and cookies of all varieties, while pies, cakes, asparagus rhubarb, cream, Jelly, maple syrup and other items sold rapidly.

The highlight was home-made candy when pounds of every variety were sold with a small amount auctioned off at 11.30 p.m. by Mr. E. Heasman.

Mrs. Ed. Heasman donated an Angel Cake with delectable icing and over twelve dollars worth of tickets were sold. About closing time little Jean Anne Mayhew, daughter of Mr. and Mrs. X. P. Mayhew, drew the winning ticket, (No. 1) the winner being Mrs. Perry Bronson, of town.

Several of the members' husbands assisted and the evening was a success. The President, Mrs. Don Donohoe, thanked all for their assistance.

### Letter to the Editor

The Editor, News-Argus, Stirling, Ont. Dear Editor:

On behalf of the National Officers, I should like to tell you once more, how sincerely grateful we are to the press of Canada for the generous cooperation and the strong editorial support given the Canadian Red Cross Society in the 1950 Campaign. Such support has played an important part in the success of the Appeal.

We are pleased to be able to advise you that the 1950 Appeal is approaching a successful conclusion, and that when we have heard from the localities where delayed campaigns have been — and are still being — held, the success of the campaign will be ascertained.

For your help and that of your publication, please accept our grateful thanks.

Yours sincerely,  
Mrs. J. R. Nain  
National Publicity Director.

### DONATIONS MAY BE LEFT WITH F. R. MALLORY, TREASURER

#### Scouts To Sell Candy

Members of Stirling Boy Scout Troop and Wolf Cub Pack will be selling candy on Saturday next in aid of a fellow Scout, Bruce McGregor, of Castleton, Ont. Bruce suffered the loss of his legs in an accident, and the Boy Scouts, headed by the Belleville Leaders Club, are endeavouring to raise sufficient funds to purchase a pony for him.

#### Executive Met

On Tuesday evening, May 16th, the new president of River Valley W.I., Mrs. Don Donohoe, held an executive meeting at her home with Mrs. John Kane, District Director; Mrs. Roy Bush, District President; Mrs. J. L. Donohoe, Secretary; Mrs. Stanley Irvine and Mrs. Ed. Heasman, Directors; and Mrs. Percy MacMullen and Mrs. Hugh Jones, Conveners in attendance. The year's programmes were planned with topics and roll calls and lunch committees. Final plans were made for the social evening to be held at the Legion Hall.

The hostess served refreshments and was thanked for her hospitality. The June meeting will be held one week later, on June 8th, at the home of Mrs. Jennie Donohoe.

#### Death Claims

##### Mrs. Allan Bailey

The funeral of Mrs. Allan Bailey was held in Mount Pleasant United Church on Monday afternoon, May 22nd, and was largely attended by relatives and friends.

The service was conducted by her Pastor, Rev. H. C. Vachavik, who based his message on the text "She Hath Done What She Could." The congregational hymns were "Rock of Ages," and "Safe In The Arms of Jesus." Mrs. Margaret McMullen sang "Face To Face." A former Pastor, Rev. N. Cole, of Hastings, assisted with the service.

The bearers were Messrs. John Holmes, Ross Hoard, Roy Thrasher, George Weaver, Carleton Potts and Gordon Linn.

Mrs. Bailey was a charter member of Mount Pleasant Woman's Missionary Society which was organized in June 1901, and she has been a continuous member ever since, having served as president for five years from 1911 to 1916. She has been Honorary President for several years. Fourteen members of the W.M.S. sat in a body during the service and followed the mourners to the Cemetery as a last tribute to one who will be greatly missed. She has been a life member since 1927 and attended the April meeting of this year, just previous to her last illness.

Mrs. Bailey also served as a Sunday School teacher for several years and was always interested in her church.

She was formerly Martha Alberta Reid, daughter of the late Caleb Reid and his wife Mahala Pittman. She was born in Thurlow Township eighty-five years ago, and came as a young bride to Mount Pleasant.

Two daughters, Vita Locke and Flossie Turner, and her husband predeceased her. She leaves to mourn two sons, Charles A. Bailey, of Regent, Manitoba, and Garnet Bailey, Toronto. Her granddaughter, Isobel Turner, of Belleville, who has lived with her grandmother since childhood, and who spent the last few days with her at the "Green Trees" Rest Home, Trent Road, where Mrs. Bailey passed away early Saturday morning. There are also eight grandchildren and eight great grandchildren.

Interment was made in the family plot beside her husband in Mount Pleasant Cemetery.

#### Stirling, Rawdon and Sidney Councils Support Campaign — Committee Formed

Citizens of Stirling and surrounding community will be given the opportunity of doing their bit towards the relief of the flood victims in Manitoba, according to plans made at a meeting of the Village Council and interested citizens yesterday.

Reeve Wilfred Spencer and Council of Rawdon Township, and Reeve Ben Blecker and Council of Sidney Township, have signified their willingness to co-operate in a all-out community drive for the fund. A committee of H. R. Tompkins, Rev. A. J. Anderson and F. R. Mallory, Village Treasurer, has been named to publicize the campaign and take charge of the contributions.

Nothing need be said or written of the urgent need for funds — everyone is conversant with the great material loss suffered by the residents of our sister Province. Let's all do our bit in this national emergency.

A special appeal is made to Women's Institutes, fraternal organizations, church organizations, Junior Farmer organizations and service clubs to support this worthy project.

Donations may be left with or mailed to F. R. Mallory, Village Treasurer, who will issue official receipts for same. Officials of the Finance Department at Ottawa have announced that any donations made to the Manitoba Relief Fund will be exempt from Income Tax. Donations will be publicly acknowledged through the columns of the News-Argus. All cheques should be marked for this fund.

#### Wellman's W.I.

The May meeting of Wellman's W.I. was held on Wednesday afternoon, the 17th at the home of Mrs. Paul Sharpe. The meeting opened with the Institute Ode and Lord's Prayer. The roll call "My newest discovery in the vegetable garden," was well responded to. The topics "Modern Medicine and its uses," and "what to do until the Doctor comes," were chosen as short courses.

The programme consisted of readings by Miss Ruth Clancy and Mrs. Douglas Clancy, and community singing led by Mrs. F. Beckett. Mrs. Clifford Clancy gave a short paper on Agriculture.

A splendid paper was given by Mrs. Omah Dracup based on health, "Feed the family what they require rather than what they desire." In her address Mrs. Dracup brought out the facts that, in spite of so much food in Canada many families suffer from malnutrition. She spoke of the value of vegetables; more vegetables on the table means less medicine in the cabinet.

The meeting closed with the Creed and God Save The King. Lunch was served by the hostess and lunch committee. Mrs. Chas. Dunham moved a vote of thanks to Mrs. Sharpe for opening her home for the afternoon.

### St. Andrew's W.M.S.

The May meeting of St. Andrew's W.M.S. was held at the home of Mrs. Earl Fox on Tuesday evening. Miss Gena Spry presided over the devotion at part of the meeting, after the reading of the Scripture Lesson, Miss Spry led in prayer. Mrs. W. L. Munroe conducted the roll call, which was responded to by a verse of Scripture in which the name Jesabel was found. Mrs. W. H. V. Walker gave the life history of Queen Jesabel. She was a sweet loving little baby. Her mother hoped that she might be a blessing to

her woman-kind, and an honour to her. The name Jesabel means purity, but she certainly disgraced it. As King Ahab's wife, she wielded a strong influence for wickedness. How sad that such a beautiful and talented child should live such a life and come to such an end. How much good she might have accomplished.

Mrs. R. H. Williams read a letter from the Presbyterian Glad Tidings Secretary urging for an increased number of subscriptions for the magazine on account of this being the Jubilee Year in the life of our society.

Mrs. W. L. Munroe had charge of the second part of the programme. After the singing of a hymn Mrs. Don Fargy gave a splendid reading "For what cause were we born?" God's word would have us know that behind every life is some purpose, a high and holy one. You may think lightly of yourself. You may say, I am too poor and weak to do great things. In spite of your disbelief God has sent you into the world for a good purpose. There is a work that only you can do, a work that will be left undone if you do not do it. To do that work is the reason you are in the world. There are millions of places to fill and millions of tasks to be done. Which one is mine? First, fill the place where you are. Do first the duty closest to you. Though seemingly small do it as unto God. Soon you shall know why you were sent into the world and what business yours is.

Mrs. E. Hoard gave the topic. The Japanese are looking for Missionaries. The strength of the Church in Japan was sapped during the war years, but in spite of the lack of pastors some new preaching stations have been founded. Since the war it has not been smooth sailing in Japan, but the people have more hope than in Germany. There is a great eagerness to learn about Christianity and no time so favourable to our work.

The story of the life of Miss Caroline McDonald, who was at one time the National Secretary in Japan, was most fascinating. Through her intense love for the more unfortunate humanity she resigned that post and spent her time visiting the prison cells and bringing help to the outcasts. She had wonderful faith in humanity. She had no one who would not respond to sympathy and kindness. The misery which she encountered made her wonder how such things come to pass in God's World. In 1925 she was presented with a silver cup in recognition of her work in the prison cells, where she brought the comfort of the Gospel to the unfortunate people. She was called the white angel of Tokyo.

The singing of a hymn and the benediction brought this part of the meeting to a close.

Mrs. E. Fox and her young assistants served a dainty lunch and a social half hour was enjoyed. Mrs. R. H. Williams on behalf of the Society thanked Mrs. Fox and any who had

taken part in this most helpful programme.

## St. Paul's-Carmel Silver Jubilee Year Briefs

(By Rev. A. E. Baker, U.E.)

The Belleville Presbytery has recommended special services to Women's Institutes, Junior Farmers and kindred organizations. St. Paul's-Carmel will be glad to make available opportunities for such services to all organizations in this area.

An invitation has already been extended to the Junior Farmers to hold their annual or special service at St. Paul's or Carmel this year.

The first Women's Institute in the world was organized in 1897 in the village of Stony Creek, by Mrs. Adelaide Hoodless, of Hamilton. There are now over 1,400 organizations with nearly 50,000 members. Congratulations.

Our Moderator the Rt. Rev. Willard Browning has issued an appeal to all United Church folk to support the call for help to flood sufferers in Manitoba. Special gifts should be made to Mrs. Charlie Bailey, at Carmel, and to Mr. C. E. Macklin, at Stirling.

The village of Stirling, with its scores of loyal descendants could enhance its appearance to visitors and thrill its people by flying Union Jacks from all its flag staffs every day. Early May visitors have expressed surprise in the absence of flags at the Post Office, War Memorial, Community Hall and Schools. A welcomed flag graced the Post Office flag staff this week.

This Pastoral Charge is called to raise \$1,640 this year for the Missionary and Maintenance Fund — sometimes called M and M or "More and More" Fund. The Young Adults of Carmel have decided to double last year's gift. The special 1950 appeal will be made on Silver Jubilee Sunday, June 11th. It is hoped that everyone will approve of this change from December by giving generously. This fund has already voted \$10,000 to the Manitoba Flood Emergency Fund.

Your M and M gifts have helped to make possible the Batawa Church, which was dedicated last week. The Home Mission Board loaned \$4,000 toward the erection of this fine edifice.

A recent Roman Catholic advertisement carried their commendable slogans: "The family that prays together stays together," and "A world at prayer is a world at peace."

Lt.-Col. Lambert, O.B.E., who enlisted while a probationer for the Methodist Ministry in Alberta, lost a leg while serving in the ranks in France. He was appointed Chaplain soon after the close of World War I, and served at Christie St. Military Hospital for twenty-five years. Col. Lambert was appointed recently chairman of the committee authorized by

the city of Toronto to deal with all problems that might result from an atomic war. Lambert Lodge is the name given by the city to old Christie Street Hospital, now a home for the aged in honour of the great service rendered by Col. Lambert. Some years ago veterans as a token of their esteem, presented him with an oil painting of himself which adorned the reception hall at Christie St. Col. Lambert not only received the Prince of Wales, King George and Queen Elizabeth, but an unending line of Notables from every walk of life. More physicians are said to have gathered at his farewell service than had ever hitherto been seen at a service in Canada. The village of Stirling will be greatly honoured by the visit of Col. Lambert on Sunday, June 11th.

Sunday School Anniversary Services will be held at 11.00 a.m. and 8.00 p.m., on Sunday, June 4th. Supt. J. L. Good will preside.

Flowers including lilies and blossoms will be welcomed for church services, especially in connection with our Sunday School Anniversary.

In 1857 the Stirling Mill had a capacity for 800 bushels of wheat daily. A woolen mill also flourished at that time in the village.

The sympathy of St. Paul's congregation is extended to Mr. Morley Phillips and his loved ones in the death of his mother.

R.C.A.F. trumpeters from the Trenton Command sounded the fanfares, Last Post and Reveille at the special Empire Day Service at St. Paul's last Sunday.

Carmel Sunday School has purchased a beautiful silk Union Jack to be used to adorn the pulpit at all memorial and national observances.

The Minister expects to be in residence all summer and services will be conducted as usual at St. Paul's and Carmel. All choir members will "carry on" as usual.

It is expected that all "old sweets" and "young vets" will embrace the opportunity to hear the beloved Padre Col. Sidney Lambert on Sunday, June 11th.

### Entered Into Rest

MRS. SUSAN MOSHER

Early on Sunday, May 13th, there passed away at the home of her daughter, Mrs. Cora Reid, one of this district's oldest residents, Mrs. Susan Mosher.

Mrs. Mosher celebrated her ninety-fourth birthday on April 22nd, and had spent most of her married life on the farm near Springbrook. She was a member of the Springbrook United Church, where she was a regular attendant, as long as health permitted.

Funeral service was conducted Tuesday afternoon in Springbrook United Church by Rev. Beare. Many friends

attended to pay their last respects to one whom they had long known and honoured.

Mrs. Mosher leaves to mourn her loss, three daughters, Mrs. Lyla Moore, of Belleville; Mrs. Clarence Runnals, of Harold, and Mrs. Cora Reid, of Seymour Township; also a son, Glendon, of Killarney, Man. Her husband predeceased her several years ago; also a daughter, Jessie, (Mrs. Fred Wiley) and the oldest son, David, who passed away in March of this year. Three sisters and a brother also survive and several grandchildren and great grandchildren.

The pall bearers were Messrs. Geo. Thompson, Hiram Mumby, Orrle Barton, Robert Scarlett, Stanley Finch, and Will Rutherford.

Flower bearers were Messrs. Chris Bateman, Thomas McKeown, Vernon Runnals, Bob Runnals, Earl Finch and Porter Dier.

Interment was made in Mount Nebo Cemetery.

### MRS. MABEL VICTORIA McMULLEN

Mrs. Mabel Victoria McMullen, widow of James McMullen, Harold, died at the McKee Nursing Home, Stirling, on Monday after an illness of nine months duration.

The late Mrs. McMullen, who was in her 62nd year, was born at Taunton, Ontario, and was a daughter of the late John Lander and his wife the late Margaret Davis. For some years she lived at Oshawa and for the past nineteen years she made her home at Harold. She was a member of the United Church.

Surviving her are two stepsons, Malcolm McMullen, Springbrook, and Ralph McMullen, Batawa, one stepdaughter, Mrs. Lorne Bailey, Harold; one brother, Newton Lander, Toronto, and one sister, Mrs. James Stainton, Oshawa. Her husband died in 1942.

The funeral was held from the residence of her step-daughter, Mrs. Lorne Bailey, Harold, on Wednesday, May 24th. Service in the home at 2.30 p.m. Interment in Stirling Cemetery.

### Radon Council

### Building of School Delayed

When it was announced a couple of weeks ago that the contract for the erection of the new High School in Marmora had been awarded to the St. Lawrence Construction Co. of Belleville, it was thought the many difficulties and delays had at last been overcome and the construction of the new school would start very soon. The Department of Education had given its approval and the requirements of the Ontario Municipal Board, as far as they could be ascertained, had been

complied with.

After a lot of delay the Municipal Board has stated that owing to a By-Law forwarded by the Township of Rawdon, requesting to be allowed to withdraw from the school area, the matter will have to be referred to the June Session of the County Council before the Municipal Board will grant its approval.

That does not mean a school will not be built, no matter what the decision of the County Council may be, but it might upset all the present arrangements or confirm the present

area and leave plans as they stand, but in any case it will mean a lot of delay. The new turn of events has caused a great deal of disappointment in the district. —Marmora Herald.

Spring fever is okay — in the right place, at the right time. But it's definitely not okay when walking across a street, or driving a car, or riding a bike. Sheer self preservation demands that you stay alert, watchful and careful in today's traffic.

### Barrel Rat Trap Almost Perfect

There's one thing a farmer will never admit without wincing. That's the number of rats in his barn.

Not that it's any reflection on his work as a farmer—there's only one almost fool-proof way of getting rid of them—but he always feels uncomfortable in making the admission.

A sense of unbridled hatred comes upon the man who discovers a large section of his grain bin converted into hulls or bags of grain ripped open and their contents scattered. Mashed eggs and gnawed roots and fruit have the same effect.

Numerous rat-killing methods have been tried, from shooting to using ferrets. All are slow when as many as 500 rodents infest a single barn. Cats are effective — if the rats don't get them first.

For all his cunning there's one trap the rat's curiosity will finish him off nearly every time. That's the common rain barrel.

The barrel is set so rats can run along their paths and leap on to its head to feast on bait left there. After a few days the head is removed and balanced on a centre-rod, so that any weight will be tipped into the barrel, which is half-filled with water.

When the rat jumps on to it for its customary hand-out, he is thrown into the water and the head swings back into place.

Farmers who use this trap say it is fool-proof and over a period of weeks will catch all the rats in a barn.

Hello Homemakers! When a girl asks her mother to call her early in the morning, it's because there are many things to be done and an early start is in order. May is the month of early rising with many social functions on the calendar. The June bride's showers are being arranged. Women's clubs end the year's meeting on a gala note. Graduation parties are eagerly anticipated. Since parties may be breakfast parties, noon luncheons, afternoon teas, banquets or buffet suppers, we should discuss the basic rules for successful menus.

1. Avoid foods that spoil on standing.

Such foods are waffles, souffles, French fried potatoes, baked potatoes.

2. Avoid foods with texture or flavour that people may dislike. Such foods are raw oysters, sliced tongue, green onions or casserole of highly spiced foods.

3. Avoid colouring foods with harsh blue green or purple tints.

4. Avoid planning foods that will all have to be cooked, either in an oven or on top of the range.

5. Avoid foods that will be difficult to serve in uniform and attractive sizes or pieces, such as swiss steaks, or rolled beef rounds.

6. Avoid monotony in colour, shape, size, texture and flavour.

#### THE QUESTION BOX

Mrs. J. C. asks for the following recipe:

#### PUNCH FOR 50

Make a syrup by boiling for 10 minutes:

1½ cups water

2½ cups sugar

Reserve ¼ cupful of this. Add to the remainder, stir, cover and permit to stand for 30 minutes or more:

1 cup lemon juice  
2 cups orange juice  
1 cup strong tea  
2 cups grapefruit juice, pineapple juice or crushed pineapple  
2 cups fruit syrup, raspberry  
1 cup maraschino cherries with juice

Strain these ingredients. Add ice water to make about 2 gallons of liquid or add ice water to make 1½ gallons of liquid and add at the last minute:

1 quart charged water

If you find the punch lacking in sugar, add part or all the reserved sugar syrup.

#### HAM LOAF FOR 50

Combine:

12 beaten eggs

6 cups milk

12 cups cooked ground ham

6 cups condensed tomato soup

3 cups minced celery or grated carrots

3 cups soft bread crumbs

6 tablespoons chopped parsley

1 cup grated onion

1½ tps. dried savory (optional)

Place these ingredients in buttered pans. Bake the loaf in a moderate electric oven, 350 degrees, for about one hour.

## Sink Gold Mine In Marmora Twp.

Sopha Miller Gold Mines Limited have started operations on their mine on Lot 6 of the First Concession of Marmora and Lake Township. Erection of the buildings commenced last Thursday and sinking of the shafts is expected to commence about June 15th. This project is financed by American capital.

Burton Sopha, Cordova man, who has spent many years in mining in the Cobalt district, is the one from whom the mine takes its first name.

## Province To Train Summer Counsellors

The Ontario Department of Education will conduct Camp Counsellor Training Courses for boys at Bark Lake Camp, Irondale, Ontario, during July and August this year.

A recent memorandum to Secondary School Principals urged that all boys, 15 years of age and over, who meet the academic and personal qualifications be given an opportunity to apply for this training. Church organizations, service clubs and community centres may also sponsor boys for this course, according to Gordon Wright, Director of the Physical and Health Education Branch, Department of Education, Toronto.

"We believe that this is one of our most worthwhile summer projects," says Mr. Wright. "Our records show that there has been a rapid increase in the number of summer camps in the last three years. Trained counsellors must be provided to take care of these children. Our course also provides opportunity for gainful summer employment for hundreds of senior students in our Ontario schools and colleges."

The training camp is situated on Bark Lake in 1,500 acres of natural woodland. Rock outcroppings, virgin forest, and second growth saplings make a natural setting for the study of geology and conservation. The lake itself has seven sand beaches, and all the natural conditions for thorough training in camp life. Living facilities at the camp are modern and comfortable. A staff of 15 instructors is maintained to train 100 students in each course.

"Applicants must be 15 years of age and fulfil reasonable academic qualifications," Mr. Wright points out. "There is no fee for the course and travelling expenses exceeding \$10.00 will be re-funded by the Department of Education. Three groups can be accommodated this summer, with courses beginning July 6th, August 1st and August 17th. Two training courses for girls will be conducted at Belwood Lake near Fergus, Ontario, beginning July 6th and August 1st.

"Interested students, parents or service clubs who wish to sponsor applicants should contact their local Secondary School principal, or apply immediately to the Counsellor Training Courses, Physical and Health Education Branch, Department of Education, Toronto 2.

"Our course is particularly useful for Ontario Churches and service clubs who are sponsoring camps in various parts of the Province," says Mr. Wright. "Expert athletic ability is desirable, but not essential. Physical fitness, a capacity for leadership and a real interest in some phase of camp life, are the main requirements for a good counsellor."

## Bancroft To Have Municipal Building

The election on Monday to give the municipal council authority to raise debentures for the sum of \$15,000, for the purpose of purchasing the property of Maxwell Motor Sales on Hastings Street, attracted approximately half of the property owners to the polls.

With some 277 ballots cast, there were 115 No; with 160 Yes; giving a majority of 45 in favour of the council going ahead and raising the \$15,000 for the purchase of the property.

The council has in mind renting a portion of the building to rural hydro for offices, garage and storage space, as well as using it for all municipal offices and fire station. —Bancroft Times.

## The Village Smithy

The passing of the smith and his anvil is a sign of the times and a recollection of the way our fathers lived in the wake of the pioneers. The smithy was a business by day and a club by night, a meeting place for farmers, and an open forum for one and all.

There was a rich democracy about the gathering around the anvil, and the children had their fun there too. Sentimentally we regret its passing.

but it was certainly an arduous trade calling for mighty men of Herculean men who seem to be going the way of all flesh in this machine age. —London Free Press.

## Woodchucks Chuck Bricklayers Lay

An old saw which farm boys never cease to enjoy chanting, "How much wood would a woodchuck chuck if a woodchuck would chuck wood?"

How many bricks would a bricklayer lay if a bricklayer would lay bricks? Under union slow motion the results would not be worth mentioning in either case.

Smallpox is practically unknown in Canada because of vaccination. Medical authorities point out, however, that this is no reason to discontinue the vaccination procedure—because vaccination is the only sure check against a disease which disfigures where it does not kill.

Forty is the time to take a health inventory—particularly if periodic medical examinations have been neglected prior to that age. At forty, the insidious, progressive disorders so significant in later years generally first become manifest.

## "Drive and Walk with Care

## As Motor Traffic Increases"

— Minister of Highways

Travel by motorists and pedestrians promises to reach a new peak volume this year.

The seasonal upswing in holiday motor travel has begun. More vehicles than ever before are operating on Ontario streets and highways. Pedestrian hazards are increased.

Extreme care must be exercised by all to prevent accidents. Pedestrians are urged to walk carefully.

### Tenders Called For New School

Tenders are being called for the construction of a six-roomed public school for Stirling. The new building will be built on the site on Church St. at the rear of the present structure.

There are more sensible ways of boosting a woman's morale than buying her a new hat, but there is none surer cheaper.

### Sidney Public School Area

The Sidney School Area Board held two meetings in May to carry on the business required. A regular meeting was held at Wallbridge on the regular night and a special meeting was held at Avondale School on Monday night.

All members were present. Besides the regular business was the report of the Teacher Committee. Resignations had been received from Mrs. L. Arbuckle, who had accepted a position on the Frankford Public School Staff; Miss Beryl Gilbert, who has been accepted on the Trenton Public School Staff; Miss Luella Homan, who is going to Kenora, and Miss Mary Shannon, to a School near Marmora. Miss Marianne Rutherford had already informed the Board that she had accepted a position on the staff of the Ontario School For The Deaf. The Board accepted these resignations with regret. The Supervising Principal reported that he had made a trip to the Peterborough Normal School to interview applicants for these positions. The following applicants were accepted: Miss Lillian Cunningham, Wellington, for Johnstown School; Miss Sheila McEwen, Belleville, for Hogle's School, and Miss Katherine Benton, Peterborough, to teach at Meadowdale. The Federation minimum salary of \$1,800 was accepted. Miss Reta Harrison, who taught for a time in Peterboro, was engaged to teach at Riverside for the coming term.

Glen Ross Won Attendance Banner

Glen Ross School, whose attendance has been exceptionally regular all through the year although they had

never captured the banner for the highest monthly attendance, finally were rewarded for their efforts. Their percentage for April was 98.5 with Marsh Hill's 98.25 per cent bringing them second place.

### More Accommodation Needed at Avondale

The Avondale situation occupied a good part of the discussion of the second meeting. Several suggestions were made for a temporary solution to take care of the expected September enrolment, while plans for building an extension to the Avondale School go through the regular channels for approval and construction. A committee was formed to look into the matter and arrange for details.

### Hydro For Riverside

The extension of the hydro line past Riverside School, S.S. 17, will make it possible to have lights installed in this school. This is the only school in the area without hydro service. The Secretary was authorized to advertise for tenders for wiring the school according to the specifications and approval of the Department of Education.

of Timothy and the impression it had on his life.

Address By

Rev. W. H. V. Walker

Mr. Walker spoke on the family as the basic unit of society. Today we view with alarm tendencies to break up or break down the family spirit. A great responsibility rests on parents and a corresponding duty on the part of children.

Let Christ be enthroned in the family. Cherish the family idea that develops the whole personality where law, love, freedom and kindness work side by side.

Anything we can do to develop the Christian Family Life is worthwhile for ourselves and our fellow men.

This memorable service was largely attended by friends and relatives from Belleville, Stirling, Harold, Mt. Pleasant, Foxboro and Crookston.

### Mother's Day Service At St. Andrew's West Huntingdon

A special Mother's Day service was observed in St. Andrew's Presbyterian Church, West Huntingdon, conducted by the Pastor, Rev. W. H. V. Walker.

Among the profusion of spring flowers making bright the sanctuary were lovely blooming hydrangeas placed there by Miss Eliza and Tillie Donnan, of Belleville, in memory of their mother, Mrs. Jane Donnan; and by the Rollins family in memory of their mother, Mrs. Charlotte Rollins—faithful mothers who once worshipped in St. Andrew's, and who now rest from their labors.

Early in the service three children received the Sacrament of Baptism Linda Janet, daughter of Mr. and Mrs. S. Ellacott; Barry Edward, son of Mr. and Mrs. Harold Thompson; and Samuel John, son of Mr. and Mrs. Wm. Donnan.

### Dedication Service

An impressive dedication service was conducted by Mr. Walker, dedicating a beautiful pulpit lamp, presented to St. Andrew's by the Rollins family in loving memory of their mother, Mrs. Charlotte Rollins. The choir sang, "My Mother's Prayer," and at the conclusion of the service Miss Margaret Haggerty sang, "Mother." Mrs. John Wallace, Adult Bible Class Teacher gave an interesting short address with "The Home," as her theme. Mrs. Wallace pointed out the home was a divine institution, and mentioned the first home in the Garden of Eden, and the Godly home
